Pool's status as one of to fall to a doomsday
the best fantasy cult, the magical
writers of the 21st Graced are being

persecuted, and an ancient power threatens to break free. But with the world hurtling toward its prophesized end, Anton's haunting vision reveals the dangerous beginnings of a plan to stop the Age of Darkness. As Jude, Keeper of the Order of the Last Light, returns home in disgrace, his quest to aid the Prophet is complicated by his growing feelings for Anton. Meanwhile, the assassin known as the Pale Hand will stop at nothing to find her undead sister before she dies for good, even if it means letting the world burn. And in Nazirah, Hassan, the kingdomless Prince, forms a risky pact to try to regain his throne. When the forces of light and darkness

collide in the City of Mercy, old wounds are reopened, new alliances are tested, and the end of the world begins. The Age of Darkness trilogy is perfect for fans of Throne of Glass, Children of Blood and Bone, and An Ember in the Ashes. *

"Adventurous relic-hunting, mind-blowing twists, budding love, and terrible betrayals feature in this multiple-narrator, character-driven study of power, agency, and identity." —Kirkus Reviews, starred review

Praise for There Will Come a Darkness "Reading this intricate YA fantasy, you get the feeling Katy Rose Pool's plot is always seven steps ahead of you. You'll want to

catch up as quickly as possible." —Refinery 29

Comanche Heart

Harper Collins

Tobias's father is different from other dads, not only because he is a tyrannosaurus but also because he is busy all of the time.

But when disaster looms during Field Day at Tobias's school, his dad comes through. Full color.

Art Girls Are Easy FREE PREVIEW

Edition (First 3 Chapters)

Erewhon

From best friend to frenemy to flat-out enemy For her Sweet 16, Jordan Wright gets rid of the frizzy hair, the conservative clothes, and

finally likes the hip new girl smiling in the mirror. So when she hears about an open casting call for the hottest rapper's new video, she has the confidence to go for it. She and her best friend, Adrienne, try out with hundreds of hopefuls, but only Jordan makes it. Adrienne seems fine with it. But when Jordan starts getting some serious attention, Adrienne turns into a hater. And after Jordan has an innocent in-the-hall conversation with Adrienne's ex-boyfriend—they dated for one week, like four years ago!—Adrienne plots to ruin Jordan's life by spreading rumors, writing stuff on the bathroom walls and telling Jordan she'd be better off dead. Suddenly Jordan's popularity is fading. Forget sweet sixteen. She soon discovers that what she needs most is to find the strength to be herself. Among the Red Stars Delacorte Press
NEW YORK TIMES BESTSELLER •
He ' s American royalty. She comes from a troubled past. Is their love story meant to be? This “ lively page-turner ”

(The New York Times) offers a nostalgic, hopelessly romantic escape—from the author of *Something Borrowed* and *The Lies That Bind*. “ I ’ m a sucker for an iconic, against-all-odds love story, and *Meant to Be* truly delivers. ” —Tia Williams, author of *Seven Days in June*
“ A chic, history-inspired summer read [that] strikes a careful balance between simply retelling the true story of JFK Jr. and his wife, Carolyn Bessette, and crafting an entirely new one. ” —Bookreporter
The Kingsley family is American royalty, beloved for their military heroics, political service, and unmatched elegance. In 1967, after Joseph S. Kingsley, Jr. is killed in a tragic accident, his charismatic son

inherits the weight of that legacy. But Joe III is a free spirit—and a little bit reckless. Despite his best intentions, he has trouble meeting the expectations of a nation, as well as those of his exacting mother, Dottie. Meanwhile, no one ever expected anything of Cate Cooper. She, too, grew up fatherless—and after her mother marries an abusive man, she is forced to fend for herself. After being discovered by a model scout at age sixteen, Cate decides that her looks may be her only ticket out of the cycle of disappointment that her mother has always inhabited. Before too long, Cate 's face is in magazines and on billboards. Yet she feels like a fraud, faking it in a world to which

she 's never truly belonged. When Joe and Cate unexpectedly cross paths one afternoon, their connection is instant and intense. But can their relationship survive the glare of the spotlight and the so-called Kingsley curse? In a beautifully written novel that captures a gilded moment in American history, Emily Giffin tells the story of two people searching for belonging and identity, as well as the answer to the question: Are certain love stories meant to be? *The Last Field Party* Penguin A 2015 Whitney Award Nominee! A powerful story of loss, second

chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few

months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes	how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when	things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books,
--	---	--

Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers —picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach	lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. <u>The Wherewood</u> Macmillan Fifteen-year- old Indigo	Summer's world finally seems to be going in the right direction: She hooks up with the star linebacker on the high-school football team, gets a date for homecoming and makes the high- school dance squad all in the same week. But sometimes things are just too good to be true. <i>More Than Words</i> Harper Collins Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer Max Schmeling's experiences
