Sudden Backtrack

Harper Collins

"I wouldn't miss a Kim Harrison book for anything."—Charlaine Harris, author of the Sookie Stackhouse novels New York Times

bestselling urban fantasy superstar Kim Harrison is back with Pale Demon—her ninth electrifying adventure featuring contemporary witch Rachel Morgan. This time Rachel's leaving the Hollows, on a cross-country road trip with a pixy, an elf, and a vampire, as she races to clear her blackened name at a California witches' convention in order to avoid an eternity of torment at the claws of a soul-devouring demon. Pale Demon is Kim Harrison at her gothic best—combining mystery, action, intrigue, paranormal romance, and breathtaking dark fantasy in a delicious witches' brew that fans of Laurell K. Hamilton, Charlaine Harris, Stephenie Meyer,

and Jim Butcher simply will not be able to resist. The Hollows Insider Orbit I am Meredith Gentry, princess and heir apparent to the throne in the realm of faerie, onetime private investigator in the mortal world. To be crowned queen, I must first continue the royal bloodline and give birth to an heir of my own. If I fail, my aunt, Queen Andais, will be free to do what she most desires: install her twisted son, Cel, as monarch . . . and kill me. My royal guards surround me, and my best loved – my Darkness and my Killing Frost – are always beside me, sworn to protect and make love to me. But still the threat grows greater. For despite all my carnal efforts, I remain childless, while the machinations of my sinister, sadistic Queen and her confederates remain tireless. So my bodyguards and I have slipped back into Los Angeles, hoping to outrun the gathering shadows of court intrigue. But even exile isn't enough to escape the grasp of those with dark designs. Now King Taranis, powerful and vainglorious ruler of faerie's

Seelie Court, has leveled accusations against my noble guards of a heinous crime – and has gone so far as to ask the mortal authorities to prosecute. If he succeeds, my men face extradition to faerie and the hideous penalties that await them there. But I know that Taranis's charges are baseless, and I sense that his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying.

Into the Woods Voyager Saint City has always been Dante Valentine's home. It's where she grew up, it's where her dead are buried, and it's where she learned to hunt. Now, one call from an old friend will bring her back to investigate a murder too close to home for anyone's comfort. But the one person she trusted has just betrayed her.

Sometimes revenge is best served demon-hot. . .
