A to Z Mysteries: The Jaguar's Jewel Redhook

Based on his own extraordinary life, Gregory David Roberts' Shantaram is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. “It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured.” An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in

---

one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

The South had lost the Civil War and was losing its soul. Uniformed Rebels who had fought honorably in the light of day now wore tattered sheets in the dark and burned crosses. In armed packs they dragged the helpless Negro or Indian from his bed and stopped his hurried prayers with noose or buckshot. In North Carolina's Robeson county, the Ku Klux did not see the vengeance it was stirring up: Henry Berry Lowery's gang of Swamp Outlaws, who ruthlessly protected themselves and the county's Indians and Negroes. "We kill anyone who hunts us, from Sheriff on down," Lowery promised, and by forays out of the swamps to keep that promise he became the highest-bountied outlaw in the nation's history. This tale of bloody revenge and brilliant survival is drawn from the gang's real victims, benefactors, and descendants - all as told by the Yankee reporter from the New York Herald who joined the gang to get the story.

In 1998, William Queen was a veteran law enforcement agent with a lifelong love of motorcycles and a lack of patience with paperwork. When a "confidential informant" made contact with his boss at the Bureau of Alcohol, Tobacco and Firearms, offering to take an agent inside the San Fernando chapter of the Mongols (the scourge of Southern California, and one of the most dangerous gangs in America), Queen jumped at the chance, not realizing that he was kicking-starting the most extensive undercover operation inside an outlaw motorcycle gang in the history of American law enforcement. Nor did Queen suspect that

---

he would penetrate the gang so successfully that he would become a fully "patched-in" member, eventually rising through their ranks to the office of treasurer, where he had unprecedented access to evidence of their criminal activity. After Queen spent twenty-eight months as "Billy St. John," the bearded, beer-swilling, Harley-riding gang-banger, the truth of his identity became blurry, even to himself. During his initial "prospecting" phase, Queen was at the mercy of crank-fueled criminal psychopaths who sought to have him test his mettle and prove his fealty by any means necessary, from selling (and doing) drugs, to arms trafficking, stealing motorcycles, driving getaway cars, and, in one shocking instance, stitching up the face of a Mongol "ol' lady" after a particularly brutal beating at the hands of her boyfriend. Yet despite the constant criminality of the gang, for whom planning cop killings and gang rapes were business as usual, Queen also came to see the genuine camaraderie they shared. When his lengthy undercover work totally isolated Queen from family, his friends, and ATF colleagues, the Mongols felt like the only family he had left. "I had no doubt these

guys genuinely loved Billy St. John and would have laid down their lives for him. But they wouldn't hesitate to murder Billy Queen." From Queen's first sleight of hand with a line of methamphetamine in front of him and a knife at his throat, to the fearsome face-off with their decades-old enemy, the Hell's Angels (a brawl that left three bikers dead), to the heartbreaking scene of a father ostracized at Parents' Night because his deranged-outlaw appearance precluded any interaction with regular citizens, *Under and Alone* is a breathless, adrenaline-charged read that puts you on the street with some of the most dangerous men in America and with the law enforcement agents who risk everything to bring them in.

A "ripsnorting western . . . With plenty of twists and turns—and a cameo appearance by Doc Holliday—it's a real cowgirl triumph" (Kirkus Reviews). In 1887, twelve-year-old Eliza Yates—disguised as a boy—sets out with her faithful dog Caesar to search for her missing father. Along the way, she falls in with gentleman outlaw Calvin Featherbone. "Together, they make their way to Tinville,

---

Colorado, where, coincidentally, Calvin's father was killed by a certain Sheriff Yates. Calvin plans to avenge the murder, but he gets himself and Eliza in so much trouble with his amateurish schemes that the pair arrives in town ready to be hanged as horse thieves. Hahn's writing crackles like gunshot in the Ol' West, and Eliza and Calvin make a lovable team. The plotting is . . . tight and fast paced, and Hahn does a fine job of recreating the atmosphere of the days of cowboys and miners" (Booklist).

