detective Archie

Sheridan spent ten
years tracking
Gretchen Lowell, a
beautiful serial killer,
but in the end she was
the one who caught
him. Two years ago,
Gretchen kidnapped
Archie and tortured
him for ten days, but
instead of killing him,
she mysteriously
decided to let him go.
She turned herself in,
and now Gretchen

has been locked away for the rest of her life, while Archie is in a prison of another kind---addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth---he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, Heartsick makes for one of the most extraordinary suspense debuts in recent memory.

Meet Gretchen Lowell, the stunningly

beautiful psychopath
The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle are the first three thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series.
HEARTSICK
Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now,

he realizes that even behind bars, Gretchen might be the only person who can help him find the serial killer he's currently tracking.
SWEETHEART
When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. EVIL AT HEART
Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed

not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off. The Girl Who Wrote in Silk Simon and Schuster Kick Lannigan, abducted at age six, goes into a tailspin when a second Amber Alert in a month signals the disappearance of a child in the Portland area. That's when the enigmatic Bishop approaches her with a

proposition. He made a fortune as a weapons dealer and now wants to make good by using his resources to rescue abducted children. And he is convinced Kick's experiences and expertise can be mined to help rescue the abductees. Little does Kick know the case will lead directly into her terrifying past. Night Season St. Martin's Press From the author of the

critically acclaimed Archie Sheridan and Gretchen Lowell thrillers, here is a heart-stopping ride that Cheryl Strayed (author of #1 New York Times bestseller Wild) called "deeply intelligent and grippingly suspenseful...a wickedly brilliant masterpiece." Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any

<p> weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high- level contacts, and details of Kick's background long kept sealed by the court. Yet everything he </p>	<p> tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart- ass by self- determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes—legal or not—to see justice served...if they don't kill each other first. For Kick, whose interest in child abduction is </p>	<p> deeply personal, it's a gamble worth taking. Critically acclaimed as "e xcruciating...co mpelling" (Booklist, starred review) and "a propulsive new thriller" (People), One Kick is an engrossing, entertaining new novel you won't want to miss.
