The Origin and Evolution of Humans and Humanness Signet Book

"Incredible and searing." --Nic Stone, #1 New York Times bestselling author of Dear Martin The Hate U Give meets Just Mercy in this unflinching yet uplifting first novel that explores the racist injustices in the American justice system. Every week, seventeen-year-old Tracy Beaumont writes letters to Innocence X, asking the organization to help her father, an innocent Black man on death row. After seven years, Tracy is running out of time--her dad has only 267 days left. Then the unthinkable happens. The police arrive in the night, and Tracy's older brother, Jamal, goes from being a bright, promising track star to a "thug" on the run, accused of killing a white girl. Determined to save her brother, Tracy investigates what really happened between Jamal and Angela down at the Pike. But will Tracy and her family survive the uncovering of the skeletons of their Texas town's racist history that still haunt the present? Fans of Nic Stone, Tiffany D. Jackson, and Jason Reynolds won't want to miss this provocative and gripping debut.

Men to Match My Mountains Duke University Press

They called it "minor surgery," but Nancy Greenly, Sean

Berman, and a dozen others—all admitted to Boston Memorial Hospital for routine procedures were victims of the same inexplicable, hideous tragedy on the operating table. They never woke up. . . .

Dear Zoe Berkley Publishing Group

"My dear boy, please don't put a label on me - don't make me a category before you get to know me!" John Irving's new novel is a glorious ode to sexual difference, a poignant story of a life that no reader will be able to forget, a book that no one else could have written. Told with the panache and assurance of a master storyteller, *In One Person* takes the reader along a dizzying path: from a private school in Vermont in the 1950s to the gay bars of Madrid's Chueca district, from the Vienna State Opera to the wrestling mat at the New York Athletic Club. It takes in the ways that cross-dressing passes from one generation to the next in a family, the trouble with amateur performances of Ibsen, and what happens if you fall in love at first sight while reading *Madame Bovary* on a troop transport ship, in the middle of an Atlantic storm. For the sheer pleasure of the tale, there is no writer alive as entertaining and enthralling as John Irving at his best. But this is also a heartfelt, intimate book about one person, a novelist named William Francis Dean. By his side as he tells his own story, we follow Billy on a fifty-year journey toward himself,

meeting some uniquely unconventional characters along the way. For all his long and short relationships with both men and women, Billy remains somehow alone, never quite able to fit into society's neat categories. And as Billy searches for the truth about himself, *In One Person* grows into an unforgettable call for compassion in a world marked by failures of love and failures of understanding. Utterly contemporary and topical in its themes, *In One Person* is one of John Irving's most political novels. It is a book that grapples with the mysteries of identity and the multiple tragedies of the AIDS epidemic, a book about everything that has changed in our sexual life over the last fifty years and everything that still needs to. It's also one of Irving's most sincere and human novels, a book imbued on every page with a spirit of openness that expands and challenges the reader's world. A brand new story in a grand old tradition, *In One Person* stands out as one of John Irving's finest works - and as such, one of the best and most important American books of the last four decades.

The Origin N A L Trade

'It's enthralling stuff, mixing the scholarly with the accessible and placing storytelling right at the heart of the human experience.' - History Revealed 'A fascinating journey' - Yorkshire Post 'Marvellous...Finkel is an expert in Mesopotamian cultures at the British Museum, and is one of the most clever, and nicest, of people it has ever been my pleasure to encounter...A fascinating journey' - The Scotsman There are few things

more in common across cultures than the belief in ghosts. Ghosts inhabit something of the very essence of what it is to be human. Whether we personally 'believe' or not, we are all aware of ghosts and the rich mythologies and rituals surrounding them. They have inspired, fascinated and frightened us for centuries - yet most of us are only familiar with the vengeful apparitions of Shakespeare, or the ghostly spectres haunting the pages of 19th century gothic literature. But their origins are much, much older... *The First Ghosts: Most Ancient of Legacies* takes us back to the very beginning. A world-renowned authority on cuneiform, the form of writing on clay tablets which dates back to 3400BC, Irving Finkel has embarked upon an ancient ghost hunt, scouring these tablets to unlock the secrets of the Sumerians, Babylonians and Assyrians to breathe new life into the first ghost stories ever written. In *The First Ghosts*, he uncovers an extraordinarily rich seam of ancient spirit wisdom which has remained hidden for nearly 4000 years, covering practical details of how to live with ghosts, how to get rid of them and bring them back, and how to avoid becoming one, as well as exploring more philosophical questions: what are ghosts, why does the idea of them remain so powerful despite the lack of concrete evidence, and what do they tell us about being human?

