It is a chilly and foggy Twelfth Night, wild with North Sea wind, when a bizarre murder disturbs the outward piece of Rackmoor, a tiny Yorkshire fishing village with a past that proves a tangled maze of unrequited loves, unrevenged wrongs, and even undiscovered murders. Inspector Jury finds no easy answers in his investigation—not even the identity of the victim, a beautiful young woman. Was she Gemma Temple, an impostor, or was she really Dillys March, Colonel Titus Crael's long-lost ward, returning after eight years to the Colonel's country seat and to a share of his fortune? And who was her murderer?

'The Midnight Passenger' is a mystery novel written by Richard Savage.

Central to the novel is a character named Randall Clayton, who at first-glance seems to be the average well-groomed New York businessman. One day, while on his way to work, he fell in love at first sight with a woman who caught his attention as the refinement of the daintily cut dark dress she wore veils a form of ravishing symmetry.

In *The Blue Last*, Richard Jury finally faces the last thing in the world he wants to deal with—the war that killed his mother, his father, his childhood. Mickey Haggerty, a DCI with the London City police, has asked for Jury's help. Two skeletons have been unearthed in the City during the excavation of London's last bombsite, where once a pub stood called the *The Blue Last*. Mickey believes that a child who survived the bombing has been posing for over fifty years as a child who didn't. The grandchild of brewery magnet Oliver Tyndale supposedly survived that December 1940 bombing . . . but did she? Mickey also has a murder to solve. Simon Croft, prosperous City financial broker, and son of the one-time owner of *The Blue Last* is found shot to death in his Thames-side house. But the book he was writing about London during the German blitzkrieg has disappeared. Jury wants to get eyes and ears into Tyndale Lodge, and looks to his friend, Melrose Plant, to play the role. Reluctantly, Plant plays it, accompanied on his rounds of the Lodge gardens by nine-year-old Gemma Trim, orphan and ward of Oliver Tyndale; and Benny Keagan, a resourceful twelve-year-old orphaned delivery boy. And Richard Jury may not make it out alive. A stolen book, stolen lives, or is any of this what it seems? Identity, memory, provenance - these are all called into question in *The Blue Last*

For waitress and cub reporter Emma Graham, tragedy defines where she lives. Spirit Lake, *La Porte*, and *Lake Noir* have been held in thrall by intertwined crimes: the murders of Mary-Evelyn Devereau, *Rose Queen*, and *Fern Queen*; the supposed kidnapping of a four-month-old baby from the *Belle Ruin* hotel twenty years

previously; and, most recently, the attack on Emma. And with the arrival of an unexpected visitor and a drifter, it looks like the bad times have only begun...

*Hours at Home: a Popular Monthly of Instruction and Recreation* Penguin  
Slaveholders were preoccupied with presenting slavery as a benign, paternalistic institution in which the planter took care of his family and slaves were content with their fate. In this book, Eugene D. Genovese and Elizabeth Fox-Genovese discuss how slaveholders perpetuated and rationalized this romanticized version of life on the plantation. Slaveholders' paternalism had little to do with ostensible benevolence, kindness and good cheer. It grew out of the necessity to discipline and morally justify a system of exploitation. At the same time, this book also advocates the examination of masters' relations with white plantation laborers and servants - a largely unstudied subject. Southerners drew on the work of British and European socialists to conclude that all labor, white and black, suffered de facto slavery, and they championed the South's 'Christian slavery' as the most humane and compassionate of social systems, ancient and modern.
