Conversations with James Ellroy Bantam

Los Angeles. In no other city do sex, celebrity, money, and crime exert such an irresistible magnetic field. And no writer has mapped that field with greater savagery and savvy than James Ellroy. With this fever-hot collection of reportage and short fiction, he returns to his native habitat and portrays it as a smog-shrouded netherworld where "every third person is a peeper, prowler, pederast, or pimp." From the scandal sheets of the 1950s to this morning's police blotter, Ellroy reopens true crimes and restores human dimensions to their victims. Sublimely, he resurrects the rag *Hush-Hush* magazine. And in a baroquely plotted novella of slaughter and

corruption he enlists the forgotten luminaries of a lost Hollywood. Shocking, mesmerizing, and written in prose as wounding as an ice pick, *Crime Wave* is Ellroy at his best.

The Choirboys Bantam

No reader of this book will be more surprised than was the public by the truly bizarre beliefs and benthic depths of the evil (the Supreme Court's repeated word, evil) encountered in this longest murder investigation in Pennsylvania's history thirteen years. Over fifty state troopers, eighteen FBI agents, and numerous local police departments were involved as this longest investigation began when the naked body of Susan Reinert was found, obviously sexually abused, a "strap-on" sexual device lying near her corpse. Her body was found stuffed in the tire well of her Plymouth Horizon and left with the liftgate open. A mid-thirties female, just five feet tall, round hips that resembled a "glistening white soccer ball," according to witnesses that passed by the open liftgate, not knowing it was a corpse. Susan Reinert was a teacher in the English department in the elite, upper-middle class, Upper Merion Senior High School, located fifteen miles north of Philadelphia. In that same English department was William Bradfield Jr. a six-foot-three, former Haverford College wrestler from a Main Line family; his father, was the vice president of Western Electric. As the head of the teachers union, Bradfield wielded power that he was not afraid to use to protect his fellow teachers and to sexually exploit those that appealed to him. He developed a small cult of three other teachers in the English department, and an eighteen-year-old beauty, prom-queen type, high school student from one of his classes. The cult was called the VAMPZ, Valaitis and Pappas, males, the other three females all three servicing Bradfield every which way a female could. Bradfield was a close friend of the famous poet Ezra Pound from whom he absorbed a weird psychological viewpoint developed by a famous Frenchman, named Remy de Gourmont. After studying corpses, de Gourmont deduced that the brain fluid was related to the semen. Ejaculation of semen produced stimulation of the brain fluid, which produced increased creativity according to de Gourmont! Suffice it to say Bradfield, driven to be creative, became very promiscuous, and, with his position as teachers union president, "helped" many single women and men. Yes, men too, a strap-on works on both sexes. Bradfield, a strapping hunk, was able to and strapped all he could from eighteen to eighty. If they had trouble walking, he'd carry them. Susan Reinert tried to stop Bradfield's promiscuity with her required marriage plan plus an inheritance of close to a million dollars, a nice bundle along with her body. He decided to do away with the body and keep Susan Reinert's inheritance, blaming the high school principal, Jay Smith, for Reinert's murder and the murder of her two children. Enter the justice people, Pennsylvania's Attorney General and Pennsylvania State Police detectives. After Susan Reinert's body was found, they also found Bradfield's sexual involvement with Susan Reinert that he tried to deny and to cover up. With all the publicity that surrounded the murders of Reinert and her two children, including New York and California, plus the sex angle and strange sex philosophy, famous cop-books author, Joseph Wambaugh, got interested and came to the King of Prussia-Valley Forge area to write the story called the Main Line Sex Murders by some, the Valley Forge Murders by others. Wambaugh met secretly with the investigators and promised them money, \$50,000 plus hero parts, provided they arrested Principal Jay Smith as well as Bradfield for the murders. Without Jay Smith, there would be no story. No book. No movie. No moola. The detectives framed Smith so they could get the money and so the book

would be written. The frame-up of Principal Jay Smith was hidden for twelve years. Also hidden was the secret Wambaugh Agreement involving the investigators. At a sensational hearing before the Pennsylvania Supreme Court, the details were thrashed out between Smith's attorney and the attorneys from the Attorney Gen

Cops and Characters in The Big Easy Hachette UK

On June 25, 1989, the naked corpse of schoolteacher Susan Reinert was found wedged into her hatchback car in a hotel parking lot near Philadelphia's "Main Line." Her two children had vanished. The Main Line Murder Case burst upon the headlines--and wasn't resolved for seven years. Now, master crime writer Joseph Wambaugh reconstructs the case from its roots, recounting the details, drama, players and pawns in this bizarre crime that shocked the nation and tore apart a respectable suburban town. The massive FBI and state police investigation ultimately centered on two men. Dr. Jay C. Smith--By day he was principal of Upper Merion High School where Susan Reinert taught. At night he was a sadist who indulged in porno, drugs, and weapons. William Bradfield--He was a bearded and charismatic English teacher and classics scholar, but his real genius was for juggling women--three at a time. One of those women was Susan Reinert. How these two men are connected, how the brilliant murder was carried off, and how the investigators closed this astounding case makes for Wambaugh's most compelling book yet.

The New Centurions Bantam

The true story only Joseph Wambaugh could tell. A band of California cops set loose in no-man ' s-land to come home heroes. Or come home dead. Not since Joseph Wambaugh ' s bestselling *The Onion Field* has there been a true police story as fascinating, as totally gripping as *Lines and Shadows*. The media hailed them as heroes. Others denounced them as lawless renegades. A squad of tough cops called the Border Crime Task Force. A commando team sent to patrol the snake-infested no-man ' s-land south of San Diego. Not to apprehend the thousands of illegal aliens slipping into the U.S., but to stop the ruthless bandits who preyed on them nightly—relentlessly robbing, raping, and murdering defenseless men, women, and children. Yet each time they walked into the violent blackness along the border, they came closer to another boundary line—a fragile line within each man. And crossing it meant destroying their sanity and their lives. Praise for *Lines and Shadows* “ With each book, it seems, Mr. Wambaugh ' s skill as a writer increases. . . . In *Lines and Shadows* he gives an off-trail, action-packed true account of police work and the intimate lives of policemen that, for my money, is his best book yet. ” —*The New York Times Book Review* “ A saga of courage, craziness, brutality and humor. . . . One of his best books, comparable to *The Onion Field* for storytelling and revelatory power. ” —*Chicago Sun-Times*
