The Norton Anthology of Modern and Contemporary Poetry: Modern poetry

Norton Anthology of World Religions Oxford University Press

This collection of 31 American and international plays offers a truly global perspective of the drama and theater that has been produced during the past 150 years. In addition to essential plays from the West's modern canon, this anthology offers a richly varied selection of plays from regions underrepresented in other texts, such as Asia, Africa, Latin America, and the Caribbean. The book's pedagogical features all work together to provide students with the historical and cultural background they need to read plays into context. Accessible, interesting, and inclusive, the broad range of plays in this anthology will inspire, intrigue, and provoke readers to understand more deeply the literary and production history of modern and contemporary drama. One reviewer says, The coverage is great: in terms of geography, gender, race, aesthetics, and cultural issues, the editors have selected plays that are recognized for their

importance within an ongoing narrative history of world drama. I've seen no other anthology like this on the market. Matthew Roudan, Georgia State University

The Dream Songs is widely seen as Berryman's masterpiece, an impressively vast and varied collection of poems that is in itself a single, sprawling, ever-shifting poem. The songs in this great work are thus offered in many different tones, moods, and guises, although their form, Berryman's idiosyncratic reworking of the sonnet, remains more or less constant. Combining all of Berryman's earlier 77 Dream Songs (which won the 1965 Pulitzer Prize) and His Toy, His Dream, His Rest (which won the 1969 National Book Award), this one-volume edition contains no fewer than 385 entries in what the critic Denis Donoghue has called Berryman's "dream diary." The book also has an index of first lines, an index of titles, and a note by the author.
