The New York Times bestseller is now in softcover with a bonus chapter on how the “Dare to Be Uncommon” movement is reaching schools, teams, and families across the country and an update on Tony’s life since retiring as head coach of the Indianapolis Colts. What does it take to live a life of significance? When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI,

fans around the world looked to him as the epitome of success. Athletic victory, professional excellence, fame and celebrity, awards and honors—he had it all. But even in that moment, he knew those achievements had little to do with his ultimate significance as a man. Coach Dungy still passionately believes that there is a different path to significance—a path characterized by attitudes, ambitions, and allegiances that are all too rare but uncommonly rewarding. In the New York Times best seller *Uncommon*, Dungy reveals secrets to achieving significance that he has learned from his remarkable parents, his athletic and coaching career, his mentors, and his walk with God. *American Jezebel* The One Year Uncommon Life Daily Challenge Today, spend time with God that will fill

your spirit with strength. The One Year Daily Moments of Strength will help you experience a deeper and more powerful connection with the Lord each day. Complete with Bible verses, helpful explanations, and practical applications, these short daily devotions, covering a variety of everyday issues, will help strengthen your commitment to faith and your walk with God. Through showing up to meet with God every day, you’ll be inspired to go deeper with him all year long. “Those who trust in the Lord will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint.” (Isaiah 40:31)

Some colds are like mice, timid and annoying; others like dragons, accompanied by body aches and deep misery. In *AH-CHOO!*, Jennifer Ackerman explains what, exactly, a cold is, how it works, and whether it's really possible to "fight one off." Scientists call this the Golden Age of the Common Cold because Americans suffer up to a billion colds each year, resulting in 40 million days of missed work and school and 100 million doctor visits. They've also learned over the past decade much more about what cold viruses are, what they do to the human body, and how symptoms can be addressed. In this ode to the odious cold, Ackerman sifts through the chatter about treatments-what works, what doesn't, and what can't hurt. She dispels myths, such as susceptibility to colds reflects a weakened immune system. And she tracks current research, including work at the University of Virginia at Charlottesville, a world-renowned center of cold research studies, where the search for a cure continues.

The One & Only Thomas Nelson

The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your "year" to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals

and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

The Uncommon Life of Common Objects InterVarsity Press

Who was Ron Brown? Washington lawyer, secretary of Commerce, presidential king maker, deal maker, maverick, icon – one of the most intriguing and complex personalities of the twentieth century. He broke every stereotype of race and class and mastered the art of winning. With bold and incisive reporting, New York Times journalist Steven A. Holmes captures the lessons of Ron Brown ' s life and reveals not only who he was but how he arrived at the center of power. "Steve Holmes opens rich vistas into American politics and the sociology of black America." – Juan Williams, author, *Eyes on the Prize* and *Thurgood Marshall: American Revolutionary* "Admiring yet unsparing, Holmes charts the rising trajectory of a world-class deal-broker." – Kirkus Reviews "A fascinating read. Holmes has captured Brown in the crosshairs of two worlds: one of the black middle class that comes of age in his generation and another at the heart of power in white-run Washington." – Sam Fulwood III, author, *Waking from the Dream* *The One Year Uncommon Life Daily*

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce

religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era. *Gifts of an Uncommon Life* Ballantine Books "In *The Uncommon Life of Common Objects*, Akiko Busch devotes a chapter each to twelve objects, looking at the reasons these items took the forms they did and discussing how everyday things acquire their significance through daily human experience." --Jacket.

Achieving Your Potential Island Press

A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

A marriage gets stronger when you invite God into it. A companion study to Tony and Lauren Dungy 's popular book Uncommon Marriage, this 5-week guide for couples or small groups delves into Scripture to explore the blessings and challenges couples face today. Drawing on biblical truths and their own personal experiences, Tony and Lauren share the importance of making time for each other, resolving conflict well, staying strong and committed through difficult times, coping with changes and big decisions, praying together,

building a spiritual foundation for your family, and more. The Uncommon Marriage Bible Study will help equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon. The book also includes icebreakers for groups, a leader 's guide, and links to free resources for churches.

"A sympathetic and believable portrait" of the American woman for whom King Edward VIII gave up the throne, with photos included (Christian Science Monitor). A woman's life can really be a succession of lives, each revolving around some emotionally compelling situation or challenge, and each marked off by some intense experience. It was the love story of the century—the king and the commoner. In December 1936, King Edward VIII abdicated the throne to marry "the woman I

love," Wallis Warfield Simpson, a twice-divorced American who quickly became one of the twentieth century's most famous personalities, a figure of intrigue and mystery, both admired and reviled. Wrongly blamed for the abdication crisis, Wallis suffered hostility from the Royal Family and much of the world. Yet interest in her story has remained constant, resulting in a small library of biographies that convey a thinly veiled animosity toward their subject. The truth, however, is infinitely more fascinating than the shallow, pathetic portrait that has often been painted. Using previously untapped sources, acclaimed biographer Greg King presents a complete and, for the first time, sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend. From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986, King takes the reader through a world of privilege, palaces, high society, and love with the accompaniment of hatreds, feuds, conspiracies, and lies. The cast of characters is vast: politicians and presidents, dictators and socialites. Twenty-four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance. "A wide, absurd cast of characters—led by the British royal family . . . Wallis' lavish decorati

What does it take to build a marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach

to win the Super Bowl. Yet they've also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In Uncommon Marriage, Tony and Lauren share the secrets that hold them together, revealing what they've learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each other's dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon. The Uncommon Life of Alfred Warner in Six Days Tyndale House
Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.
