Toxicodendron diversilobum - Wikipedia

Toxicodendron diversilobum is found in California (Los Angeles was built on the site of a village named Yangna or iyaanga', meaning "poison oak place"), the Baja California Peninsula, Nevada, Oregon, Washington, and British Columbia. The related *T. pubescens* (eastern poison oak) is native to the Southeastern United States.

The Order of the Poison Oak (The Russel Middlebrook Series ...

Brent Hartinger's third novel is a story about Indian legends, skinny-dipping in moonlit coves, and the mysteries of a secret society called the Order of the Poison Oak. But more than anything, this witty page-turner is about bravery in the face of unexpected danger, the passion of a sizzling summer romance, and, most of all, the courage to be yourself.

[Poison Ivy, Oak, and Sumac Allergies: Symptoms, Diagnosis ...](#)

Scratching at a poison oak rash only makes things worse,

because it spreads the oil further across the skin (including your fingers--which means it will spread to any patch of skin you touch) 2. Poison oak rashes tend to appear in lines, corresponding to the place where you brushed against the plant 2 .

How to Get Rid of Poison Oak Plants

Poison oak rash is an allergic reaction to the leaves or stems of the western poison oak plant (*Toxicodendron diversilobum*). The plant looks like a leafy shrub and can grow up to six feet tall. In shady areas, the plant can grow like a climbing vine.

The Russel Middlebrook Series - Wikipedia

The leaves of this plant look a lot like oak leaves, and like poison ivy, they usually grow in clusters of three. But some kinds of poison oak have five, seven or nine leaves per cluster. Poison oak usually grows as a shrub in the Southeast or along the West Coast. It bears clusters of greenish yellow or white berries.

How to Identify Poison Oak: 13 Steps (with Pictures) - wikiHow

The Order of the Poison Oak, with its easygoing emphasis on the virtue of tolerance and the value of friendship, is a well-pitched novel for teen readers — but one that will appeal to grownups with a yen for intelligent, humorous coming-of-age fiction."