"Hahn has obviously done her research, and succeeds in bringing the ambiance of the Old West to her novel. The result is a fast, funny, and entertaining adventure that's just the thing for fans of Dr. Quinn, Medicine Woman."—School Library Journal "An amusing comedy of errors that derives much of its humor from Calvin's speech and manners and Eliza's wry asides alluding to her true identity as a girl."—Kirkus Reviews *Riding the Outlaw Trail* Diary of a 5th Grade Outlaw W is for Wolf. . . . Dink, Josh, and Ruth Rose are thrilled to visit Wallis Wallace at her new cabin in the Maine wilderness. On their very first day, they glimpse a white wolf and her babies on a cliff. But soon after the kids spy the wolf family, the pups are wolf-napped! Can Dink, Josh, and Ruth

Rose sniff out the culprits before the white wolf starts suspecting them? "An appealing combination of intrigue, ingenuity, and good fun. A great recreational choice for newly independent readers." School Library Journal When he's not writing a thrilling new A to Z Mystery or Capital Mystery, Ron Roy spends his time traveling all over the country and restoring his Connecticut farmhouse. The author lives in Manchester, CT.

The Outlaw Takes a Bride Random House Books for Young Readers

"A marvelous journey into both history and imagination...A perfectly compelling and fast-paced story" (San Francisco Chronicle) from Ron Hansen about an iconic American criminal of the old West: legendary outlaw, Billy the Kid. Born Henry McCarty, Billy the Kid was a diminutive, charming, blond-haired young man who, growing up in New York, Kansas, and later New Mexico, demonstrated a precocious dexterity at firing six-shooters with either hand—a skill that both got him into and out of trouble and that turned him into an American legend of the old West. He was smart, well-spoken, attractive to both white and Mexican women, a good dancer, and a man with a nose for money, horses, and trouble. His spree of crimes and murders has been immortalized in dime westerns, novels, and movies. "The Kid's story has been told many times. But not like this" (The New York Times Book Review). In his incredible novel, Ron

Hansen showcases his masterful research and inimitable style as he breathes life into history, bringing readers back into Billy's boyhood as a ranch hand just trying to wrest a fortune from an unforgiving landscape. We are with Billy in every gunfight and horse theft and get to know him in full before his grand death in a hail of bullets in 1881 at the age of twenty-one. Original, powerful, and swiftly told, *The Kid* is "entertaining and lively...an excellent, transportive read" (Publishers Weekly, starred review).

Two men retrace the notorious pair's footsteps, covering thousands of miles of hazardous country on horseback and discovering how little has changed from the saddle in the last 100 years. Butch Cassidy and the Sundance Kid, the last of the legendary outlaws, were captured on daguerreotype, romanced in fiction, and immortalized on film by Paul Newman and Robert Redford. Simon Casson sets out on horseback to retrace the real-life footsteps of his boyhood heroes, covering 2,000 miles of the country's toughest and most treacherous terrain. Steeped in the lore of the Old West but lacking desert and mountain survival skills, Simon recruits ex-marine commando Richard Adamson. Together they grapple with hostile landscape, climatic

extremes, vital supply shortages, and enormous personality clashes. Battling from one outlaw hideout to another and following trails sometimes only accessible by horseback, they are constantly taxed to the limit. In this dramatic account of their adventure, Simon and Richard also encapsulate the exciting and violent lives of the Wild Bunch 100 years ago, and providing an intimate and heartwarming picture of the rancher families who live and work this demanding land today.

New York Times bestselling author Ted Dekker brings an exotic tale of adventure and creates his most memorable character ever.

The story of how I, Julian Carter, and my precious two-year old son, Stephen, left Atlanta Georgia and found ourselves on a white sailboat, tossed about like a cork on a raging sea off of Australia's northern tip in 1963, is harrowing. But it pales in comparison to what happened deep in the jungle where I was taken as a slave by a savage tribe unknown to the world. Some places dwell in darkness so deep that even God seems to stay away. There, my mind was torn in two by the gods of the earth. There, one life ended so another could begin. Some will say I was a fool for making the choices I made. But they would have done the same. They, too, would have embraced death if they knew what I knew, and saw through my eyes. My name is Julian and this is my story. But more, it is the story of my son who was born to change the world. From deep in the impenetrable jungles where New York Times bestselling author Ted Dekker was born and raised, comes OUTLAW, an epic adventure of two worlds that perhaps only he could write. Full of harrowing twists, sweeping violence, and wild love, Outlaw takes us beyond the skin of this world to another unseen.
