For waitress and cub reporter Emma Graham, tragedy defines where she lives. Spirit Lake, La Porte, and Lake Noir have been held in thrall by intertwined crimes: the murders of Mary-Evelyn Devereau, Rose Queen, and Fern Queen; the supposed kidnapping of a four-month-old baby from the Belle Ruin hotel twenty years previously; and, most recently, the attack on Emma. And with the arrival of an unexpected visitor and a drifter, it looks like the bad times have only begun...

The Living Sea of Waking Dreams John Wiley & Sons

This comprehensive biography of Francis Marion, the Swamp Fox, covers his famous wartime stories as well as a private side of him that has rarely been explored In the darkest days of the American Revolution, Francis Marion and his band of militia freedom fighters kept hope alive for the patriot cause during the critical British "southern campaign." Employing insurgent guerrilla tactics that became commonplace in later centuries, Marion and his brigade inflicted enemy losses that were individually small but cumulatively a large drain on British resources and

morale. Although many will remember the stirring adventures of the "Swamp Fox" from the Walt Disney television series of the late 1950s and the fictionalized Marion character played by Mel Gibson in the 2000 film *The Patriot*, the real Francis Marion bore little resemblance to either of those caricatures. But his exploits were no less heroic as he succeeded, against all odds, in repeatedly foiling the highly trained, better-equipped forces arrayed against him. In this action-packed biography we meet many colorful characters from the Revolution: Banastre Tarleton, the British cavalry officer who relentlessly pursued Marion over twenty-six miles of swamp, only to call off the chase and declare (per legend) that "the Devil himself could not catch this damned old fox," giving Marion his famous nickname; Thomas Sumter, the bold but rash patriot militia leader whom Marion detested; Lord Cornwallis, the imperious British commander who ordered the hanging of rebels and the destruction of their plantations; "Light-Horse Harry" Lee, the urbane young Continental cavalryman who helped Marion topple critical British outposts in South Carolina; but most of all Francis Marion himself, "the Washington of the South," a man of ruthless determination yet humane character, motivated by what his peers called "the purest patriotism." In *The Swamp Fox*, the first major biography of Marion in more than forty years, John Oller compiles striking evidence and brings together much recent learning to provide a fresh look both at Marion, the man, and how he helped save the American Revolution.

This extraordinary tale involves Edward Moon, stage magician and detective, his silent sidekick the Somnambulist, and a devilish plot to re-create the apocalyptic prophecies of Samuel Taylor Coleridge and bring the British Empire crashing down.

Talking to the Dead Disney Electronic Content

The third in the bestselling Richard Jury mystery series by Martha Grimes. A spinster whose passion was bird-watching, a dotty peer who pinched pennies, and a baffling murder made the tiny village of Littlebourne a most extraordinary place. And a severed finger made a ghastly clue in the killing that led local constables from a corpse to a boggy footpath to a beautiful lady's mansion. But Richard Jury refused, preferring to take the less traveled route to a slightly disreputable pub, the Anodyne Necklace. There, drinks all around loosened enough tongues to link a London mugging with the Littlebourne murder and a treasure map that would chart the way to yet another chilling crime.

From the acclaimed Booker Prize-winning author comes a dazzling novel of family, love and love's disappointments Anna's aged mother is dying. Condemned by her children's pity to living, subjected to increasingly desperate medical interventions, she turns her focus to her hospital window, through which she escapes into visions of horror and delight. When Anna's finger vanishes and a few months later her knee disappears, Anna too feels the pull of the window. She begins to see that all around her, others are similarly vanishing, yet no one else notices. All Anna can do is keep her mother alive. But the window keeps opening wider, taking Anna and the reader ever deeper into an eerily beautiful story of grief and possibility, of loss and love and orange-bellied parrots. Hailed on publication in Australia as Richard Flanagan's greatest novel yet, *The Living Sea of Waking Dreams* is a rising ember storm illuminating what remains when the inferno beckons: one part elegy, one part dream, one part hope.

