A year-long leadership development course, divided into short, weekly lessons, based on Peter Drucker's personal coaching program, previously unpublished material, and selected readings from the management guru's classic works, compiled by his longtime collaborator Joseph A. Maciariello. A Year with Peter Drucker distills the essence of Peter Drucker's personal mentorship program into an easy-to-follow 52-week course, exploring the themes Drucker felt were most important to leadership development, including: Leaders Must Set Sights on the Important and not the Urgent-a key differentiator between a subordinate and a chief. Management is a Human Activity-Process must serve people, in and out of the organization. The Roadmap to Personal Effectiveness-the importance of mission and doing the Right Things not just Getting Things Done. The critical importance of leadership succession especially at top ranks of the organization. Each weekly management meditation includes a lesson and a message or anecdote taken from Drucker's extensive body of work, as well as suggestions for further reading, reflective questions, and quick, easy prompts to help readers incorporate the knowledge they've learned into their daily work. A lifetime of wisdom brilliantly honed into a single essential volume by Drucker's collaborator Joseph A. Maciariello, A Year with Peter Drucker gives both lifelong Drucker fans and young executives now discovering his brilliance an invaluable opportunity to learn directly from the late master.

The #1 New York Times bestseller. Over 15 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, awardwinning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ... and much more. Atomic Habits will reshape the way you think about progress and success, and
