An embittered dog walker obsessed with a social media influencer inadvertently puts a curse a young man--and must adventure into mysterious dimension in order to save him--in this wildly inventive, delightfully subversive, genre-nonconforming debut novel about illusion, magic, technology, kinship, and the emergent future. The year is 20__, and Penfield R. Henderson is in a rut. When he's not walking dogs for cash or responding to booty calls from his B-list celebrity hookup, he's holed up in his dingy Bushwick apartment obsessing over holograms of Aiden Chase, a fellow trans man and influencer documenting his much smoother transition into picture-perfect masculinity on the Gram. After an IRL encounter with Aiden leaves Pen feeling especially resentful, Pen enlists his roommates, the Witch and the Stoner-Hacker, to put their respective talents to use in hexing Aiden. Together, they gain access to Aiden's social media account and post a picture of Pen's aloe plant, Alice, tied to a curse: Whosoever beholds the aloe will be pushed into the Shadowlands. When the hex accidentally bypasses Aiden, sending another young trans man named Blithe to the Shadowlands (the dreaded emotional landscape through which every trans person must journey to achieve true self-actualization), the Rhiz (the quasi-benevolent big brother agency overseeing all trans matters) orders Pen and Aiden to team up and retrieve him. The two trace Blithe to a dilapidated motel in California and bring him back to New York, where they try to coax Blithe to stop speaking only in code and awkwardly try to pass on what little trans wisdom they possess. As the trio makes its way in a world that includes pitless avocados and subway cars that change color based on occupants' collective moods but still casts judgment on anyone not perfectly straight, Pen starts to learn that sometimes a family isn't just the people who birthed you. Magnificently imagined, linguistically dazzling, and riotously fun, *Future Feeling* presents an alternate future in which advanced technology still can't replace human connection but may give the trans community new ways to care for its own.

The House of Incest, Anais Nin's famous prose poem, was first published in Paris in 1936 and immediately drew attention from the era's prominent writers, including Henry Miller and Lawrence Durrell. While written in English, it is considered a landmark work in the French surrealist tradition and one of the most unique books in 20th century literature.

This book of essays is the first to probe Anais Nin's achievements as a literary artist. With an introduction by the editor, Suzanne Nalbantian, the collection examines the literary strategies of Nin in their psychoanalytical and stylistic dimensions. Various contributors scrutinize Nin's artistry, identifying her unique modernist techniques and her poetic vision. Others observe the transfer of her psychoanalytical positions to narrative. The volume also contains fresh views of Nin by her brother Joaquin Nin-Culmell as well as innovative analyses of the reception of her works.

The Quotable Anais Nin HMH

Mirages opens at the dawn of World War II, when Anaïs Nin fled Paris, where she lived for fifteen years with her husband, banker Hugh Guiler, and ends in 1947 when she meets the man who would be “the One,” the lover who would satisfy her insatiable hunger for connection. In the middle looms a period Nin describes as “hell,” during which she experiences a kind of erotic madness, a delirium that fuels her search for love. As a child suffering abandonment by her father, Anaïs wrote, “Close your eyes to the ugly things,” and, against a horrifying backdrop of war and death, Nin combats the world’s darkness with her own search for light. *Mirages* collects, for the first time, the story that was cut from all of Nin’s other published diaries, particularly volumes 3 and 4 of *The Diary of Anaïs Nin*, which cover the same time period. It is the long-awaited successor to the previous unexpurgated diaries *Henry and June*, *Incest*, *Fire*, and *Nearer the Moon*. *Mirages* answers the questions Nin readers have been asking for decades: What led to the demise of Nin’s love affair with Henry Miller?

Just how troubled was her marriage to Hugh Guiler? What is the story behind Nin’s “children,” the effeminate young men she seemed to collect at will? *Mirages* is a deeply personal story of heartbreak, despair, desperation, carnage, and deep mourning, but it is also one of courage, persistence, evolution, and redemption that reaches beyond the personal to the universal.

Postmodernity, Ethics and the Novel Penguin

After decades of producing fiction that was rejected by mainstream readership and reviewers for being self-centered, exotic in prose, filled with psychological theory, and coterie in style, Anais finally found acceptance by integrating all of the above in this published version of her diary. Timing is everything. The world of the 1930s-50s simply was not ready for her. The Aquarian generation of the 1960s was. When originally published this volume did not have a number in the title because no one thought it would sell enough to warrant a second volume. To the surprise of many, it would become the first in seven volumes - and then over 20 years later the unexpurgated versions of her diaries would be published, revealing that Anais was at the time having an affair with Henry Miller. Eventually this material would be fashioned into the movie “Henry and June.” It would also pave the way for the re-issue of many of Anais Nin's long since out-of-print earlier fiction. Anais Nin began a letter to her father, on the ship that carried her, her mother and brothers, away from him, away from Europe and to New York City. The letter was never sent (her mother did not think it appropriate), but instead developed into a diary she would continue to keep for decades. In this volume we meet Anais Nin living just outside of Paris with her husband, banker Hugh Guiler (who is barely visible in the diary, a point of contention for many who did not know that this was at his request). She has just published her study of DH Lawrence and is about to meet Henry Miller and his fascinating wife June (Nin's descriptions of June are among the most beautiful portions of her work). Her father soon reenters her life. This is a very exciting time in her life! But what have I listed above? Nothing but a pile of facts. Facts are often boring, and seldom poetic - two accusations rarely leveled against Anais Nin. It was only after submerging myself in the history of this volume that I came to realize this: the linear history of this diary does not really matter; the accusations that Anais Nin lied about her life are immaterial. Anais Nin had a beautiful way with words and she was a master of crafting an image, of creating a persona. She was not truly the person she portrays in this volume. But this is a beautiful and unique piece of literature that paved the way for many future artists, particularly female writers (Alice Walker has praised her work as profoundly liberating, and I can't help but think Maya Angelou took a cue from Anais Nin's concept of the continuous autobiographical novel). I have come to believe that it is not the possibility that she lied about her life that has upset so many people (some of whom refer to this as a “liary”), but that a woman should have such control over her own portrayal all the while defying so many of society's conventions. Anais Nin may not have truly been the woman she portrays in this or future volumes, but it is the woman she wanted to believe she was - wanted the world to believe she was. I find that quite revealing, as revealing as any diary should be.

