### **Quotes by Hannah Arendt**

The short answer is that we, too, live in dark times' Washington Post. Hannah Arendt's chilling analysis of the conditions that led to the Nazi and

Soviet totalitarian regimes is a warning from history about the fragility of freedom, exploring how propaganda, scapegoats, terror and political isolation all aided the slide towards total domination. *The Origins of Totalitarianism: Arendt, Hannah ...* The Origins of Totalitarianism,

published in 1951, was Hannah Arendt's first major work, wherein she describes and analyzes Nazism and Stalinism as the major totalitarian political movements of the first half of the 20th century. The book is regularly listed as one of the best non-fiction books of the 20th century. [The Origins of Totalitarianism - Wikipedia](#) Free download or
