Merchant Guilds. Security was a great concern for medieval traders who worried that their goods could be stolen in transit or while in storage. Mutual protection and travelling in groups thus offered the best solution in a period when state intervention was sporadic or non-existent in certain regions.

A Clerk of Oxford

Crime and Punishment in Anglo-Saxon England

. There are three important trends to remember:

1. The power and influence of the king over crime and punishment grew- the king decided

penalties rather than local communities. 2. The Christian Church had greater influence over people ' s lives- it gave those who had committed crime an opportunity to save their soul.
