New York Times bestselling author Patti Callahan Henry delivers an engaging novel about a South Carolina woman who goes back home to face the past—and discovers herself. Meridy Dresden was once a free-spirited, fun-loving girl. All that changed when the boy she loved was killed in a tragic fire. Since then, she alone has carried the burden of a terrible secret. Now, years later, married to a wonderful man and mother of a teenage son, she is shocked to learn that a childhood friend is being blamed for that long-ago fire. Fearful but determined, Meridy returns to the South Carolina Lowcountry and summons the courage to make a decision that may destroy her well-ordered life, her family's reputation, her contented marriage, and everything she's worked so hard to protect...including her heart.

“ Brilliant. Powerful. Magical. Do not miss this book. ” —New York Times bestselling author Haywood Smith

Farah Ahmedi recounts her heartbreaking journey from war-torn Kabul to America in her New York Times bestselling inspirational memoir. Farah Ahmedi's "poignant tale of survival" (Chicago Tribune) chronicles her journey from war to peace. Equal parts tragedy and hope, determination and daring, Ahmedi's memoir delivers a remarkably vivid portrait of her girlhood in Kabul, where the sound of gunfire and the sight of falling bombs shaped her life and stole her family. She herself narrowly escapes death when she steps on a land mine. Eventually the war forces her to flee, first over the mountains to refugee camps across the border, and finally to America. Ahmedi proves that even in the direst circumstances, not only can the human heart endure, it can thrive. The Other Side of the Sky is "a remarkable journey" (Chicago Sun-Times), and Farah Ahmedi inspires us all.

The Line Becomes a River Little, Brown

“ Wonderfully written...Mr. Owen writes about water, but in these polarized times the lessons he shares spill into other arenas. The world of water rights and wrongs along the Colorado River offers hope for other problems. ” —Wall Street Journal An eye-opening account of where our water comes from and where it all goes. The Colorado River is an essential resource for a surprisingly large part of the United States, and every gallon that flows down it is owned or claimed by someone. David Owen traces all that water from the Colorado's headwaters to its parched terminus, once a verdant wetland but now a million-acre desert. He takes readers on an adventure downriver, along a labyrinth of waterways, reservoirs, power plants, farms, fracking sites, ghost towns, and RV parks, to the spot near the U.S.–Mexico border where the river runs dry. Water problems in the western United States can seem tantalizingly easy to solve: just turn off the fountains at the Bellagio, stop selling hay to China, ban golf, cut down the almond trees, and kill all the lawyers. But a closer look reveals a vast man-made ecosystem that is far more complex and more interesting than the headlines let on. The story Owen tells in *Where the Water Goes* is crucial to our future: how a patchwork of engineering marvels, byzantine legal agreements, aging infrastructure, and neighborly cooperation enables life to flourish in the desert—and the disastrous consequences we face when any part of this tenuous system fails.

The Other Side of the River tells the story of Gennetta Turner, whose father owns a large jet-carving company. Competition between the companies is intense, and Mr Turner devises a way of consolidating his hold over the town by marrying his daughter off to the son of his arch-rival. However, Gennetta is wildly in love with her childhood sweetheart, a young sailor. How Gennetta foils her father's plan, defies local custom and makes a success of her own career is related in Jessica Blair's inimitable style, full of pace, adventure and appealing local detail.

Twelve-year-old Samuel Collier is a lowly commoner on the streets of London. So when he becomes the page of Captain John Smith and boards the Susan Constant, bound for the New World, he can't believe his good fortune. He's heard that gold washes ashore with every tide. But beginning with the stormy journey and his first contact with the native people, he realizes that the New World is nothing like he imagined. The lush Virginia shore where they establish the colony of James Town is both beautiful and forbidding, and it's hard to know who's a friend or foe. As he learns the language of the Algonquian Indians and observes Captain Smith's wise diplomacy, Samuel begins to see that he can be whomever he wants to be in this new land.

The more Chike saw the ferry-boats the more he wanted to make the trip to Asaba. But where would he get the money? He did not know. Still, he hoped. Eleven-year-old Chike longs to cross the Niger River to the city of Asaba, but he doesn't have the sixpence he needs to pay for the ferry ride. With the help of his friend S.M.O.G., he embarks on a series of adventures to help him get there. Along the way, he is exposed to a range of new experiences that are both thrilling and terrifying, from eating his first skewer of suya under the shade of a mango tree, to visiting the village magician who promises to double the money in his pocket. Once he finally makes it across the river, Chike realizes that life on the other side is far different from his expectations, and he must find the courage within him to make it home. Chike and

the River is a magical tale of boundaries, bravery, and growth, by Chinua Achebe, one of the world's most beloved and admired storytellers.

A compelling and deeply personal account of a young man's spiritual plunge into a movement called the River, which claims to be spreading the kingdom of God through signs and wonders. Sometimes referred to as the River revival, the Third Wave or the Latter Rain, this movement is marked by bizarre manifestations, false prophecies and esoteric revelations. Warnings of divine retribution keep many adherents in bondage, afraid to speak out or even question those things they are taught and are witness to.

