Uncommon Type Fire Ant Books

Some colds are like mice, timid and annoying; others like dragons, accompanied by body aches and deep misery. In AH-CHOO!, Jennifer Ackerman explains what, exactly, a cold is, how it works, and whether it's really possible to "fight one off." Scientists call this the Golden Age of the Common Cold because Americans suffer up to a billion colds each year, resulting in 40 million days of missed work

and school and 100 million doctor visits. They've also learned over the past decade much more about what cold viruses are, what they do to the human body, and how symptoms can be addressed. In this ode to the odious cold, Ackerman sifts through the chatter about treatments-what works, what doesn't, and what can't hurt. She dispels myths, such as susceptibility to colds reflects a weakened immune system. And she tracks current research, including work at the University of Virginia at Charlottesville, a world-renowned center of cold research studies, where the search for a cure continues.

“A sympathetic and believable portrait” of the American woman for whom King Edward VIII gave up the throne, with photos included (Christian Science Monitor). A woman's life can really be a succession of lives, each revolving around some emotionally compelling situation or challenge, and each marked off by some intense experience. It was the love story of the century—the king and the commoner. In December 1936, King Edward VIII abdicated the throne to marry “the woman I love,” Wallis Warfield Simpson, a twice-divorced American who quickly became one of the twentieth century's most famous personalities, a figure of intrigue and mystery, both admired and reviled. Wrongly blamed for the abdication crisis, Wallis suffered hostility from the Royal Family and much of the world. Yet interest in her story has remained constant, resulting in a small library of biographies that convey a thinly veiled animosity toward their subject. The truth, however, is infinitely more fascinating than the shallow, pathetic portrait that

has often been painted. Using previously untapped sources, acclaimed biographer Greg King presents a complete and, for the first time, sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend. From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986, King takes the reader through a world of privilege, palaces, high society, and love with the accompaniment of hatreds, feuds, conspiracies, and lies. The cast of characters is vast: politicians and presidents, dictators and socialites. Twenty-four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance. “A wide, absurd cast of characters—led by the British royal family . . . Wallis’ lavish decorati

What determines whether complex life will arise on a planet, or even any life at all? Questions such as these are investigated in this groundbreaking book. In doing so, the authors synthesize information

from astronomy, biology, and paleontology, and apply it to what we know about the rise of life on Earth and to what could possibly happen elsewhere in the universe. Everyone who has been thrilled by the recent discoveries of extrasolar planets and the indications of life on Mars and the Jovian moon Europa will be fascinated by Rare Earth, and its implications for those who look to the heavens for companionship.

The Uncommon Knowledge of Elinor Ostrom Ballantine Books

Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists, thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John

Inazu bring together illuminating stories--their own and from others--to answer this vital question. Uncommon Ground gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time. Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep and often painful differences, Uncommon Ground shows us how to live with confidence, joy, and hope in a complex and fragmented age. "Loving engagement with folks with whom we disagree does not come easily for many of us with strong Christian convictions. Tim Keller and John Inazu are not only models

for how to do this well, but in this fine book they have gathered wise conversation partners to offer much needed counsel on how to cultivate the spiritual virtues of humility, patience, and tolerance that are necessary for loving our neighbors in our increasingly pluralistic culture." -- Richard Mouw, Professor of Faith and Public Life, Fuller Theological Seminary "For anyone struggling to engage well with others in an era of toxic conflict, this book provides a framework, steeped in humility, that is not only insightful but is readily actionable. I'm grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this book. The task of learning to love well - neighbors and enemies alike - is long and urgent, and it can be costly. And yet, as this book shows us, because it is the work of Jesus, we can

pursue this love with great hope." -- Gary A. Haugen, founder and CEO, International Justice Mission

The Uncommon Life of Alfred Warner in Six Days Tyndale House Publishers, Inc.