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

Fadeaway Girl W. W. Norton & Company

Rough Enough is a work of historical non-fiction detailing ten years in the life of Richard McBee's great grandfather, a teenager who goes off half cocked to fight the Civil War! Richard Clow is 17 when the excitement of the final year of Civil War conflict entices him to enlist in the Union Army. Very quickly he finds that even getting to the battle front can have its own challenges: two weeks in a thug dominated holding camp followed by the ship voyage from Hell in getting from Boston to the Petersburg front. His thirteen letters home to his sisters describe poignant military experiences, bloody battles to take Petersburg, close calls, and the stresses of war. These are mingled with his daily observations of the Virginian countryside, hardships and small joys by a young man who has a flair for description. The accompanying text documents the changes from snotty nosed youth to blooded infantryman. It describes parallel battle situations and how the stresses of the battlefield lead Richard Clow towards a "Soldier's Heart" PTSD type syndrome. What is it that makes this young man reenlist two years after the war and join the 13th Infantry fighting in the mountains and plains of Montana and the Dakotas from ill designed forts. As his heart grows weary of battles, Clow shares his dreams of married life with his sister as he describes yet another ambush oo travelers through Indian territory. Clow's post military marital bliss is cut short by the specter of death which nearly wipes out his immediate family. With a heavy heart he again seeks solace in the wilderness and the cold creeks and gun ruled world of Deadwood in the heart of the Black Hills gold rush. As he strikes it rich and then goes on to live out his dreams of being a farmer, rancher and Oregon hotelier, we see how perseverance in the face of overwhelming life struggles can lead to a family and forty more years of productive life on the waning frontier.

Who Is Rich? Penguin

Charles O ' Connell is riding an epic losing streak. Having worked in politics since college, he is used to losing races, but he never imagined that his most recent candidate would end up in jail and that he would also need an attorney. His euphoria at not joining his boss in prison is short-lived—no one will hire him now, his credit cards are maxed out and his marriage is on the rocks. An unexpected offer to work in Santa Fe, New Mexico, doing public relations for a firm building the city ' s new airport feels like an opportunity to start fresh and make connections with powerful people out west. But when the construction crew unearths a skeleton, Charles ' fresh start turns into another disaster. Soon, a group of Apache claims the site holds Geronimo ' s secret grave. Charles quickly realizes everyone has an agenda—and numerous dark secrets threaten to erupt. Gabriel Luna, one of the laborers present when the skeleton is unearthed, is willing to do just about anything to reconnect with his teenage son. Cody Branch, an ambitious, powerful millionaire, plans to leverage the deal to enrich himself. And there ' s his wife, Olivia Branch, who has a surprising connection to Charles ' past and desperately needs his help. Surrounded by deception on all fronts, including his own lies to himself and his wife, Charles falls into a whirlwind of fraud, betrayal and double crosses. This riveting novel barrels through the New Mexican landscape in an exploration of innocence and guilt, power and wealth, and the search for love and happiness.

It is a chilly and foggy Twelfth Night, wild with North Sea wind, when a bizarre murder disturbs the outward piece of Rackmoor, a tiny Yorkshire fishing village with a past that proves a tangled maze of unrequited loves, unrevenged wrongs, and even undiscovered murders. Inspector Jury finds no easy answers in his investigation—not even the identity of the victim, a beautiful young woman. Was she Gemma Temple, an impostor, or was she really Dillys March, Colonel Titus Crael's long-lost ward, returning after eight years to the Colonel's country seat and to a share of his fortune? And who was her murderer?

Crimes Committed by Terrorist Groups Harlequin

Rick Riordan Presents Yoon Ha Lee's space opera about thirteen-year-old Min, who comes from a long line of fox spirits. But you'd never know it by looking at her. To keep the family safe, Min's mother insists that none of them use any fox-magic, such as Charm or shape-shifting. They must appear human at all times. Min feels hemmed in by the household rules and resents the endless chores, the cousins who crowd her, and the aunties who judge her. She would like nothing more than to escape Jinju, her neglected, dust-ridden, and impoverished planet. She's counting the days until she can follow her older brother, Jun, into the Space Forces and see more of the Thousand Worlds. When word arrives that Jun is suspected of leaving his post to go in search of the Dragon Pearl, Min knows that something is wrong. Jun would never desert his battle cruiser, even for a mystical object rumored to have tremendous power. She decides to run away to find him and clear his name. Min's quest will have her meeting gamblers, pirates, and vengeful ghosts. It will involve deception, lies, and sabotage. She will be forced to use more fox-magic than ever before, and to rely on all of her cleverness and bravery. The outcome may not be what she had hoped, but it has the potential to exceed her wildest dreams. This sci-fi adventure with the underpinnings of Korean mythology will transport you to a world far beyond your imagination.

