King Arthur as you've never seen her! This bold, sizzling YA novel reimagines the Once and Future King as a teenage girl determined to save the universe from an evil curse. My name is Ari Helix. I have a magic sword, a cranky wizard, and a revolution to start. I've been chased my whole life. As a fugitive refugee in the territory controlled by the tyrannical Mercer corporation, I've always had to hide who I am. Until I found Excalibur. Now I'm done hiding. When Ari crash-lands on Old Earth and pulls a magic sword from its ancient resting place, she is revealed to be the newest reincarnation of King Arthur. Then she meets Merlin, who has aged backward over the centuries into a teenager, and together they must break the curse that keeps Arthur coming back. Their quest? Defeat the cruel, oppressive government and bring peace and equality to all humankind. No pressure. "All hail this worthier-than-ever, fresh, and affirming reincarnation of the legendary king and her round table of knights which dazzles with heroic flair, humor, and suspense." -- Kirkus, Starred Review

The Book of Merlyn Boydell & Brewer Ltd

White's *The Bestiary: A Book of Beasts* was the first and, for a time, the only English translation of a medieval bestiary. White provides an excellent appendix that explains how the creatures of the bestiary influenced the development of allegory and symbolism in art and literature.

Collects RAT QUEENS Volume 2 #16-20

Once & Future McClelland & Stewart

Lancelot, despite being the bravest of the knights, is ugly, and ape-like, so that he calls himself the Chevalier mal fet - "The Ill-Made Knight". As a child, Lancelot loved King Arthur and spent his entire childhood training to be a knight of the round table. When he arrives and becomes one of Arthur's knights, he also becomes the king's close friend. This causes some tension, as he is jealous of Arthur's new wife Guinevere. In order to please her husband, Guinevere tries to befriend Lancelot and the two eventually fall in love. T.H. White's version of the tale elaborates greatly on the passionate love of Lancelot and Guinevere. Suspense is provided by the tension between Lancelot's friendship for King Arthur and his love for and affair with the queen. We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

The Once and Future King University of Texas Press

The unpublished conclusion to The once and future king that tells how Arthur, Guenever, and Lancelot come to their ends.

The Broken King Heinemann

" She saw: first, a square opening, about eight inches wide, in the lowest step... finally she saw that there was a walnut shell, or half one, outside the nearest door... she went to look at the shell—but looked with the greatest astonishment. There was a baby in it. " So ten-year-old Maria, orphaned mistress of Malplaquet, discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago nicknamed Mistress Masham ' s Repose, live an entire community of people— " The People, " as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in Gulliver ' s Travels) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by Maria ' s well-meaning but clumsy attempts to make their lives easier, but their situation grows truly ominous when they are discovered by Maria ' s greedy guardians, who look at The People and see only a bundle of money.

The Unpublished Conclusion to The Once and Future King Houghton Mifflin Harcourt

This remarkable book shatters just about every myth surrounding American government, the Constitution, and the Founding Fathers, and offers the clearest warning about the alarming rise of one-man rule in the age of Obama. Most Americans believe that this country uniquely protects liberty, that it does so because of its Constitution, and that for this our thanks must go to the Founders, at their Convention in Philadelphia in 1787. F. H. Buckley ' s book debunks all these myths. America isn ' t the freest country around, according to the think tanks that study these things. And it ' s not the Constitution that made it free, since parliamentary regimes are generally freer than presidential ones. Finally, what we think of as the Constitution, with its separation of powers, was not what the Founders had in mind. What they expected was a country in which Congress would dominate the government, and in which the president would play a much smaller role. Sadly, that ' s not the government we have today. What we have instead is what Buckley calls Crown government: the rule of an all-powerful president. The country began in a revolt against one king, and today we see the dawn of a new kind of monarchy. What we have is what Founder George Mason called an " elective monarchy, " which he thought would be worse than the real thing. Much of this is irreversible. Constitutional amendments to redress the balance of power are extremely unlikely, and most Americans seem to have accepted, and even welcomed, Crown government. The way back lies through Congress, and Buckley suggests feasible reforms that it might adopt, to regain the authority and respect it has squandered.