Possessed by a need to save a beautiful Amazon warrior from the vision he witnessed, Loke snatched her from the midst of the battle between the Third and Fifth realm of the demons, and carried her to his home deep in the black mountains of Hell to protect her. But will her deceitful past allow Ana ĩ s a happy future? Simon and Schuster

In The Novel of the Future, Ana ĩ s Nin explores the act of creation--in literature, film, art, and dance--to arrive at a new synthesis for the young artist struggling against the sterility, formlessness, and spiritual bankruptcy afflicting much of modern fiction. Identifying those trends which she finds most destructive in modern fiction (reportage, the substitution of violence for emotion, and the growing cults of ugliness, toughness, and caricature), Nin offers, instead, an argument for and synthesis of the poetic novel. Drawing upon such related arts as filmmaking, painting, and dance, Nin discusses her own efforts in this genre as well as the development of such writers as D. H. Lawrence, Henry Miller, Lawrence Durrell, Marguerite Young, and Djuna Barnes. In chapters devoted to the pursuit of the hidden self, the genesis of fiction, and the relationship between the diary and fiction, she addresses the materials, techniques, and nourishment of the arts, and the functions of art itself.

Ana ĩ s Nin, the diarist, novelist, and provocateur, occupied a singular space in twentieth-century culture, not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America. Before Madonna and her many imitators, there was Nin; yet, until now, there has been no major study of Nin as a celebrity figure. In Writing an Icon, Anita Jarczok reveals how Nin carefully crafted her literary and public personae, which she rewrote and restyled to suit her needs and desires. When the first volume of her diary was published in 1966, Nin became a celebrity, notorious beyond the artistic and literary circles in which she previously had operated. Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin ' s guiding hand in their construction of her public persona. The key to understanding Nin ' s celebrity in its shifting forms, Jarczok contends, is the Diary itself, the principal vehicle through which her image has been mediated. Combining the perspectives of narrative and cultural studies, Jarczok traces the trajectory of Nin ' s celebrity, the reception of her writings. The result is an innovative investigation of the dynamic relationships of Nin ' s writing, identity, public image, and consumer culture.

Valley of the Shadows is a duet of two novels, concerning the fickleness of pursuing fame in a society that measures success by media adoration. In the title novel, Marya Brooks, an experienced poet in her seventies, decides to practice amateur obeah (voodoo) to cast negative spells on her favorite top five poets, the thriving competition. Only when each poet begins to die mysteriously does she develop guilt for her actions. Her former student, H.D., believes her research can dispute Marya's fallacious theories. Surrender, the second poem-novel, alternates between viewpoints of Rory Pole, an aspiring songwriter, and her idol, country music rising star, Maggie Moore. Also set in the southeast, primarily on both coasts of southern Florida, Rory is bitter when she receives no response from Maggie but notices that lines of her poems begin appearing in the singer's songs. In both novels, all characters eventually give up illusions and false patterns of behavior in these chilling stories, regarding the relevance of mass recognition and inordinate acclaim and adulation. They are novels-of-the-future, in accord with Anais Nin's tenets that commingle art with moral issues for compelling psychological literature.

The Portable Ana ĩ s Nin Felicity Heaton

"For readers unfamiliar with her subject, Maryanne Raphael's biography, Anais Nin, The Voyage Within, is a sensitive, uncomplicated introduction to the life and work of one of the 20th century's most quintessentially feminine artists. For Nin devotees, the biography is a refresher course taking us back through the vast material of the Diaries and novels that enchanted and inspired our love. Raphael accepts Nin entirely on her own terms. Thanks to a warm, personal relationship with Rupert Pole, Nin's surviving husband and executor of her estate, Raphael opens up some of the mystery that has hitherto surrounded Nin's relationship with her husbands-an aspect of Nin's life that was never explicitly described in the original Diaries. The result is a multi-dimensional portrait in which Nin's two selves, artist and woman are fully integrated. Nin the woman consciously chooses to realize female desire, give form to female imagination, always loving as she remains completely focused on birthing a new unabashedly feminine literature. Thank you, Maryanne!" -Dolores Brandon, Author of IN THE SHADOW OF MADNESS, A Memoir Writing an Icon Ishi Press

Helen Tookey examines the work of Ana ĩ s Nin (1903-77)-- and the different versions of Nin herself, as woman, writer, and iconic figure--through the lens of cultural and historical contexts. She focuses particularly on questions of identity and femininity, exploring how the self, for Nin, is constructed through narratives and performances of various kinds, and shedding light on key issues and conflicts within feminist thinking since the 1970s, particularly questions of identity, femininity, and psychoanalysis.

"To live life as a dream" was Nin's motto, and she did so. She was a bigamist for more than thirty years, creating a "Lie Box" to help her keep her stories straight.

And always she kept her diary, which eventually became one of the most astonishing renderings of a contemporary woman's life, noted as much for what she left out as for what she included. Bair's biography fills in the blanks and shows how Nin reflected the major themes that have come to characterize the latter half of the twentieth century: the quest for the self, the uses of psychoanalysis, and the determination of women to control their own sexuality.
