THE ORDER OF THE POISON OAK Discussion Guide — Brent Hartinger

The leaves of this plant look a lot like oak leaves, and like poison ivy, they usually grow in clusters of three. But some kinds of poison oak have five, seven or nine leaves per cluster. Poison oak usually grows as a shrub in the Southeast or along the West Coast. It bears clusters of greenish yellow or white berries.

How Long Does It Take for a Poison Oak Rash to Heal ...

Order of the Poison Oak is the funny, thoughtful, and sometime adventurous sequel to The Geography Club. It deals with what it's like to be an awkward young teenager looking for acceptance, friendship, and perhaps even love.

Poison ivy, poison oak, and sumac contain urushiol, an oily secretion which can trigger a rash in humans who come in contact with any part of the plant. An allergic reaction can occur by touching the plant directly, or by coming into contact with the oil residue on animals, clothing, footwear, or other items.

Identifying Poison Ivy, Poison Oak and Poison Sumac | HGTV

Toxicodendron diversilobum is found in California (Los Angeles was built on the site of a village named Yangna or iyaanga', meaning "poison oak place"), the Baja California Peninsula, Nevada, Oregon, Washington, and British Columbia. The related T. pubescens (eastern poison oak) is native to the Southeastern United States.

The Order of the Poison Oak Continues A Successful YA Series

The Order of the Poison Oak, with its easygoing emphasis on the virtue of tolerance and the value of friendship, is a well-pitched novel for teen readers — but one that will appeal to grownups with a yen for intelligent, humorous coming-of-age fiction."

Poison Oak Rash: Pictures and Remedies

Brent Hartinger's third novel is a story about Indian legends, skinny-dipping in moonlit coves, and the mysteries of a secret society called the Order of the Poison Oak. But more than anything, this witty page-turner is about bravery in the face of unexpected danger, the passion of a sizzling summer romance, and, most of all, the courage to be yourself.
