From the team that brought you *The Obstacle Is the*

Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super

Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the

course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Atomic Habits Penguin Unveiling Mercy will do just that-unveil how the mercy of God in the Messiah is spoken of from the very opening Hebrew word of the Bible, all the way to the closing chapter of Malachi. By the end of the year, you will have entered the Old Testament through 365 new doorways, looked with fresh eyes at old verses, and traced a web of connections all over the Scriptures that you've never spotted before. You'll begin to see what one person meant when he described Hebrew words as "hyphens between heaven and earth." Reading the Bible in translation can

be like "kissing the bride through the veil." Each of these 365 devotions is crafted so as to lift that veil ever so slightly, to touch skin to skin, as it were, with the original language. You do not need to know anything about Hebrew to profit from these meditations. They are not written to teach you the language of Abraham, Moses, and Isaiah, but to give you a taste of their insights, to expose you to their eloquence, to laugh with them at their winking wordplays, to un-English their idioms, and-most importantly-to trace their trajectories all the way into the preaching of the Messiah and the writings of his evangelists and apostles.
