*The Now Habit at Work* Penguin

“This book will challenge you to rethink what it takes to make remote work work—not just for companies, but for people.” —Adam Grant, #1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife* The future isn’t about where we will work, but how. For years we have struggled to balance work and life, with most of us feeling overwhelmed and burned out because our relationship to work is broken. This “isn’t just a book about remote work. It’s a book that helps us imagine a future where our lives—at the office and home—are happier, more productive, and genuinely meaningful” (Charles Duhigg, best-selling author of *The Power of Habit*). *Out of Office* is a book for every office worker – from employees to managers – currently facing the decision about whether, and how,

to return to the office. The past two years have shown us that there may be a new path forward, one that doesn’t involve hellish daily commutes and the demands of jam-packed work schedules that no longer make sense. But how can we realize that future in a way that benefits workers and companies alike? Based on groundbreaking reporting and interviews with workers and managers around the world, *Out of Office* illuminates the key values and questions that should be driving this conversation: trust, fairness, flexibility, inclusive workplaces, equity, and work-life balance. Above all, they argue that companies need to listen to their employees – and that this will promote, rather than impede, productivity and profitability. As a society, we have talked for decades about flexible work arrangements; this book makes clear that we are at an inflection point where this is actually possible for many employees and their companies. *Out of Office* is about so much more than zoom meetings and hybrid schedules: it aims to reshape our entire relationship to the office. *The Power of Now* St. Martin's Essentials

Better Than Before Grand Central Publishing

- More than 500 appearances on national bestseller lists
- #1 Wall Street Journal, New

---

York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. **YOU WANT LESS.** You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. **AND YOU WANT MORE.** You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. **NOW YOU CAN HAVE BOTH — LESS AND MORE.** In *The ONE Thing*, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. **WHAT'S YOUR ONE THING?**

[The Now Habit at Work](#) Penguin

**NEW YORK TIMES BESTSELLER** • This instant classic explores how we can change our lives by changing our habits. **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY *The Wall Street Journal* • *Financial Times* In *The Power of Habit*, award-winning business reporter Charles

Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “ Sharp, provocative, and useful. ” —Jim Collins

“ Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good. ” —*Financial Times* “ A flat-out great read. ” —David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* “ You ’ ll never look at yourself, your organization, or your world quite the same way. ” —Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind*

“ Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change. ” —*The New York Times Book Review*

*The Genius Habit* Penguin

A stunning approach to how individuals can not only change their lives for the better in the workplace, but also their lives away from the office, including (but not limited to) finding ways to improve one's working relationship with others, one's overall health, outlook on life, and so on. For example, why is it that 95% of all diet attempts fail? Why do New Year's Resolutions last no more than a few days? Why can't

---

people with good intentions seem to make consistent and positive strides? Based upon the latest research in a number of psychological and medical fields, the authors of *Change Anything* will show that traditional will-power is not necessarily the answer to these strivings, that people are affected in their behaviors by far more subtle influences. *Change Anything* shows how individuals can come to understand these powerful and influential forces, and how to put these forces to work in a positive manner that brings real and meaningful results. The authors present an array of everyday examples that will change and truly empower you to reexamine the way you go about your business and life.

The Now Habit Bard Press

Mel Robbins broke self-publishing records and changed the lives of millions of people with her bestselling global phenomenon, *The 5 Second Rule*. And now, she's back with *The High 5 Habit* and on a mission to help you change your life. Don't let the title fool you. This isn't a book about high fiving everyone else in your life. You're already doing that. Instead, Mel teaches you how to start high fiving the most important person in your life, the one who is staring back at you in the mirror: YOURSELF. If you struggle with self-doubt (and who doesn't?) ...If you're tired of that nagging critic in your head (could somebody evict them already?) ...If you're wildly successful but all you focus on is what's going wrong (you're not alone) ...If you're sick of watching everybody else get ahead while you sit on the couch with your dog (don't bring your dog into this) ...Mel dedicates this book to you. Using her signature science-backed wisdom, Mel will teach you how to make believing in yourself a habit so that you operate with the confidence that your goals and dreams demand. *The High 5 Habit* is a simple yet profound tool that changes your attitude, your mindset and your behaviour. So be prepared to laugh and learn as you take steps to immediately boost

your confidence, happiness and results.

