Lies. Heartbreak. Betrayal. No one knew the devastation of those three words more than Faith Winston and five years ago, she endured every one of them. All she wanted was to feel safe and marry the very man who promised to love her and protect her, Ryker Knight. But growing up in the Nordic Lords Motorcycle Club, she should have known she couldn't have a happy ending. Instead, her world became a nightmare. The bikers—her

family—abandoned her, leaving her to crash without their safety net. Ryker Knight has spent the last five years consumed with guilt, running from the ghosts that haunt him. That is until his past catches up with him the moment his brother needs his help. Returning home to Jasper Bay, he's forced to face the same ghosts he was running from. Only to find that the woman he loved is trapped in a hell of her own, entrenched behind enemy lines—and it's all his fault. And even though Ryker's life comes with priorities that he can't — and won't - turn his back on, he refuses to leave Jasper Bay until he's found Faith. But will she want to return to the life she's always wanted even if Ryker is no longer capable of giving her what he once promised?

BREATHE FIRE. Raised to be a

warrior, seventeen-year-old Eelyn

fights alongside her Aska clansmen

in an ancient, rivalry against the

Riki clan. Her life is brutal but

simple: fight and survive. Until

the day she sees the impossible on

the battlefield—her brother,

fighting with the enemy—the

brother she watched die five years

ago. Faced with her brother's

betrayal, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her

life hating.

Artificial Intelligence (AI) has augmented human activities and unlocked opportunities for many sectors of the economy. It is used for data management and analysis, decision making, and many other aspects. As with most rapidly advancing technologies, law is often playing a catch up role so the study of how law interacts with AI is more critical now than ever before. This book provides a detailed qualitative exploration into regulatory aspects of AI in industry. Offering a unique focus on current practice and existing trends in a wide range of industries where AI plays an increasingly important role, the work contains legal and technical analysis performed by 15 researchers and practitioners from different institutions around the world to provide an overview of how AI is being used and regulated across a wide range of sectors, including aviation, energy, government,

healthcare, legal, maritime, military, music, and others. It addresses the broad range of aspects, including privacy, liability, transparency, justice, and others, from the perspective of different jurisdictions. Including a discussion of the role of AI in industry during the Covid-19 pandemic, the chapters also offer a set of recommendations for optimal regulatory interventions. Therefore, this book will be of interest to academics, students and practitioners interested in technological and regulatory aspects of AI.

NEW YORK FOLKS narrates the saga of

Sure-Lite Brands Corporation, a producer of matches founded in 1893 by Hiram Ryder, a blacksmith's apprentice. Sure-Lite evolves, after a public offering in 1965, into a Fortune 200 NYSE listed corporation with CARSON'S a high growth retailer in the Home Center industry developing into Sure-Lite's principal business. A major power struggle erupts between the Ryder brothers for control of the company. Their struggle attracts predators, ambitious operating executives, slippery investment bankers, and corporate knaves, along with easy and hard ladies sporting high heels and sharp elbows. The narrative is brim with board of directors meeting conflicts, and self minded men and women who occasionally find themselves in foreign bedrooms. They are New York folks.

Dwight Foster is also the author of Shattered Covenants, a seven book cycle narrating the formation, rise, decline, and fall of a major management consulting firm.

Deceit. Destruction. Death. Olivia Masters grew up familiar with all of them. The daughter of the President of the Nordic Lords Motorcycle Club, Olivia always knew she wanted nothing to do with any of it. Her plans were made to leave the town she grew up in as soon as she and her boyfriend, Daemon Knight, turned eighteen. But then Olivia

was shot. Her mother killed in front of her. Fleeing became her reality. Forced to return to her hometown of Jasper Bay five years later, events beyond Olivia's control put her directly back into the life she swore she'd never return to. Her dad wants her back in the family. Daemon wants her in his bed. But just as Olivia begins to accept her destiny, history finds a way to repeat itself. This time, will Olivia be strong enough to fight for the family she once turned her back on? Or will she once again flee from the only life that has ever felt like home? *Warning: Due to violence, language, and sexual content, this book is not recommended for readers under the age of 18.*

A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of The Snowman and The Thirst. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's Macbeth centers

around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

Book one in the blockbuster Darkest Minds series —now with key art from the major motion picture that's hitting theaters September 2018! When Ruby woke up on her

tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities—the truth she's hidden from everyone, even the camp authorities—comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much

she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them—East River—they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.
