Reviewed in the United States on June 12, 2011. "The Pack" by Jason Starr is another of the recent efforts to revive the werewolf mythos and it succeeds admirably on several levels. Starr injects some imaginative ideas on werewolves and their human interactions while at the same time being unable to avoid some of the more predictable and traditional elements such as the futility and inability of believers to convince anyone else of the condition and the inevitability of human baser needs and ...

The Pack by Jason Starr This is Stepford Wives meets werewolves and not in a good way. This is a poorly written book with little character development and unlikable characters. The protagonist Simon is naive and self centered, his wife needs some bipolar meds and their 3 year old needs to be in permanent time out.

The Pack : Jason Starr : 9781980955191

"Jason Starr is hypnotically good." -Lee Child When Simon Burns is fired from his job without warning, he takes on the role of stay-at-home dad for his three-year-old son. But his reluctance pushes his already strained marriage to the limit. In the nestled playgrounds of the Upper West Side, Simon harbors a simmering rage at his boss's betrayal.

The Pack (The Pack, #1) by Jason Starr

First published back in June of 2011, 'The Pack' formed US crime writer Jason Starr's first flittering with the dark fantasy/horror genre. The novel was later followed on by a sequel entitled 'The Craving' (2012). DLS Synopsis: Simon Burns was pretty much convinced that a much needed promotion was finally in the bag.

[Jason Starr - Starr, Jason](#)

Starr is known for his satirical urban crime novels, set mainly in the New York City area.

When asked why (until The Pack) he wrote standalone novels and didn't rely on a series character he said, "New York City is my series character." In the 1990s, Starr had several plays performed at Off-Off Broadway theater companies in New York.

The New York setting adds to this unusual tale as readers wonder whether the real monster is the werewolf or a criminal. Jason Starr provides an action-packed (pun intended) great Lycan

psychological horror thriller. The author writes one of kind horror tales that will make him tomorrow's

superstar in his field. Harriet Klausner
