This 1978 book examines the French Jewish writer Bernard-Lazare (1865-1903) and the Dreyfus Affair, in which he was instrumental. The book focuses on the writer's analysis of antisemitism where, initially, he argued for social assimilation only to reject this idea in favour of a concept of cultural pluralism.

"Find Me is a thriller that keeps picking up speed. I needed to follow this tough heroine through grim revelations to find out if everything was going to be OK!" Jay Asher, NYT bestselling author of *Thirteen Reasons Why* A girl is dead... A killer's closing in... And two little words are the only clue... "Find Me". These are the words that Wick Tate

finds in Tessa Wayne's diary. And now Tessa has been found ... dead. Does someone out there really expect Wick to uncover the truth about her death? An expert computer hacker, Wick has the skills for the job, but with the threat of her ex-con dad returning, the detective hunting him sniffing around and new foster parents to keep happy, getting involved with a murder case is the last thing she wants to do. Until her little sister, Lily, is the next target. Foster child. Daughter of a felon. Loner hacker-girl. Wick has a bad attitude and sarcasm to spare. And now she's going to find this killer, no matter what it takes. Because it just got personal.

Just the One Simon and Schuster
Lincoln Locke's fifteen-year-old life is turned upside down when he's thrust into bachelor-pad living with his father, after his parents' marriage breaks up, and into an exclusive new school. Crestfield Academy offers Lincoln a new set of peers – the crème de la crème of gifted individuals, who also happen to be financially loaded – and a place on the swim relay team with a bunch of thugs in Speedos. *Homunculus*, the little voice

inside his head, doesn't make life any easier; nor does Lincoln's growing awareness of a genetic anomaly that threatens to humiliate him at every turn. On a search for answers to big LIFE questions, he turns to the school library, where he spies a nineteenth-century memoir, *My One Redeeming Affliction* by Edwin Stroud, a one-time star of Melinkoff's *Astonishing Assembly of Freaks*. As Lincoln slowly reads this peculiar, life-changing book, the past reaches into his present in fascinating and alarming ways. Ways that defy imagination . . . Audacious, funny and wonderfully inventive, *The Origin of Me* is a song to friendship, to young love, to the joy of imagination, and to celebrating differences.

years ago the
historian of the
London golf courses
would have had a
comparatively easy
task. He would have
said that there were
a few courses upon

have dismissed in a
line or two a course
that a few mad

All the other courses
would have been
lumped together under
some such description
as that they
consisted of fields
interspersed by trees
and artificial
ramparts, the latter
mostly built by Tom
Dunn; that they were
villainously muddy in
winter, of an
impossible and
adamantine hardness
in summer, and just
endurable in spring

that the muddiest and
hardest and most

New York Times bestselling author Bernard Cornwell makes a dramatic departure with this enthralling, action-packed standalone novel that tells the story of the first production of A Midsummer Night's Dream—as related by William Shakespeare's estranged younger brother. Lord, what fools these mortals be . . . In the heart of Elizabethan England, Richard Shakespeare dreams of a glittering career in one of the London playhouses, a world dominated by his older brother, William. But he is a penniless actor, making ends meet through a combination of a beautiful face, petty theft and a silver tongue. As William's star rises, Richard's onetime gratitude is souring and he is sorely tempted to abandon family loyalty. So when a priceless manuscript goes missing, suspicion falls upon Richard, forcing him onto a perilous path through a bawdy and frequently brutal London. Entangled in a high-stakes game of duplicity and betrayal which threatens not only his career and potential fortune, but also the lives of his

fellow players, Richard has to call on all he has now learned from the brightest stages and the darkest alleyways of the city. To avoid the gallows, he must play the part of a lifetime . . . Showcasing the superb storytelling skill that has won Bernard Cornwell international renown, *Fools and Mortals* is a richly portrayed tour de force that brings to life a vivid world of intricate stagecraft, fierce competition, and consuming ambition.

The One From The Other All he wants to do is skate. But they have other plans for him. Michael Daniels is seventeen and dreams to enter professional skateboarding contests. But beneath New Manhattan, a city under the oppressive shadow of climate change, exists another world

altogether-secret laboratories which threaten society as he knows it. Those with power will get what they want. No price is too high, even if it means making someone special or robbing them of their dignity, freedom . . . or life. The price is too high for Michael, though. He has endured his stepfather's abuse and mind games for almost as long as he remembers. Until one day he takes matters into his own hands, ruining the lives of those he loves most. And his skateboarding friends, Alien and Victor, are his only hope for freedom. When there is no hope left, friendship is what remains. Bernard's lectures on the blood** HMH After decades of preaching, teaching, and counseling, influential Christian leader A.R. Bernard reveals the four qualities women want in a man—qualities that contribute to a satisfying and happy relationship. As a longtime pastor of a big-city church, A.R. Bernard has witnessed couples in every stage of life. He's been with them as they

experienced dizzying
joys, unspeakable
tragedies, and
everything in between.
As men and women have
come to Bernard for
spiritual counseling
and advice, he's
learned patterns of
behavior that are
repeated time and

four decades of
preaching, teaching,
and counseling, he's
seen that while every
situation is unique,
people's behaviors and
consequences are
amazingly consistent.
With this in mind,
Bernard has developed a
simple system for
understanding how
couples relate to each

four things women want
and need most from a
man. In his book,
Bernard teaches readers
how to identify and
cultivate these traits
toward a happy and long-

relationship—one built
to weather any storm.
