The Book of Merlyn Chicken House
The King is Undead. Long live the King. When a group of Nationalists use an ancient artifact to bring a villain from Arthurian myth back from the dead to gain power, ex-monster hunter Bridgette McGuire escapes her retirement home and pulls her unsuspecting grandson Duncan, a museum curator, into a world of magic and mysticism to defeat a legendary threat. Bestselling writer Kieron Gillen (Die, Star Wars) and Russ Manning Award-winning artist Dan Mora (Buffy The Vampire Slayer, Klaus) explore the mysteries of the past, the complicated truths of our history and the power of family to save the day...especially if that family has secret bunkers of ancient weapons and decades of experience hunting the greatest monsters in Britain ' s history! Collects issues #1-6.
A study guide for T. H. White's "The Once and Future King" Heinemann
The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

The Rise of Crown Government in America HarperCollins UK
'The Broken King' tells the story of a boy called Simon who must search for and fight a terrifying enemy when his little sister is snatched away to a dark underworld. He is accompanied by Fiona, who has lost her brother in similar circumstances and a strange, unnamed boy who rescues them from a violent attack in the middle of the night.
Being a Translation from a Latin Bestiary of the Twelfth Century HarperCollins Children's Modern Classics
“She saw: first, a square opening, about eight inches wide, in the lowest step...finally she saw that there was a walnut shell, or half one, outside the nearest door...she went to look at the shell—but looked with the greatest astonishment. There was a baby in it.” So ten-year-old Maria, orphaned mistress of Malplaquet, discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago

nicknamed Mistress Masham’s Repose, live an entire community of people—”The People,” as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in Gulliver’s Travels) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by Maria’s well-meaning but clumsy attempts to make their lives easier, but their situation grows truly ominous when they are discovered by Maria’s greedy guardians, who look at The People and see only a bundle of money.
The Ill-Made Knight G.P. Putnam's Sons
Ami lives on Cullion, an island for people who have leprosy. Her mother is infected. She loves her home - but then islanders untouched by sickness are forced to leave. Ami's desperate to return before her mother's death. She finds a strange and fragile hope in a colony of butterflies. Can they lead her home before it's too late?
CliffsNotes on White's The Once and Future King Boydell & Brewer Ltd
White's The Bestiary: A Book of Beasts was the first and, for a time, the only English translation of a medieval bestiary. White provides an excellent appendix that explains how the creatures of the bestiary influenced the development of allegory and symbolism in art and literature.
Candle in the Wind The Once and Future King
This remarkable book shatters just about every myth surrounding American government, the Constitution, and the Founding Fathers, and offers the clearest warning about the alarming rise of one-man rule in the age of Obama. Most Americans believe that this country uniquely protects liberty, that it does so because of its Constitution, and that for this our thanks must go to the Founders, at their Convention in Philadelphia in 1787. F. H. Buckley’s book debunks all these myths. America isn’t the freest country around, according to the think tanks that study these things. And it’s not the Constitution that made it free, since parliamentary regimes are generally freer than presidential ones. Finally, what we think of as the Constitution, with its separation of powers, was not what the Founders had in mind. What they expected was a country in which Congress would dominate the government, and in which the president would play a much smaller role. Sadly, that’s not the government we have today. What we have instead is what Buckley calls Crown government: the rule of an all-powerful president. The country began in a revolt against one king, and today we see the dawn of a new kind of monarchy. What we have is what Founder George Mason called an “elective monarchy,” which he thought would be worse than the real thing. Much of this is irreversible. Constitutional amendments to redress the balance of power are extremely unlikely, and most Americans seem to have accepted, and even welcomed, Crown government. The way back lies through Congress, and Buckley suggests feasible reforms that it might adopt, to regain the authority and respect it has squandered.
The Mists of Avalon DS Brewer
The New York Times-bestselling "skeptical environmentalist" argues that panic over climate change is causing more harm than good Hurricanes batter our coasts. Wildfires rage across the American West. Glaciers collapse in the Artic. Politicians, activists, and the media espouse a common message: climate change is destroying the planet, and we must take drastic action immediately to stop it. Children panic about their future, and adults wonder if it is even ethical to bring new life into the world. Enough, argues bestselling author Bjorn Lomborg. Climate change is real, but it's not the apocalyptic threat that we've been told it is. Projections of Earth's imminent demise are based on bad science and even worse economics. In panic, world leaders have committed to wildly expensive but largely ineffective policies that hamper growth and crowd out more pressing investments in human capital, from immunization to education. False Alarm will convince you that everything you think about climate change is wrong -- and points the way toward making the world a vastly better, if slightly warmer, place for us all.
The Book of Merlyn Good Press
The Second Edition of Johnny Saldaña's international bestseller provides an in-depth guide to the multiple approaches available for coding qualitative data. Fully up to date, it includes new chapters, more coding techniques and an additional glossary. Clear, practical and authoritative, the book: -describes how coding initiates qualitative data analysis -demonstrates the writing of analytic memos -discusses available analytic software -suggests how best to use The Coding Manual for Qualitative Researchers for particular studies. In total, 32 coding methods are profiled that can be applied to a range of research genres from grounded theory to phenomenology to narrative inquiry. For each approach, Saldaña discusses the method's origins, a description of the method, practical applications, and a clearly illustrated example with analytic follow-up. A unique and invaluable reference for students, teachers, and practitioners of qualitative inquiry, this book is essential reading across the social sciences.
The Once and Future King Ballantine Books
The extraordinary story of a boy called Wart – ignored by everyone