Lust for Life Jones & Bartlett Learning

Acclaimed author of biographical and historical fiction Irving Stone turns his magnificent talent to telling America's most colorful and exciting story—the opening of the Far West. *Men to Match My Mountains* is a true historical masterpiece, an unforgettable pageant of giants—men like John Sutter, whose dream of paradise was shattered by the California Gold Rush; Brigham Young and the Mormons, who tamed the desert with Bible texts; and the silver kings and the miners, who developed Nevada's Comstock Lode and settled the Rockies. America called for greatness...and got it. There is nothing in history to match the stories of these men who braved wilderness to bring new nation to the shores of the Pacific.

Those Who Love National Geographic Books

WINNER OF THE 2022 PULITZER PRIZE FOR FICTION
2021 NATIONAL JEWISH BOOK AWARD WINNER
A NEW YORK TIMES NOTABLE BOOK OF 2021
A WALL STREET JOURNAL BEST BOOK OF 2021
A KIRKUS BEST FICTION BOOK OF 2021
"Absorbing, delightful, hilarious, breathtaking and the best and most relevant novel I've read in what feels like forever." —Taffy Brodesser-Akner, *The New York Times Book Review*
Corbin College, not quite upstate New York, winter 1959–1960: Ruben Blum, a Jewish historian—but not an

historian of the Jews—is co-opted onto a hiring committee to review the application of an exiled Israeli scholar specializing in the Spanish Inquisition. When Benzion Netanyahu shows up for an interview, family unexpectedly in tow, Blum plays the reluctant host to guests who proceed to lay waste to his American complacencies. Mixing fiction with nonfiction, the campus novel with the lecture, *The Netanyahus* is a wildly inventive, genre-bending comedy of blending, identity, and politics that finds Joshua Cohen at the height of his powers.

The First Ghosts One World

This volume represents the proceedings of the Irving Stone Memorial Symposium on "The Origin of Humans and Humanness." Scientists in the fields of anthropology, archaeology, biology and ecology were invited to discuss their research concerning the how's, where's and why's of the evolutionary history of humans. Using our knowledge of the behavior and reproduction of living primates, chapter 1 describes what made the earliest human-like animals of 4 million years ago different from their ape relatives. While showing how the science of paleontology works, the origin of our genus, *Homo*, is discussed in chapter 2. With emphasis on those humans who first made regular use of stone tools some 2 million years ago, chapter 3 interprets ancient human behavior and ecology from an archeological perspective. Tools from genetics, molecular biology, archaeology and paleontology are used to examine the origin of modern *Homo sapiens* in chapter 4. Chapter 5 looks at the artistry of Ice Age craftsmen. Finally, using computer methods, chapter 6 delves into the complex issue of how does human behavior change, and what is the relationship between biological and cultural evolution?

Clarence Darrow for the Defense Open Road Media

A novel about Sigmund Freud--the complex man whose life was a tumultuous drama of courage, conflict, love, and daring, as he ripped away the shrouds of secrecy from our shames, our guilts, our sexuality, and our human potential.

Trust Fund Babies The Origin

A Holocaust survivor who was twelve at the time of the Nazi invasion of Poland describes his struggle for survival in the Nazi death camps while members of his family perished around him, the horrific conditions of the camps, and the need to bear witness to the destruction.

Music Is History Doubleday Books

A fictional profile of the painter traces his life and career at the center of a circle of artists who founded Impressionism
Enchanted Islands Garden City, N.Y. : Doubleday
"A story of excruciating power."—*The New York Times*
The classic, bestselling biographical novel of Vincent Van Gogh
Since its initial publication in 1934, Irving Stone's *Lust for Life* has been a critical success, a multimillion-copy bestseller, and the basis for an Academy Award-winning movie. The most famous of all of Stone's novels, it is the story of Vincent Van Gogh—brilliant painter, passionate lover, and alleged madman. Here is his tempestuous story: his dramatic life, his fevered loves for both the highest-born women and the lowest prostitutes, and his paintings—for which he was damned before being proclaimed a genius. The novel takes us from his desperate days in a coal mine in southern Belgium to his dazzling years in the south of France, where he knew the most brilliant artists (and the most depraved whores). Finally, it shows us Van Gogh driven mad, tragic, and triumphant at once. No other novel of a great man's life has so fascinated the American public for generations.

