Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Common Man/ Uncommon Life Leader's Guide Wiley

Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists, thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John Inazu bring together illuminating stories--their own and from others--to answer this vital question. *Uncommon Ground* gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time. Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep and often painful differences, *Uncommon Ground* shows us how to live with confidence, joy, and hope in a complex and fragmented age. "Loving engagement with folks with whom we disagree does not come easily for many of us with strong Christian convictions. Tim Keller and John Inazu are not only models for how to do this well, but in this fine book they have gathered wise conversation partners to offer much needed counsel on how to cultivate the spiritual virtues of humility, patience, and tolerance that are necessary for loving our neighbors in our increasingly pluralistic culture." -- Richard Mouw, Professor of Faith and Public Life, Fuller Theological Seminary "For anyone struggling to engage well with others in an era of toxic conflict, this book provides a framework, steeped in humility, that is not only insightful but is readily actionable. I'm grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this book. The task of learning to love well - neighbors and enemies alike - is long and urgent, and it can be costly. And yet, as this book shows us, because it is the work of Jesus, we can pursue this love with great hope." -- Gary A. Haugen, founder and CEO, International Justice Mission

Habits form us more than we form them. The modern world is a machine of invisible habits, forming us into anxious, busy people. We yearn for the freedom of the gospel but remain shackled by our screens and exhausted by our routines. The answer is a rule of life that aligns our habits to our beliefs. The Common Rule's four daily and four weekly habits transform frazzled days into lives of love for God and neighbor. Justin Earley provides doable, life-giving practices to find freedom and rest for your soul. This expanded edition now includes study guide questions for individual reflection and group discussion.

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.

Love is not one-size-fits-all, yet often people assume that healthy, serious relationships all must follow the same basic path. The -Relationship Escalator- is society's bundle of customs for intimate relationships: monogamy, living together, marriage and more, ideally until death do you part. Beyond this, it might not be obvious what your options are. This book will help you: - Discover less common relationship options that might suit you. - Understand why and how people have unconventional relationships. - Empower you to negotiate about how your relationships work. - Overcome the fear that loving differently means you're doing it wrong. - Make the world a friendlier, safer place for more paths to love. Featuring real stories and insights from hundreds of people, -Stepping Off the Relationship Escalator- explores consensual nonmonogamy, love without living together, deep connections that pause and resume, and much more. The first in a series of research-based books, this introduction to relationship diversity is both accessible and surprising. LEARN MORE OR ORDER SIGNED COPIES:

Uncommon Love is a landmark Bible study and the first of its kind. In a culture where gay rights, gay marriage, and a surplus of gender issues have recently exploded in the media, more and more kids are coming out—and many of these are from Christian homes with Christian parents who don't know what to do, how to respond, where to draw boundaries or if they even should. Scripture, which is the foundational basis for how to live the Christian life, has even been brought into question, further confusing the hearts and minds of Christian parents. Mary Comm presents a comprehensive navigational map for Christian parents whose kids (whether minor or adult) have Same-Sex Attraction or are living the LGB lifestyle. The primary purpose of Uncommon Love is to help parents maintain a loving, mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity, faith, and values.

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him "The Fittest (Real) Man in America." In Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

The New York Times bestseller is now in softcover with a bonus chapter on how the "Dare to Be Uncommon" movement is reaching schools, teams, and families across the country and an update on Tony's life since retiring as head coach of the Indianapolis Colts. What does it take to live a life of significance? When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI, fans around the world looked to him as the epitome of success. Athletic victory, professional excellence, fame and celebrity, awards and honors—he had it all. But even in that moment, he knew those achievements had little to do with his ultimate significance as a man. Coach Dungy still passionately believes that there is a different path to significance—a path characterized by attitudes, ambitions, and allegiances that are all too rare but uncommonly rewarding. In the New York Times best seller Uncommon, Dungy reveals secrets to achieving significance that he has learned from his remarkable parents, his athletic and coaching career, his mentors, and his walk with God.

This work offers wonderful wisdom for navigating the inflection points in our lives." --

Mehmet Oz, MD An iconic teacher. A warm friend. A generous mentor. For more than

40 years, Howard Stevenson has been a towering figure at Harvard Business School:

the man who literally defined entrepreneurship and taught thousands of the world's most

successful professionals. Now - spurred by Stevenson's heart-stopping brush with death

- his student, colleague, and dear friend Eric Sinoway shares the man's wisdom and

inspiration. Through warm and engaging conversations, we hear Howard's timeless and

practical lessons on pursuing both success and fulfillment, beginning with: - Create a

vision of your own legacy through a process called "business planning for life." - Be

entrepreneurial in driving your career ahead (even if you're not an entrepreneur). -

Exploit the inflection points in your life - whether "friend," "foe," or "silent." - Cut risk in

tough career and life decisions by shining the "light of predictability" on them. - Plan for

the ripples, not just the splash from your actions and choices. Reading Howard's Gift is

like having a wise, caring friend sit down and say, "Let's figure all this out together." And

the deeply personal perspectives from guest contributors - such as CNN correspondent

Soledad O'Brien, Teach for America Founder Wendy Kopp, two-time Super Bowl

Champion Carl Banks, and legendary MTV Founder Bob Pittman - reinforce the

practical lessons in this clear-sighted book that will help readers "define success in their

own terms," and "live a life with no regrets.
