The Once and Future World (Book) | Lawrence Public Library ...

Mackinnon cites Easter Island as an example of a once richly forested land that is now desolate and barren, and he asks whether that example of social and ecological collapse occurring in only a few hundred years is the future we have been creating for ourselves for millennia.

The Once and Future World: Nature As It Was, As It Is, As ...

Excerpt: The Once And Future World.
Picture the first place you thought of as nature. Maybe it was nothing more than a vacant lot in the middle of a city, or a patch of scrub along a riverbank. It might have been a cottage or campground that you visited year after year, or perhaps your

childhood home opened onto a forest, a beach, a mountain.

The Once and Future World : NPR

The Once and Future World is a call for an “age of rewilding,” from planting milkweed for butterflies in our own backyards to restoring animal migration routes that span entire continents. We choose the natural world that we live in—a choice that also decides the kind of people we are.

The Once and Future King -
Wikipedia

THE ONCE AND FUTURE WORLD.

J.B. MacKinnon revisits a globe exuberant with life, where lions roamed North America, explorers crossed continents on wild animal trails, and ten times more whales

swam in the sea. Tracing how humans destroyed that reality not only out of greed, but also a great amnesia, he calls for an age of rewilding. ‘ One...
