the most exclusive children's

Francisco. For the city's
ultra-competitive elite, the
club's ten annual spots are
the ultimate parenting prize.
But not everyone is PHM&TC
material. The club's founder,
Bettina Connaught Cross,
adheres to strict membership
rules: Moms only. No single
parents or working mothers
allowed. Membership is an

arduous commitment. And there's no room in the club for scandal, bad behavior, or imperfection...from tots or their moms. In a world of power and prestige, no one has more than Bettina. And as every mom in Pacific Heights knows, you simply cannot cross her. But this year's admissions process is more rigorous than ever, pitting prospective members against each other to prove their mettle. But four of the six candidates vying for the remaining four slots have a secret that would knock them out of the running. Jade is a former stripper and porn actress, who has been absent for most of her son's life. Jillian's husband cleaned out their joint accounts and left her for his pregnant assistant. Ally never even had a husband—just a sperm donor—and she's hiding a high-ranking corporate job. And Lorna fears that her son may have special needs... just the excuse her sister-in-law, Bettina, needs to deny her entry to the club. Can these hopeful moms keep up appearances long enough to

outlast the competition? Or will their chances—and their private lives—go up in flames? Friendship. Lies. Seduction. Betrayal. Welcome to Totlandia. PRAISE FOR THE TOTLANDIA SERIES: I love a good mommy send-up as much as the next gal, and this peek into the ridiculousness of the San Francisco upper crust is delightful. Whether or not you've ever had the pleasure (or pain) of joining a playgroup, Brown's tale is as charming as it is cringeworthy. I laughed, I winced, I kept scrolling."

—Romantic Times "With affairs, pending divorces, secret jobs, and unsavory pasts, each wannabe member hides something that could blow her chances for good. Like the characters in reality shows such as "Dance Moms," the women in Pacific Heights might be over-the-top, but in the end, the best interests of their kids are (almost) always at heart. Laugh-out-loud funny and sometimes touching, the "Totlandia" novellas serve as the perfect quick read for busy moms or anyone looking to escape with some gossipy fun."

-Examiner.com "Josie Brown writes Totlandia with her usual storytelling flair. The dialogue is smooth and flowing. The characters are easy to side with or become angry with, depending on each situation. The scenery is easy to visualize. And we mustn't forget all the sex (blushworthy, at that) and scandal that is a staple of a true Josie Brown novel. It's like a soap opera for mommies. Guilty pleasure, anyone?"

-Melissa Amster, Chick Lit Central "This book is wonderfully written and has more than just drama. There are touching moments, parts that made me laugh out loud, and as I read the story I felt like I was reading a television show!"-Divine Secrets of a Domestic Goddess

"Totlandia by Josie Brown was just a real joy to read. I loved the variety of characters, the balance of funny and serious moments, and just the wacky story. I cannot wait to see what is next in the series!" -The Book CellarX

"Brown did it again! She wrote a book that is both hysterical and original. She gets at the

heart of motherhood and all its glory and shame! Brown loves to develop numerous characters and you sure to connect with one, if not all in some way. She makes you think, with whimsy and fun. I absolutely adore her writing and I cannot wait to drive into Book Two of this series!"

The Glass Castle meets The Battle Hymn of the Tiger Mother in this dazzlingly honest and provocative family memoir by former child actress and current Fox Business Network anchor Melissa Francis. When Melissa Francis was eight years old, she won the role of lifetime: playing Cassandra Cooper Ingalls, the little girl who was adopted with her brother (played by young Jason Bateman) by the Ingalls family on the world's most famous primetime soap opera, Little House on the Prairie. Despite her age, she was already a veteran actress, living a charmed life, moving from one

Hollywood set to the next. But behind the scenes, her success was fueled by the pride, pressure, and sometimes grinding cruelty of her stage mother, as fame and a mother's ambition pushed her older sister deeper into the shadows. *Diary of a Stage Mother's Daughter* is a fascinating account of life as a child star in the 1980's, and also a startling tale of a family under the care of a highly neurotic, dangerously competitive "tiger mother." But perhaps most importantly, now that Melissa has two sons of her own, it's a meditation on motherhood, and the value of pushing your children: how hard should you push a child to succeed, and at what point does your help turn into harm?

Suburbia is a jungle, filled with lots of vicious creatures. Take the Paradise Heights Women's League board. Lyssa Harper should have warned golden-haired DILF du jour Harry Wilder what he was getting into when she invited him to meet the mommies who run their suburban, gated community. At least he brought cupcakes. Since meeting the former Master-of-the-Universe turned stay-at-home single dad, Lyssa has been his domestic Sherpa, teaching him the ins and outs of suburban life. She just didn't realize her friends would show up at his house unannounced with casseroles, leopard-print bikini briefs,

and plans to rearrange his kitchen cabinets. The truth is, if Harry and his wife, the neighborhood's "perfect couple," can call it quits, what does that mean for everyone else? Lyssa's husband, Ted, is a great father, but he pays her Pilates-pumped momtourage more attention than he does his own wife. Her friends gossip about the neighbors while ignoring their own problems: infertility, infidelity, and eating disorders. When Harry sets boundaries with his new fan club, he is exiled from the neighborhood's in-clique. But Lyssa refuses to snub him. What she never expects is the explosive impact her ongoing friendship with Harry will have on her close-knit pals—and on her

marriage.

Maddie may make her living consulting with new moms on the latest

and greatest baby gadgets no parent should be without, or which mommy meet-ups are the most socially desirable, but the success of her marriage to husband Brady depends on controlling her own urges toward motherhood. He’s adamant that they stay childless, but Maddie suspects it’s only because he’s still too upset that his out-of-town ex-wife rarely lets him see their eight-year-old son. Living vicariously through her clueless clients and her twin sisters’ precocious toddlers only makes Maddie’s biological clock tick louder. As she helps her newest client—Tyler Halstead, a stockbroker who must raise his newborn alone after the tragic death of his wife in

childbirth—she tries her best to get pregnant “accidentally.” If that should happen, Brady will have to live with it... right? But when the unexpected happens, Maddie learns the most important life lesson of all: How we nurture is the true nature of love.

“I was received into the church,” states Caryll Houselander at the very beginning of this work “when I was six years old. Strictly speaking, therefore, I am not a ‘cradle’ Catholic, but a rocking-horse Catholic.”

This autobiography, first published in 1955,

takes the reader from the author's Catholic childhood and school days through a period outside the church while she tried to make her living as an artist, to a return to the church. This return was brought about by her insight, so central to all her books into the presence of Christ and others. A theologian in every sense of the word except the formal academic one, Caryl Houselander understood the central importance of one's image or concept of God. "Caryl Houselander: artist, odd ball, mystic, friend, and in the end, suffering servant. In the midst of her last illness, she clung to life, loved life with a passion that did not want to die. 'I honestly long,' she said, 'to be told 'a hundred percent cure' and to return to this life and celebrate it with gramophone records, giggling and

gin.'"—Mitch Finley, *Our Sunday Visitor* As a classic in spirituality, the work of Caryl Houselander is very close to the top of the list.
