What am I going to do with my retirement? People talk about retirement like it 's supposed to be an endless vacation. But what if, like the majority of those facing retirement, you can 't afford such a luxury? Or, what if you just want something more from retirement? Some advocate for no retirement at all. But you 've worked for decades and a rest and reprieve do sound appealing. What should you do? Does God have a purpose for your retirement? Yes, He does. Learn how to discern what it is by taking an uncommon approach. Jeff Haanen looks biblically and practically at the need for rest and purpose in retirement. And teaches you how to: Take a sabbatical rest in early retirement Listen to God 's voice for their calling in retirement Rethink "work" in retirement Understand family systems and leaving a legacy Planning retirement doesn 't have to be distressing. Retire in a way that 's God-honoring, purpose-filled, restful, and truly biblical.

Common Man/ Uncommon Life Leader's Guide Tyndale House

Some colds are like mice, timid and annoying; others like dragons, accompanied by body aches and deep misery. In *AH-CHOO!*, Jennifer Ackerman explains what, exactly, a cold is, how it works, and whether it's really possible to "fight one off." Scientists call this the Golden Age of the Common Cold because Americans suffer up to a billion colds each year, resulting in 40 million days of missed work and school and 100 million doctor visits. They've also learned over the past decade much more about what cold viruses are, what they do to the human body, and how symptoms can be addressed. In this ode to the odious cold, Ackerman sifts through the chatter about treatments-what works, what doesn't, and what can't hurt. She dispels myths, such as susceptibility to colds reflects a weakened immune system. And she tracks current research, including work at the University of Virginia at Charlottesville, a world-renowned center of cold research studies, where the search for a cure continues.

You and your family will enjoy this Bible storybook night after night.

Ron Brown Moody Publishers

In the 1970s, the accepted environmental thinking was that overpopulation was destroying the earth. Prominent economists and environmentalists agreed that the only way to stem the tide was to impose restrictions on how we used resources, such as land, water, and fish, from either the free market or the government. This notion was upended by Elinor Ostrom, whose work to show that regular people could sustainably manage their community resources eventually won her the Nobel Prize. Ostrom 's revolutionary proposition fundamentally changed the way we think about environmental governance. In *The Uncommon Knowledge of Elinor Ostrom*, author Erik Nordman brings to life Ostrom 's brilliant mind. Half a century ago, she was rejected from doctoral programs because she was a woman; in 2009, she became the first woman to win the Nobel Prize in Economics. Her research challenged the long-held dogma championed by Garrett Hardin in his famous 1968 essay, "The Tragedy of the Commons," which argued that only market forces or government regulation can prevent the degradation of common pool resources. The concept of the "Tragedy of the Commons" was built on scarcity and the assumption that individuals only act out of self-interest. Ostrom 's research proved that people can and do act in collective interest, coming from a place of shared abundance. Ostrom 's ideas about common resources have played out around the world, from Maine lobster fisheries, to ancient waterways in Spain, to taxicabs in Nairobi. In writing *The Uncommon Knowledge of Elinor Ostrom*, Nordman traveled extensively to interview community leaders and stakeholders who have spearheaded innovative resource-sharing systems, some new, some centuries old. Through expressing Ostrom 's ideas and research, he also reveals the remarkable story of her life. Ostrom broke barriers at a time when women were regularly excluded from academia and her research challenged conventional thinking. Elinor Ostrom proved that regular people can come together to act sustainably—if we let them. This message of shared collective action is more relevant than ever for solving today 's most pressing environmental problems.

The Uncommon Life of Alfred Warner in Six Days Abcd Pub Llc

This book of ten essays is a breath of fresh air, a source of inspiration, a wake-up call, and a bold challenge for pastors, congregational leaders, and church

members--both active and lapsed--who long for a new perspective, even a touch of creative irreverence. With an invitation to quietness and stillness, inner strength and resilience, audacious hope and insistent confidence, it welcomes those among the people of God who do not belong to a church or even name themselves as Christian. Yet it does not shy away from raising difficult questions. Howard Friend offers forthright, at times disarming, candor as he shares his personal pilgrimage of activism rooted in contemplation. Convinced that God still seeks to work in and through the church, Friend shows us where God is present--at times despite the church itself. In his opinion, the church needs to stir the pot, upset the applecart, and dare to welcome the new and refreshing. Yet Friend remains hopeful for and committed to the church, calling and equipping it to become its highest and best. Drawing on a range of stories from the Bible and his own lived experiences, Friend invites us to meet real people--pastors, leaders, everyday folks--who dare to dream a new dream, journey toward a far horizon, walk with tireless determination, and press on with awesome hope.

Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists, thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John Inazu bring together illuminating stories--their own and from others--to answer this vital question. Uncommon Ground gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time. Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep and often painful differences, Uncommon Ground shows us how to live with confidence, joy, and hope in a complex and fragmented age. "Loving engagement with folks with whom we disagree does not come easily for many of us with strong Christian convictions. Tim Keller and John Inazu are not only models for how to do this well, but in this fine book they have gathered wise conversation partners to offer much needed counsel on how to cultivate the spiritual virtues of humility, patience, and tolerance that are necessary for loving our neighbors in our increasingly pluralistic culture." -- Richard Mouw, Professor of Faith and Public Life, Fuller Theological Seminary "For anyone struggling to engage well with others in an era of toxic conflict, this book provides a framework, steeped in humility, that is not only insightful but is readily actionable. I'm grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this book. The task of learning to love well - neighbors and enemies alike - is long and urgent, and it can be costly. And yet, as this book shows us, because it is the work of Jesus, we can pursue this love with great hope." -- Gary A. Haugen, founder and CEO, International Justice Mission

The One Year Daily Moments of Strength Zondervan

• More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35

languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

The Uncommon Knowledge of Elinor Ostrom Hampton Roads Publishing

A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

As you embark on these life-giving practices, you will find the freedom and rest for your soul.

American Jezebel Ballantine Books

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.

L. Tom Perry, an Uncommon Life Springer

Marriage is an adventure unlike any other. At times, you and your spouse may feel so close, connected, and in love that you're ready to take on the world together. But other times things grow distant, and you wonder where all the joy and excitement has gone. What is the secret to a happy, healthy, God-honoring marriage—one that will last through anything that comes your way? Join Tony and Lauren Dungy in *The Uncommon Marriage Adventure*, a series of daily reflections for couples. With transparency, wisdom, and humor, the Dungys share what they've learned over 30 years of marriage about faith, teamwork, conflict, communication, and more. Through each day's reading, you and your spouse will go deeper in loving, understanding, and learning to serve each other. Dare to embark on your own marriage adventure—and discover how to make your relationship truly uncommon.
