The Once and Future King Houghton Mifflin Harcourt

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement." —The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable

mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

The Coding Manual for Qualitative Researchers  
University of Texas Press

The definitive modern take on the timeless tale of King Arthur and his Knights of the Round table. The legends of King Arthur date back to medieval Europe, and have become some of the dominant myths of Western culture. In *The Once & Future King*, T. H. White reinvents the story for a modern audience. The novel starts by introducing the reader to a young Arthur – just a child, and far from the King he will become – as he is raised by the wizard Merlyn, and moves on to chronicle his rise to Kingship, the affair between Guinevere and Lancelot, and the eventual destruction of the round table. The first section, released independently as *The Sword in the Stone*, was adapted into an animated film by Walt Disney Pictures. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

*CliffsNotes on White's The Once and Future King* Little, Brown Books for Young Readers  
Part of The Round Table Chronicles You've all heard the story: how Arthur Pendragon, son of the tyrant King Uther, vanquished all in his path with the aid of his fellow knights. How Merlin, a young sorcerer, born with magic, helped the young king achieve great things. How Merlin served Arthur, and how they formed an unbreakable bond. How their friendship was so strong, that they were unbeatable. You've probably also heard how Arthur married the love of his life: a lonely black smith's daughter named Guinevere. And how you must of heard of Arthur's corrupted sister, Morgana, and the terror in which consumed her. And of course, Arthur's end: the druid boy Mordred. How wrong you are. You know nothing. The stories you have heard are just that: stories. Now, let me tell you what actually happened, for I know more than anyone. For I am... Emrys. *The Truth of the Once and Future King: Arthur Pendragon* by Emrys Tristan and the *Lure of Caraval* [The Unpublished Conclusion to The Once and Future King](#) SAGE

Describes King Arthur's life from his childhood to the coronation, creation of the Round Table, and search for the Holy Grail  
[The Once & Future King](#)

University of Texas Press  
An omnibus volume of the author's complete story of the Arthurian epic which includes: "The sword in the stone" (1939), "The witch in the wood" (1939), "The ill-made knight" (1940), "The candle in the wind" (published for the first time), and "The book of Merlyn." 1996.

[The Once and Future King](#) New York Review of Books  
King Arthur as you've never seen her! This bold, sizzling YA novel reimagines the *Once and Future King* as a teenage girl determined to save the universe from an evil curse. My name is Ari Helix. I have a magic sword, a cranky wizard, and a revolution to start. I've been chased my whole life. As a fugitive refugee in the territory controlled by the tyrannical Mercer corporation, I've always had to hide who I am. Until I found Excalibur. Now I'm done hiding. When Ari crash-lands on Old Earth and pulls a magic sword from its ancient resting place, she is revealed to be the newest reincarnation of King Arthur. Then she meets Merlin, who has aged backward over the centuries into a teenager, and together they must break the curse that keeps Arthur coming back. Their quest? Defeat the cruel, oppressive government and bring peace and equality to all humankind. No pressure. "All hail this worthier-than-ever, fresh, and affirming reincarnation of the

---

legendary king and her round table of knights which dazzles with heroic flair, humor, and suspense." -- Kirkus, Starred Review

*Le Morte D'arthur* Heinemann Lancelot, despite being the bravest of the knights, is ugly, and ape-like, so that he calls himself the Chevalier mal fet - "The Ill-Made Knight". As a child, Lancelot loved King Arthur and spent his entire childhood training to be a knight of the round table. When he arrives and becomes one of Arthur's knights, he also becomes the king's close friend. This causes some tension, as he is jealous of Arthur's new wife Guinevere. In order to please her husband, Guinevere tries to befriend Lancelot and the two eventually fall in love. T.H. White's version of the tale elaborates greatly on the passionate love of Lancelot and Guinevere. Suspense is provided by the tension between Lancelot's friendship for King Arthur and his love for and affair with the queen. We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The

main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

The Island at the End of Everything Ballantine Books  
A New York Times bestseller!  
"Lively and absorbing. . ." - The New York Times Book Review  
"Engrossing." -Wall Street Journal  
"Entertaining and well-researched . . ." -Houston Chronicle  
Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was

---

left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

*A Novel* Redhook

The King is Undead. Long live the King. When a group of Nationalists use an ancient

artifact to bring a villain from Arthurian myth back from the dead to gain power, ex-monster hunter Bridgette McGuire escapes her retirement home and pulls her unsuspecting grandson Duncan, a museum curator, into a world of magic and mysticism to defeat a legendary threat. Bestselling writer Kieron Gillen (*Die, Star Wars*) and Russ Manning Award-winning artist Dan Mora (*Buffy The Vampire Slayer*, *Klaus*) explore the mysteries of the past, the complicated truths of our history and the power of family to save the day...especially if that family has secret bunkers of ancient weapons and decades of experience hunting the greatest monsters in Britain's history! Collects issues #1-6.

Let our authors lead you back in time to when honor meant something and magic was behind every corner. Come back to the Once and Future Kingdom.

**The Once and Future King**

---

HarperCollins Publishers  
This magical account of King Arthur's last night on earth, rediscovered in a collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King*. The Book of Merlyn has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. "Arriving from beyond the curve of time and apparently from the grave, *The Book of Merlyn* stirs its own pages, saying, wait: you didn't get the whole story. . . . It gives us a final glimpse of those two immortal characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reissue in our next century is just as welcome

as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center. Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility." —Gregory Maguire, from the foreword

Charlesbridge

A vengeful presence from the past forces the Rat Queens to face their own demons in order to save everything they've ever loved! Can the Queens hold their own legacy together when faced with their greatest challenge yet? A whole new era for the Rat Queens begins here, chronicled by a brand new creative team! Collects RAT QUEENS Volume 2 #16-20  
*The Conclusion to the Once and Future King* Lulu.com

"She saw: first, a square opening, about eight inches wide, in the lowest step...finally she saw that there was a walnut shell, or half one, outside the nearest door...she went to look at the shell—but looked with the greatest astonishment. There was a baby in it." So ten-year-old Maria, orphaned mistress of Malplaquet,

---

discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago nicknamed Mistress Masham's Repose, live an entire community of people—"The People," as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in Gulliver's Travels) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by Maria's well-meaning but clumsy attempts to make their lives easier, but their situation grows truly ominous when they are discovered by Maria's greedy guardians, who look at The People and see only a bundle of money.

*The Broken King* Encounter Books

Ami lives on Culion, an island for people who have leprosy. Her mother is infected. She loves her home - but then islanders untouched by sickness are forced to leave. Ami's desperate to return before her mother's death. She finds a strange and fragile hope in a colony of butterflies. Can they lead her home before it's too late?

*Forget the Alamo* G K Hall & Company

'The Broken King' tells the story of a boy called Simon who must search for and fight a terrifying enemy when his little sister is snatched away to a dark underworld. He

is accompanied by Fiona, who has lost her brother in similar circumstances and a strange, unnamed boy who rescues them from a violent attack in the middle of the night.

*The Once and Future King* Image Comics

The fourth book from the collection *The Once and Future King* by T. H. White. It deals with the last weeks of Arthur's reign, his dealings with his son Mordred's revolts, Guenever and Lancelot's demise, and his perception of right and wrong.

McClelland & Stewart

A critical study of T.H. White's classic Arthurian tetralogy.