Chike and the River Vintage

The uniqueness of the United States of America sets it apart from any other country; people from all over the world come to our shores in pursuit of a way of life that is found nowhere else. Unfortunately, the once shining light on a hill that America once was is growing dim. If the American people do not awaken from their slumber, take an active role in preserving what our founders and forefathers created and willed to us, that shining light will disappear, never to shine again.

Meandering across the landscape of America is a metaphoric raging river that divides us unlike any time in our history. It is impossible to reside on both sides of a river simultaneously and the time has come when we must choose one side of the other. If we take an uncomplicated, common sense approach, we can easily discover the reality of the state America is in today. There is only one bridge spanning the metaphoric river and for some, it is a mystery. I invite you to journey with me to explore that mystery.

[They Called Us River Rats](#) Penguin

Explores America's racial antagonisms through the story of two Michigan towns—one white and wealthy, the other Black and poor—and a Black boy's death and its repercussions

Lacy Johnson's rich and poetic memoir, *The Other Side*, chronicles her brutal kidnapping and imprisonment at the hands of an ex-boyfriend, her dramatic escape, and her hard-fought struggle to recover. Lacy Johnson bangs on the glass doors of a sleepy local police station in the middle of the night. Her feet are bare; her body is bruised and bloody; U-bolts dangle from her wrists. She has escaped, but not unscathed. *The Other Side* is the haunting account of a first passionate and then abusive relationship; the events leading to Johnson's kidnapping, rape, and imprisonment; her dramatic escape; and her hard-fought struggle to recover. At once thrilling, terrifying, harrowing, and hopeful, *The Other Side* offers more than just a true crime record. In language both stark and poetic, Johnson weaves together a richly personal narrative with police and FBI reports, psychological records, and neurological experiments, delivering a raw and unforgettable story of trauma and transformation.

They Called Us River Rats: The Last Batture Settlement of New Orleans is the previously untold story of perhaps the oldest outsider settlement in America, an invisible community on the annually flooded shores of the Mississippi River. This community exists in the place between the normal high and low water line of the Mississippi River, a zone known in Louisiana as the batture. For the better part of two centuries, batture dwellers such as Macon Fry have raised shantyboats on stilts, built water-adapted homes, foraged, fished, and survived using the skills a river teaches. Until now the stories of this way of life have existed only in the memories of those who have lived here. Beginning in 2000, Fry set about recording the stories of all the old batture dwellers he could find: maritime workers, willow furniture makers, fishermen, artists, and river shrimpers. Along the way, Fry uncovered fascinating tales of fortune tellers, faith healers, and wild bird trappers who defiantly lived on the river. *They Called Us River Rats* also explores the troubled relationship between people inside the levees, the often-reviled batture folks, and the river itself. It traces the struggle between batture folks and city authorities, the commercial interests that claimed the river, and Louisiana's most powerful politicians. These conflicts have ended in legal battles, displacement, incarceration, and even lynching. Today Fry is among the senior generation of “River Rats” living in a vestigial colony of twelve “camps” on New Orleans's river batture, a fragment of a settlement that once stretched nearly six miles and numbered hundreds of homes. It is the last riparian settlement on the Lower Mississippi and a contrarian, independent life outside urban zoning, planning, and flood protection. This book is for everyone who ever felt the pull of the Mississippi River or saw its towering levees and wondered who could live on the other side.

Somewhere in the Unknown World Georgetown University Press

With testimonials from people who have lived through Near-Death Experiences as well as research and opinions from a multidisciplinary panel of prestigious scholars, *On the Other Side of Life* offers a balanced look at these most mysterious experiences and the science and theology behind them.

On the Other Side of the River Simon and Schuster

From the author of the beloved #1 national bestseller *Crow Lake* comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid-1930s, when life is tough and another world war is looming. Arthur is reticent, solid, dutiful and set to inherit the farm and his father's character; Jake is younger, attractive, mercurial and dangerous to know – the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too sure he knows the difference between right and wrong. By now it is the fifties, and the world has changed—a little, but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men—its unimaginable horror reaching right into the heart of this remote corner of an empire. With her astonishing ability to turn the ratchet of tension slowly and delicately, Lawson builds

their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, *The Other Side of the Bridge* is a compelling, humane and vividly evoked novel with an irresistible emotional undertow.

Pinckney writes about life on Daufuskie Island, an undeveloped barrier island south of Hilton Head.

Amigos Del Otro Lado Penguin

In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

Blood on the River Penguin

In *The Black Side of the River*, sociolinguist Jessi Grieser draws on ten years of interviews with dozens of residents of Anacostia—a historically Black neighborhood in Washington, DC—to explore the impact of urban change on Black culture, identity, and language.

Grieser's work is a call to center Black lived experiences in urban research.

[Where the Water Goes](#) Dial Press

From Paulo Coelho, author of the international bestseller *The Alchemist*, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of some of life's biggest questions.
