CISSP Exam Cram\_4 Feiwel & Friends  
Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant Margaret is the laughingstock

of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complemented by archival photos from Margaret Pokiak-Fenton's collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl's determination to confront her tormentor will linger with young readers.

Bystander Harvard Business Press

Two young men start to correspond—one a civilian, the other a soldier struggling with his life in Vietnam. Pen pals become something more as

---

the boys discover things about themselves and each other through their letters and their lives. A love story. Length: 12,400 words Heat level: low I'm Lovin' Lit

Delve deep into a world of socioeconomic differences and the tragic outcome of this conflict. A variety of activities keep students on their toes and practicing reading skills. Explore the themes of prejudice and social conventions and the part they play in a community. Explain Johnny's transformation through the eyes of Ponyboy. Answer multiple choice questions about Johnny and Ponyboy's time in the church. Match difficult vocabulary words to their meanings. Imagine interviewing Ponyboy about his actions while saving the trapped kids in the burning church. Explain how Cherry describes the duality of Bob. Imagine an alternate version of the story from the point of view of the Socs in which it was one of the Greasers who were killed in the fight. Aligned to your State Standards and written to Bloom's

Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: The Outsiders is the classic coming-of-age story about two social groups in 1960s Oklahoma. The Greasers and the Socs are rival social groups, who engage in petty fights around town. Ponyboy and his friends are Greasers and get jumped by the Socs regularly. One night, after leaving a local drive-in, Ponyboy and his friend Johnny get jumped from a group of Socs who have a score to settle. Things go too far and one of the Socs gets killed. Ponyboy and Johnny now find themselves running from the police. After a week hiding out, the pair decide to return and face the consequences of their actions. Things go from bad to worse as the story faces its climax with a final rumble between the Greasers and the Socs.

The revised and expanded edition of this bestseller is a comprehensive, easy-to-read resource that explores the theory and practice of ESL assessment. Written for anyone working with English-language learners (elementary and secondary, mainstream and ESL), this new edition of

Assessment and ESL presents ideas and tools for alternative assessment. The authors offer methods of documenting the learning and progress of second-language learners—learning and progress that may not always be apparent at first glance. Like the previous edition, the new edition is filled with real stories about students who take baby steps, progress in leaps and bounds toward proficiency, and eventually learn to fly on their own.

This quirky novel - a bestseller in India - chronicles an Indian student's year abroad at an American university. Gopal's hilarious misadventures with the American language, his flamboyant landlady, the ubiquitous hamburger, and, most of all, American women form the basis for this wonderfully truthful story. Faced with the relentless sexuality of his fellow college students, the quintessentially decent Gopal reacts with a mixture of disbelief, sly amusement, and hormonal overload. Throughout his battles with racism, his own insecurity, and his family's warning that he will be severely judged should he dabble in America's temptations, Gopal retains a dignity and surprising shrewdness, rejecting the worst of what America offers even as he recognizes the best. Following reluctantly behind the outrageous leadership of his American friend Randy, the naive but observant Gopal reacts with a wit that far transcends his linguistic limitations.

**A Student-Centered Approach** Random House Books for Young Readers The internationally bestselling book that inspired the Pay It Forward movement is now available in a middle grade edition. Pay It Forward is a moving, uplifting

---

novel about Trevor McKinney, a twelve-year-old boy in a small California town who accepts his teacher's challenge to earn extra credit by coming up with a plan to change the world. Trevor's idea is simple: do a good deed for three people, and instead of asking them to return the favor, ask them to "pay it forward" to three others who need help. He envisions a vast movement of kindness and goodwill spreading across the world, and in this "quiet, steady masterpiece with an incandescent ending" (Kirkus Reviews), Trevor's actions change his community forever. This middle grade edition of Pay It Forward is extensively revised, making it an appropriate and invaluable complement to lesson

plans and an ideal pick for book clubs, classroom use, and summer reading. Includes an author's note and curriculum guide.