Novels, Readers, and Reviewers Plume

Born to immigrant parents in Minnesota just before the turn of the century, Frances Frankowski grew up coveting the life of her best friend, Rosalie Mendel. And yet, decades later, when the women reconnect in San Francisco, their lives have diverged. Rosalie is a housewife and mother, while Frances works for the Office of Naval Intelligence and has just been given a top-secret assignment: marry handsome spy Ainslie Conway and move to the Galápagos Islands to investigate the Germans living there in the build-up to World War II. Amid active volcanoes, forbidding wildlife and flora, and unfriendly neighbors, Ainslie and Frances carve out a life for themselves. But the secrets they harbor—from their friends, from their enemies, and even from each other—may be their undoing.

Depths of Glory Penguin

INSTANT NEW YORK TIMES BESTSELLER
The star of Marvel's first Asian superhero film, Shang-Chi and the Legend of the Ten Rings, tells his own origin story of being a Chinese immigrant, his battles with cultural stereotypes and his own identity, becoming a TV star, and landing the role of a lifetime. In this honest, inspiring and relatable memoir, newly-minted superhero Simu Liu chronicles his family's journey from China to the bright lights of Hollywood with razor-sharp wit and humor. Simu's

parents left him in the care of his grandparents, then brought him to Canada when he was four. Life as a Canuck, however, is not all that it was cracked up to be; Simu's new guardians lack the gentle touch of his grandparents, resulting in harsh words and hurt feelings. His parents, on the other hand, find their new son emotionally distant and difficult to relate to - although they are related by blood, they are separated by culture, language, and values. As Simu grows up, he plays the part of the pious child flawlessly - he gets straight A's, crushes national math competitions and makes his parents proud. But as time passes, he grows increasingly disillusioned with the path that has been laid out for him. Less than a year out of college, at the tender age of 22, his life hits rock bottom when he is laid off from his first job as an accountant. Left to his own devices, and with nothing left to lose, Simu embarks on a journey that will take him far outside of his comfort zone into the world of show business. Through a swath of rejection and comical mishaps, Simu's determination to carve out a path for himself leads him to not only succeed as an actor, but also to open the door to reconciling with his parents. *We Were Dreamers* is more than a celebrity memoir - it's a story about growing up between cultures, finding your family, and becoming the master of your own extraordinary circumstance.

Irving Stone's Jack London, His Life, Sailor on Horseback (a Biography), and Twenty-eight Selected Jack London Stories Signet Book

The Origin Signet Book The Origin Corgi The Origin Doubleday Books

The Origin Signet Book

"Written from the heart and without restraint, alive."—The New York Times Vincent van Gogh, the great but tormented artist, bared his tortured yet ecstatic soul in his letters to his confidant and companion, his beloved brother Theo. These letters reveal the man behind such masterpieces as *The Starry Night* and *The Bedroom*—a desperate man whose quest for love became a flight into madness and for whom every day was a "fight for life." Irving Stone, acclaimed author of *Lust for Life* and other remarkable biographic novels, has collected Vincent van

Gogh's fascinating letters to Theo. Here we see the great artist as a human being as well as a man with an appointment with destiny. Van Gogh is a man struggling with doubts and fears, beset by poverty and mental illness, but also a painter who dares to break all the rules of academic art to create priceless masterpieces never honored during his lifetime. He was part of the coterie of great artists of his day while at the same time an intimate of aging streetwalkers. These letters are outpourings of his soul that paint a vibrant self-portrait in words equal to the intensity and emotion his painting created. This is the personal story of a legend.

Hidden Valley Road Thomas Nelson Inc

An eminent biochemist discusses the importance of ascorbic acid in the human body and reviews scientific evidence concerning its importance in combatting specific physical and mental disorders. Glossary. Bibliogs.

Anchor

Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, *Cutting for Stone* is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

STARRING SADIE SINK OF STRANGER

THINGS—COMING SOON! Dear Zoe is a remarkable study of grief, adolescence, and healing with a pitch-perfect narrator who is at once sharp and naïve, world-worried and self-centered, funny and heartbreakingly honest. Fifteen-year-old Tess DeNunzio hasn't been the same since she lost her sister Zoe to a hit-and-run accident on September 11th—when it seemed like nothing mattered except the tragedies playing out in New York and Washington. Dear Zoe is Tess's letter to her sister, written as a means of figuring out her own life and her

place in the world. The result is a novel of rare power and grace that tells us much about ours.

NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in "one of the most celebrated novels of the year" (Time) "Reading this novel is like holding a live wire in your hand."—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women's Prize • Roxane Gay's Audacious Book Club Pick • New York Times Editors' Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn't hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's pregnant with his baby—and that she's not sure whether she wants to keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and

deeply moving novel.