Please note: This is a companion version & not the original book. Sample Book Insights:  
#1 There are seven basic principles for working efficiently while minimizing distracting and destructive habits. While many of these concepts have been around for several millennia, not many know how to access and apply them to work and career situations.  
#2 To be an effective manager of yourself and others, you must shift your attention from what you 've done wrong to corrective action. You 'll be problem-solving and feeling effective within 5 seconds.  
#3 The law of reverse effort states that if you 're struggling, you 're going in the wrong direction. To free yourself, you have to go in the opposite direction and do what is counterintuitive, like facing down the ski slope to gain control over your skis.  
#4 You can increase your productivity by shifting from ego-focused to task-focused in just one breath. Categorize your thoughts as belonging in one of two boxes: Box #1 is for thoughts about the past, the future, and what 's wrong with you. Box #2 is for thoughts about working on the task.

Tiny Habits John Wiley & Sons

DON'T WAIT TO READ THIS BOOK: The world's leading expert on procrastination uses his groundbreaking research to offer understanding on a matter that bedevils us all. Writing with humour, humanity and solid scientific information reminiscent of *Stumbling on Happiness* and *Freakonomics*, Piers Steel explains why we knowingly and willingly put off a course of action despite recognizing we'll be worse off for it. For those who surf the Web instead of finishing overdue assignments, who always say diets start tomorrow, who stay up late watching TV to put off going to sleep, *The Procrastination Equation*

---

explains why we do what we do — or in this case don't — and why in Western societies we're in the midst of an escalating procrastination epidemic. Dr. Piers Steel takes on the myths and misunderstandings behind procrastination and motivation — showing us how procrastination affects our lives, health, careers and happiness and what we can do about it. With accessible prose and the benefits of new scientific research, he provides insight into why we procrastinate even though the result is that we are less happy, healthy, even wealthy. Who procrastinates and why? How many ways, big and small, do we procrastinate? How can we stop doing it? The reasons are part cultural, part psychological, part biological. And, with a million new ways to distract ourselves in the digitized world — all of which feed on our built-in impulsiveness — more of us are potentially damaging ourselves by putting things off. But Steel not only analyzes the factors that weigh us down but the things that motivate us — including understanding the value of procrastination.

The Emperor of All Maladies Sourcebooks

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field.

Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

everyone. Whether you are a painter, musician, businessperson, or simply an individual yearning to put your creativity to use, *The Creative Habit* provides you with thirty-two practical exercises based on the lessons Twyla Tharp has learned in her remarkable thirty-five-year career. In "Where's Your Pencil?" Tharp reminds you to observe the world -- and get it down on paper. In "Coins and Chaos," she gives you an easy way to restore order and peace. In "Do a Verb," she turns your mind and body into coworkers. In "Build a Bridge to the Next Day," she shows you how to clean the clutter from your mind overnight. Tharp leads you through the painful first steps of scratching for ideas, finding the spine of your work, and getting out of ruts and into productive grooves. The wide-open realm of possibilities can be energizing, and Twyla Tharp explains how to take a deep breath and begin...

#### The ONE Thing Urban Books

What do you want out of your career? Have you been job hopping, and haven't found the perfect fit? Or maybe you want to bring fresh energy to your work. Garnett shows you how the path to finding long-lasting professional happiness starts with building the one habit that makes extraordinary accomplishment all but guaranteed. -- adapted from jacket

#### Change Anything Vintage

Everyone wants to be happy, but not everyone knows how to be happy. People often seek happiness in personal relationships, careers, and material possessions, not realizing that true happiness comes from within. This book will show readers how to nurture their inner joy and share it with others. It will show them how to handle the challenges of life with humor and courage. They will learn to trust their own instincts and allow themselves to be happy and content.

#### The Power of Habit Penguin

A practical, tested program to overcome procrastination by achieving set goals, managing time, enlisting support, and handling stress. A must have for anyone who puts things off until tomorrow. Based on their workshops and counseling experience, psychologists Jane B. Burka and Lenora M. Yuen offer a probing, sensitive, and at times

humorous look at a problem that affects everyone: students and scientists, secretaries and executives, homemakers and salespeople. Wise, effective, and easy-to-use, *Procrastination* identifies the reasons we put off tasks--fears of failure, success, control, separation, and attachment--and their roots in our childhood and adult experiences. Burka and Yuen even provide tips on living and working with the procrastinators you may know.

#### Awaken Your Strongest Self Pen and Publish Inc

Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of *Give and Take*). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep--spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In *Deep Work*, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work

---

Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, *Deep Work* takes the reader on a journey through memorable stories-from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air-and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored.

*Deep Work* is an indispensable guide to anyone seeking focused success in a distracted world. An Amazon Best Book of 2016 Pick in Business & Leadership Wall Street Journal Business Bestseller A Business Book of the Week at 800-CEO-READ

*Memoirs of an Accidental Hustler* Da Capo Lifelong Books

Brian Tracy gives the advice of doing the most difficult task first so that you can feel positive about yourself and move on to the other tasks of the day.