In the 1970s, the accepted environmental thinking was that overpopulation was destroying the earth. Prominent economists and environmentalists agreed that the only way to stem the tide was to impose restrictions on how we used resources, such as land, water, and fish, from either the free market or the government. This notion was upended by Elinor Ostrom, whose work to show that regular people

could sustainably manage their community resources eventually won her the Nobel Prize. Ostrom ' s revolutionary proposition fundamentally changed the way we think about environmental governance. In *The Uncommon Knowledge* of Elinor Ostrom, author Erik Nordman brings to life Ostrom ' s brilliant mind. Half a century ago, she was rejected from doctoral programs because she was a woman; in 2009, she became the first woman to win the Nobel Prize in Economics. Her research challenged the long-held dogma championed by Garrett Hardin in his famous 1968 essay, " The Tragedy

of the Commons, " which argued that only market forces or government regulation can prevent the degradation of common pool resources. The concept of the " Tragedy of the Commons " was built on scarcity and the assumption that individuals only act out of self-interest. Ostrom ' s research proved that people can and do act in collective interest, coming from a place of shared abundance. Ostrom ' s ideas about common resources have played out around the world, from Maine lobster fisheries, to ancient waterways in Spain, to taxicabs in Nairobi. In writing *The Uncommon Knowledge*

of Elinor Ostrom, Nordman traveled extensively to interview community leaders and stakeholders who have spearheaded innovative resource-sharing systems, some new, some centuries old. Through expressing Ostrom ' s ideas and research, he also reveals the remarkable story of her life. Ostrom broke barriers at a time when women were regularly excluded from academia and her research challenged conventional thinking. Elinor Ostrom proved that regular people can come together to act sustainably—if we let them. This message of shared collective action is more relevant than ever for solving today ' s most pressing

environmental problems.

American Jezebel Wiley

Eva Perlman's autobiography details the first of many miracles that kept her family alive during WWII and permeated her long and rich life.

Gifts of an Uncommon Life The One Year Uncommon Life Daily Challenge

This book of ten essays is a breath of fresh air, a source of inspiration, a wake-up call, and a bold challenge for pastors, congregational leaders, and church members--both active and lapsed--who long for a new perspective, even a touch of creative irreverence. With an invitation to quietness and stillness, inner strength and resilience, audacious hope and insistent confidence, it welcomes those among the people of God who do not belong to a church or even name

themselves as Christian. Yet it does not shy away from raising difficult questions. Howard Friend offers forthright, at times disarming, candor as he shares his personal pilgrimage of activism rooted in contemplation. Convinced that God still seeks to work in and through the church, Friend shows us where God is present--at times despite the church itself. In his opinion, the church needs to stir the pot, upset the applecart, and dare to welcome the new and refreshing. Yet Friend remains hopeful for and committed to the church, calling and equipping it to become its highest and best. Drawing on a range of stories from the Bible and his own lived experiences, Friend invites us to meet real people--pastors, leaders, everyday folks--who dare to dream a new dream, journey toward a far horizon, walk with tireless determination, and press on with

awesome hope.

The Daily Show (The Book)
Tyndale House Publishers, Inc.

- More than 500 appearances on national bestseller lists
- #1 Wall Street Journal, New York Times, and USA Today
- Won 12 book awards
- Translated into 35 languages
- Voted Top 100 Business Book of All Time on Goodreads

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are

conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed

deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal * dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in

every area of your life--work,
personal, family, and spiritual.
WHAT'S YOUR ONE THING?

L. Tom Perry, an Uncommon Life
Moody Publishers

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social

reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from

Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. American Jezebel illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose

achievements are astonishing by the standards of any era.

[Achieving Your Potential](#) Simon and Schuster

Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.

[An Uncommon Guide to Retirement](#) Zondervan

The modern world has us addicted to our technology, shackled by our screens, and exhausted by our routines. What can we do about it? Justin Earley offers four daily and four weekly habits, designed to help us create new routines and transform frazzled days into lives of love for God

and neighbor. As you embark on these life-giving practices, you will find the freedom and rest for your soul.