From Leslie Connor, award-winning author of Waiting for Normal and Crunch, comes a soaring and heartfelt story about love, forgiveness, and how innocence makes us all rise up. All Rise for the Honorable Perry T. Cook is a powerful story, perfect for fans of Wonder and When You Reach Me. Eleven-year-old Perry was born and raised by his mom at the Blue River Co-ed Correctional

---

Facility in tiny Surprise, Nebraska. His mom is a resident on Cell Block C, and so far Warden Daugherty has made it possible for them to be together. That is, until a new district attorney discovers the truth—and Perry is removed from the facility and forced into a foster home. When Perry moves to the “outside” world, he feels trapped. Desperate to be reunited with his mom, Perry goes on a quest for answers about her past crime. As he gets closer to the truth, he will discover that love makes people resilient no matter where they come from . . . but can he find a way to tell everyone what home truly means?

*Focus on Reading* Heinemann Educational Books

What's missing from gender equality efforts? Men. Women are at a disadvantage in the workplace, where they deal with unequal pay, sexual harassment, lack of credit for their contributions, and more. And while organizations are looking to address these issues, too many gender-inclusion initiatives focus exclusively on how women should respond, leaving men out of the equation. Such efforts reinforce the perception that

---

these are "women's issues" and that men--often the most powerful stakeholders in an organization--don't need to be involved. As gender-in-the-workplace experts David G. Smith and W. Brad Johnson show in this important book, men have a crucial opportunity to promote gender equality at work. Research shows that when men are deliberately engaged in gender-inclusion programs, 96 percent of women in those organizations perceive real progress in gender equality, compared with only 30 percent of women in organizations without strong male engagement. Good Guys is the first book to provide a practical, research-based guide for how to be a male ally to women in the workplace. Filled with firsthand accounts from both men and women, as well as tips for getting started, the book shows how men can partner with their female colleagues to advance women's leadership and equality by breaking ingrained gender stereotypes, overcoming unconscious biases, developing and supporting the talented women around them, and creating productive and respectful working relationships with women--especially in a post-#MeToo world.

Dr Craig S. Duncan is a sport scientist who believes the more simple the message the better it will be received. Too often sport scientists do not communicate effectively and this causes negative issues with coaches and athletes. The goal of any sport scientist must be to present what they do in an easily understandable format to best service those that they work with. This book focuses on a variety of topics in sport science. It is a collection of short chapters that is easy to read and promotes the

---

concept of keeping things simple. Dr Duncan also encourages reflecting on everything we do in order to continually improve our service.

**Tex** BMI Educational Services  
In the words of economist and scholar Arnold Kling, Martin Gurri saw it coming. Technology has categorically reversed the information balance of power between the public and the elites who manage the great hierarchical institutions of the industrial age government, political parties, the media. The Revolt of the Public tells the story of how insurgencies, enabled by digital devices and a vast information sphere, have

mobilized millions of ordinary people around the world. Originally published in 2014, this updated edition of The Revolt of the Public includes an extensive analysis of Donald Trump's improbable rise to the presidency and the electoral triumphs of Brexit and concludes with a speculative look forward, pondering whether the current elite class can bring about a reformation of the democratic process, and whether new organizing principles, adapted to a digital world, can arise out of the present political turbulence. "All over the world, elite institutions from

---

governments to media to academia are losing their authority and monopoly control of information to dynamic amateurs and the broader public. This book, until now only in samizdat (and Kindle) form, has been my #1 handout for the last several years to anyone seeking to understand this unfolding shift in power from hierarchies to networks in the age of the Internet." --Marc Andreessen, co-founder, Netscape and Andreessen Horowitz "We are in an open war between publics with passionate and untutored interests and elites who believe they have the right to guide those publics.

Gurri asks the essential question: can liberal representative democracy survive the rise of the publics? --Roger Berkowitz, Founder and Academic Director of the Hannah Arendt Center, Professor of Politics and Human Rights at Bard College