The Once and Future King HarperCollins Children's Modern Classics

The history of America ' s civil rights movement is marked by narratives that we hear retold again and again. This has relegated many key figures and turning points to the margins, but graphic novels and graphic memoirs present an opportunity to push against the consensus and create a more complete history. *Graphic Memories of the Civil Rights Movement* showcases five vivid examples of this: Ho Che Anderson's *King* (2005), which complicates the standard biography of Martin Luther King Jr.; Congressman John Lewis's three-volume memoir, *March* (2013 – 2016); *Darkroom* (2012), by Lila Quintero Weaver, in which the author recalls her Argentinian father ' s participation in the movement and her childhood as an immigrant in the South; the bestseller *The Silence of Our Friends* by Mark Long, Jim Demonakos, and Nate Powell (2012), set in Houston's Third Ward in 1967; and Howard Cruse's *Stuck Rubber Baby* (1995), whose protagonist is a closeted gay man involved in the movement. In choosing these five works, Jorge Santos also explores how this medium allows readers to participate in collective memory making, and what the books reveal about the process by which history is (re)told, (re)produced, and (re)narrativized. Concluding the work is Santos ' s interview with Ho Che Anderson.

A Novel DS Brewer

"A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar. " Laini Taylor, New York Times bestselling author **A NEW YORK TIMES BESTSELLER** • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters James Juniper, Agnes Amaranth, and Beatrice Belladonna join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote and perhaps not even to live the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power

and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away." Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen." P. Djèlí Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*.

T.H. White's *The Once and Future King* HarperCollins Publishers

T. H. White ' s masterful retelling of the saga of King Arthur is a fantasy classic as legendary as Excalibur and Camelot, and a poignant story of adventure, romance, and magic that has enchanted readers for generations. Once upon a time, a young boy called " Wart " was tutored by a magician named Merlyn in preparation for a future he couldn ' t possibly imagine. A future in which he would ally himself with the greatest knights, love a legendary queen and unite a country dedicated to chivalrous values. A future that would see him crowned and known for all time as Arthur, King of the Britons. During Arthur ' s reign, the kingdom of Camelot was founded to cast enlightenment on the Dark Ages, while the knights of the Round Table embarked on many a noble quest. But Merlyn foresaw the treachery that awaited his liege: the forbidden love between Queen Guenever and Lancelot, the wicked plots of Arthur ' s half-sister Morgause and the hatred she fostered in Mordred that would bring an end to the king ' s dreams for Britain—and to the king himself. " [The Once and Future King] mingles wisdom, wonderful, laugh-out-loud humor and deep sorrow—while telling one of the great tales of the Western world. " —Guy Gavriel Kay

Being a Translation from a Latin Bestiary of the Twelfth Century Good Press

The magical saga of the women behind King Arthur's throne. " A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement. " —The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

Graphic Memories of the Civil Rights Movement New York Review of Books

THE TOP 5 SUNDAY TIMES BESTSELLER ONE OF BARACK OBAMA'S BEST BOOKS OF 2019 THE TIMES HISTORY BOOK OF THE YEAR FINALIST FOR THE CUNDILL HISTORY PRIZE 2020 LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION 2019 A FINANCIAL TIMES, OBSERVER, DAILY TELEGRAPH, WALL STREET JOURNAL AND TIMES BOOK OF THE YEAR 'Dalrymple is a superb historian with a visceral understanding of India ... A book of beauty' — Gerard DeGroot, The Times In August 1765 the East India Company defeated the young Mughal emperor and forced him to establish a new administration in his richest provinces. Run by English merchants who collected taxes using a ruthless private army, this new regime saw the East India Company transform itself from an international trading corporation into something much more unusual: an aggressive colonial power in the guise of a multinational business. William Dalrymple tells the remarkable story of the East India Company as it has never been told before, unfolding a timely cautionary tale of the first global corporate power.

The Once and Future King Bloomsbury Publishing

The King is Undead. Long live the King. When a group of Nationalists use an ancient artifact to bring a villain from Arthurian myth back from the dead to gain power, ex-monster hunter Bridgette McGuire escapes her retirement home and pulls her unsuspecting grandson Duncan, a museum curator, into a world of magic and mysticism to defeat a legendary threat. Bestselling writer Kieron Gillen (*Die, Star Wars*) and Russ Manning Award-winning artist Dan Mora (*Buffy The Vampire Slayer*, *Klaus*) explore the mysteries of the past, the complicated truths of our history and the power of family to save the day...especially if that family has secret bunkers of ancient weapons and decades of experience hunting

the greatest monsters in Britain ' s history! Collects issues #1-6.

T.H. White's Troubled Heart Redhook

This magical account of King Arthur ' s last night on earth, rediscovered in a collection of T. H. White ' s papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White ' s books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King*. *The Book of Merlyn* has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. " Arriving from beyond the curve of time and apparently from the grave, *The Book of Merlyn* stirs its own pages, saying, wait: you didn ' t get the whole story. . . . It gives us a final glimpse of those two immortal characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reread in our next century is just as welcome as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center. Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility. " —Gregory Maguire, from the foreword

The Book of Merlyn University of Texas Press