Ah-Choo! InterVarsity Press
The New York Times bestseller is now in softcover with a bonus chapter on how the “ Dare to Be Uncommon ” movement is reaching schools, teams, and families across the country and an update on Tony ’ s life since retiring as head coach of the Indianapolis Colts. What does it take to live a life of significance? When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI, fans around the world looked to him as the epitome of success. Athletic victory, professional excellence, fame and celebrity, awards and honors—he had it all. But even in that moment, he knew those achievements had little to do with his ultimate significance as a man. Coach Dungy still passionately believes that there is a different path to significance—a path characterized by attitudes, ambitions, and allegiances that are all too rare but uncommonly rewarding. In the New York Times best seller *Uncommon*, Dungy reveals secrets to achieving significance that he has learned from his remarkable parents, his athletic and coaching career, his

mentors, and his walk with God.

Black in Selma Bard Press

The Superbowl-winning coach shares his thoughts on how to live like a good, Christian man, combining integrity, character, and self-sacrifice.

On the Move! Grand Central Publishing

#1 NEW YORK TIMES BESTSELLER •

The beloved author of *Something Borrowed* and *Where We Belong* returns with an extraordinary story of love and loyalty—and an unconventional heroine struggling to reconcile both. This ebook edition contains an excerpt from Emily Giffin's *First Comes Love*. Emily Giffin, the beloved author of such novels as *Something Borrowed* and *Where We Belong*, returns with an extraordinary story of love and loyalty—and an unconventional heroine struggling to reconcile both. Thirty-three-year-old Shea Rigsby has spent her entire life in Walker, Texas—a small college town that lives and dies by football, a passion she unabashedly shares. Raised alongside her best friend, Lucy, the daughter of

Walker ' s legendary head coach, Clive Carr, Shea was too devoted to her hometown team to leave. Instead she stayed in Walker for college, even taking a job in the university athletic department after graduation, where she has remained for more than a decade. But when an unexpected tragedy strikes the tight-knit Walker community, Shea ' s comfortable world is upended, and she begins to wonder if the life she ' s chosen is really enough for her. As she finally gives up her safety net to set out on an unexpected path, Shea discovers unsettling truths about the people and things she has always trusted most—and is forced to confront her deepest desires, fears, and secrets. Thoughtful, funny, and brilliantly observed, *The One & Only* is a luminous novel about finding your passion, following your heart, and, most of all, believing in something bigger than yourself . . . the one and only thing that truly makes life worth living. Praise for *The One & Only* • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY POPSUGAR “ A page turner. ” —Southern Living “ The One & Only is one to read. ” —Associated Press “ Giffin scores again by bringing her discerning understanding of matters of the heart. ” —Family Circle “ A poignant story about growing up and growing into your own skin. ” —BookPage “ Touching. ” —New York Daily News “ Deep, beautifully written . . . [Emily Giffin ' s] latest focuses on a forbidden love of sorts, but in a new setting: a fictional small college town in Texas. ” —Marie Claire “ Each and every page of this story is entertaining. . . . Find a shady spot; get a cool drink, and just luxuriate in the joy of a book well written. ” —The Huffington Post “ Brace

yourself for a tearjerker: A tale of friendship and loyalty in a small, football-crazed Texas town shows how quickly things can change when tragedy challenges all that the characters hold dear . . . [A] page-turner. ” —InStyle “ [Giffin ’ s] protagonists . . . live full, interesting lives outside the purely personal realm—no more so than Shea Rigsby, the funny, flawed, but sympathetic central character in the *The One & Only*. ” —The Atlanta Journal-Constitution “ In bestseller Giffin ’ s much-anticipated latest, a young woman ’ s life is upended when tragedy strikes the football-obsessed Texas town she ’ s always called home. ” —People “ To fill your Friday Night Lights void: A tale of die-hard love in a diehard Texas football town from the bestselling author of *Something Borrowed*. ” —Cosmopolitan
The 12 Week Year Tyndale House