The Collected Stories of Richard Yates Penguin

"The Ghost Army" is full of art and photographs telling the story of the 23rd Headquarters Special Troops, an extraordinary US Army unit that used inflatable tanks and sound effects records to stage a traveling road show of deception on the battlefields of Europe during WWII. Many who served in this to-secret unit were artists destined for illustrious post-war art careers, including a budding fashion designer named Bill Blass. In their spare time they painted and sketched their way across war-torn Europe. The book is a catalog for a museum exhibit about the unit, and a companion to the forthcoming documentary film.

Over 13 months in 1976-1977, four children were abducted in the Detroit suburbs, each of them held for days before their still-warm bodies were dumped in the snow near public roadsides. The Oakland County Child Murders spawned panic across southeast Michigan, triggering the most extensive manhunt in U.S. history. Yet after less than two years, the task force created to find the killer was shut down without naming a suspect. The case "went cold" for more than 30 years, until a chance discovery by one victim's family pointed to the son of a wealthy General Motors executive: Christopher Brian Busch, a convicted pedophile, was freed weeks before the fourth child disappeared. Veteran Detroit News reporter Marney Rich Keenan takes the reader inside the investigation of the still-unsolved murders--seen through the eyes of the lead detective in the case and the family who cracked it open--revealing evidence of a decades-long coverup of malfeasance and obstruction that denied justice for the victims.

The Old Wine Shades Penguin

Slaveholders were preoccupied with presenting slavery as a benign, paternalistic institution in which the planter took care of his family and slaves were content with their fate. In this book, Eugene D. Genovese and Elizabeth Fox-Genovese discuss how slaveholders perpetuated and rationalized this romanticized version of life on the plantation. Slaveholders' paternalism had little to do with ostensible benevolence, kindness and good cheer. It grew out of the necessity to discipline and morally justify a system of exploitation. At the same time, this book also advocates the examination of masters' relations with white plantation laborers and servants - a largely unstudied subject. Southerners drew on the work of British and European socialists to conclude that all labor, white and black, suffered de facto slavery, and they championed the South's 'Christian slavery' as the most humane and compassionate of social systems, ancient and modern.

The Case Has Altered Simon and Schuster

"[A]n astonishingly interesting interpretation...Fox is wonderfully shrewd and often dazzling." —Jill Lepore, New York Times Book Review Abraham Lincoln remains America's most beloved leader. The fact that he was lampooned in his day as "ugly and grotesque" only made Lincoln more endearing to millions. In Lincoln's Body, acclaimed cultural historian Richard Wightman Fox explores how deeply, and how differently, Americans—black and white, male and female, Northern and Southern—have valued our sixteenth president, from his own lifetime to the Hollywood biopics about him. Lincoln continues to survive in a body of memory that speaks volumes about our nation.

A literary event of the highest order, The Collected Stories of Richard Yates brings together Yates's peerless short fiction in a single volume for the first time. Richard Yates was acclaimed as one of the most powerful, compassionate, and technically accomplished writers of America's postwar generation, and his work has inspired such diverse talents as Richard Ford, Ann Beattie, André Dubus, Robert Stone, and Kurt Vonnegut Jr. This collection, as powerful as Yates's beloved Revolutionary Road, contains the stories of his classic works Eleven Kinds of Loneliness (a book The New York Times Book Review hailed as "the New York equivalent of Dubliners") and Liars in Love; it also features nine new stories, seven of which have never been published. Whether addressing the smothered desire of suburban housewives, the white-collar despair of Manhattan office workers, the grim humor that attends life on a tuberculosis ward, or the moments of terrified peace experienced by American soldiers in World War II, Yates examines every frayed corner of the American dream. His stories, as empathetic as they are unforgiving, are like no others in our nation's literature. Published with a moving introduction by the novelist Richard Russo, this collection will stand as its author's final masterpiece.