except his tutor, Merlin – who goes on to become King Arthur.
Reframing History in Comics Encounter Books
Lancelot, despite being the bravest of the knights, is ugly, and ape-like, so that he calls himself the Chevalier mal fet - "The Ill-Made Knight". As a child, Lancelot loved King Arthur and spent his entire childhood training to be a knight of the round table. When he arrives and becomes one of Arthur's knights, he also becomes the king's close friend. This causes some tension, as he is jealous of Arthur's new wife Guinevere. In order to please her husband, Guinevere tries to befriend Lancelot and the two eventually fall in love. T.H. White's version of the tale elaborates greatly on the passionate love of Lancelot and Guinevere. Suspense is provided by the tension between Lancelot's friendship for King Arthur and his love for and affair with the queen.We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

The Once and Future King Bloomsbury Publishing
Describes King Arthur's life from his childhood to the coronation, creation of the Round Table, and search for the Holy Grail
The Anarchy University of Texas Press
T. H. White’s masterful retelling of the saga of King Arthur is a fantasy classic as legendary as Excalibur and Camelot, and a poignant story of adventure, romance, and magic that has enchanted readers for generations. Once upon a time, a young boy called “Wart” was tutored by a magician named Merlyn in preparation for a future he couldn’t possibly imagine. A future in which he would ally himself with the greatest knights, love a legendary queen and unite a country dedicated to chivalrous values. A future that would see him crowned and known for all time as Arthur, King of the Britons. During Arthur’s reign, the kingdom of Camelot was founded to cast enlightenment on the Dark Ages, while the knights of the Round Table embarked on many a noble quest. But Merlyn foresaw the treachery that awaited his liege: the forbidden love between Queen Guenever and Lancelot, the wicked plots of Arthur’s half-sister Morgause and the hatred she fostered in Mordred that would bring an end to the king’s dreams for Britain—and to the king himself. “[The Once and Future King] mingles wisdom, wonderful, laugh-out-loud humor and deep sorrow—while telling one of the great tales of the Western world.”—Guy Gavriel Kay
Forget the Alamo UW-Madison Libraries Parallel Press
The fourth book from the collection The Once and Future King by T. H. White. It deals with the last weeks of Arthur's reign, his dealings with his son Mordred's revolts, Guenever and Lancelot's demise, and his perception of right and wrong.
The Rise and Fall of an American Myth McClelland & Stewart
The definitive modern take on the timeless tale of King Arthur and his Knights of the Round table. The legends of King Arthur date back to medieval Europe, and have become some of the dominant myths of Western culture. In The Once & Future King, T. H. White reinvents the story for a modern audience. The novel starts by introducing the reader to a young Arthur – just a child, and far from the King he will become – as he is raised by the wizard Merlyn, and moves on to chronicle his rise to Kingship, the affair between Guinevere and Lancelot, and the eventual destruction of the round table. The first section, released independently as The Sword in the Stone, was adapted into an animated film by Walt Disney Pictures. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.
