A Path and a Practice Da Capo Lifelong Books

This 1996 translation is a beautiful expression in contemporary language of the original ideas. It stands out when compared to other translations in simplicity and clarity. The 81 poems of the Tao Te Ching were not numbered or titled in early copies of the text. They were in two groups, 37 Tao poems and 44 Te poems. In that spirit this

edition omits page numbers and displays only one poem on each pair of pages. The space invites the opportunity for awareness of what we may bring to the text. The Foreword by Tekson Teo is a beautiful, inviting welcome to the text. It is an honor to be able to include it for you. Tekson has combined practicing qigong with studying the Tao Te Ching for decades. He understands well how doing both complement each other. In addition to his qigong students, Tekson brings his deep understanding and practice to his work as a business consultant to clients around the world. We are fortunate that Tekson has made it his life's passion to help everyone understand the wisdom in this great text. On an auspicious occasion is a perfect time to present a gift. This edition was published as a gift in honor of the guests on Qigong Vacations' first trip, The Farm Adventure at East Hill Farm in Troy, NH. This is a gift that helps you along your path in life. It has been cherished for millenniums. It points the way to a deeper understanding. It was created for you with love.

Socratic Parenting focuses on developing a personal parenting philosophy and sharing that philosophy with your child through dialogues, asking open-ended questions, and modeling the behavior you want to see in your child. It applies the Socratic Method to parenting, helping parents find personal answers to universal questions. Traditional punishment and reward techniques may classically condition desired behaviors, but parents who develop their own self-discipline and critical thinking skills will naturally encourage their children to become self-disciplined, independent thinkers.

*Voyage to the Sun* Special Edition Books

A contemporary graphic novel adaptation of a spiritual classic.

This graphic-novel version of the Tao Te Ching—the poetic classic that is the philosophical and religious basis of Taoism—brings the teachings into a modern light in a completely fresh and unique way. Each of the 81 poem-passages of the Tao Te Ching is reinterpreted by award-winning graphic novel writer Sean Michael Wilson and brought to life by the artful illustrations of Hong Kong artist Cary Kwok, who sets the text in various contemporary scenes to bring out the modern relevance.

This is not just another English version of the Tao Te Ching, this is the new English version that makes good sense to readers for the very first time in the history. While the Tao Te Ching is a famous ancient Chinese classic and has substantially influenced the lives of so many people over the centuries, it is also one of the most profound and misinterpreted spiritual and philosophical text. Some of its chapters may appear confusing and difficult to understand. What can you do when you just can not make sense of them? Yuhui Liang, a Tao Te Ching expert, has found many misinterpretations in many English and Chinese versions of The Tao Te Ching. After years of research and study, he has made significant progress in three important areas and successfully corrected all the misinterpretations. And his new translation let Lao Tzu's words finally make good sense to readers. His work takes the translation of the Tao Te Ching to the next level of better accuracy, coherence and contextualization, while keeping the sentences reasonably concise. You can benefit from this book whether you are a first time reader or a long time fan. It will help you read Lao Tzu's book with greater understanding, reexamine its original meaning, and find out what it means to you today. The content of this book: Introduction, Translation, Pinyin version, Annotation, Notes, and a Brief Analysis of the Symbol Pair for each of eighty one chapters.

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies

sold around the world, *The Alchemist* has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. *The Alchemist* is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

*The Tao Te Ching* is fundamental to the Taoist school of Chinese philosophy and strongly influenced other schools, such as Legalism and Neo-Confucianism. This ancient book is also central in Chinese religion, not only for Taoism but Chinese Buddhism, which when first introduced into China was largely interpreted through the use of Taoist words and concepts. Many Chinese artists, including poets, painters, calligraphers, and even gardeners have used the *Tao Te Ching* as a source of inspiration. Its influence has also spread widely outside East Asia, aided by hundreds of translations into Western languages. Classic Taoist wisdom applied to the world of parenting, guiding mothers and fathers to meaningful conversations and relationships with their children. William C. Martin has freshly reinterpreted the *Tao Te Ching* to speak directly and clearly to the most difficult of modern tasks -- parenting. With its combination of free verse and judicious advice, *The Parent's Tao Te Ching* addresses the great themes that permeate the *Tao* and that support loving parent-child relationships: responding without judgment, emulating natural processes, and balancing between doing and being. "A masterpiece. William Martin captures the essence of what it means to raise a child. Urgently needed, this precious book lifts parenting to new heights."-- Judy Ford, author of *Wonderful Ways to Love a Child* and *Wonderful Ways to Be a Family* *Tao Te Ching* Green Dragon Books

A story of drug and alcohol abuse and rehabilitation as it has never been told before. Recounted in visceral, kinetic prose, and crafted with a forthrightness that rejects piety, cynicism, and self-pity, it brings us face-to-face with a provocative new

---

understanding of the nature of addiction and the meaning of recovery. By the time he entered a drug and alcohol treatment facility, James Frey had taken his addictions to near-deadly extremes. He had so thoroughly ravaged his body that the facility's doctors were shocked he was still alive. The ensuing torments of detoxification and withdrawal, and the never-ending urge to use chemicals, are captured with a vitality and directness that recalls the seminal eye-opening power of William Burroughs's *Junky*. But *A Million Little Pieces* refuses to fit any mold of drug literature. Inside the clinic, James is surrounded by patients as troubled as he is -- including a judge, a mobster, a one-time world-champion boxer, and a fragile former prostitute to whom he is not allowed to speak -- but their friendship and advice strikes James as stronger and truer than the clinic's droning dogma of *How to Recover*. James refuses to consider himself a victim of anything but his own bad decisions, and insists on accepting sole accountability for the person he has been and the person he may become--which runs directly counter to his counselors' recipes for recovery. James has to fight to find his own way to confront the consequences of the life he has lived so far, and to determine what future, if any, he holds. It is this fight, told with the charismatic energy and power of *One Flew over the Cuckoo's Nest*, that is at the heart of *A Million Little Pieces*: the fight between one

young man's will and the ever-tempting chemical trip to oblivion, the fight to survive on his own terms, for reasons close to his own heart. *A Million Little Pieces* is an uncommonly genuine account of a life destroyed and a life reconstructed. It is also the introduction of a bold and talented literary voice.

The *Tao te Ching* of Lao Tzu is one of the most widely read and deeply cherished books in the world, a work many consider the wisest book ever written. In his introduction, translator Brian Browne Walker says, "It is less a book than a living, breathing angel." In his new translation, Walker stays close to the direct literal accuracy of the Chinese characters while producing a modern, exceptionally clear version that has the ring and voice of Lao Tzu, a man who may or may not have been a single individual. "I have come to think of Lao Tzu less as a man who once lived," Walker writes, "and more as a song that plays, eternal and abiding."

where the odds are stacked in favor of the already fortunate. Stalled social mobility and entrenched inequality give the lie to the American credo that "you can make it if you try". The consequence is a brew of anger and frustration that has fueled populist protest and extreme polarization, and led to deep distrust of both government and our fellow citizens--leaving us morally unprepared to face the profound challenges of our time. World-renowned philosopher Michael J. Sandel argues that to overcome the crises that are upending our world, we must rethink the attitudes toward success and failure that have accompanied globalization and rising inequality. Sandel shows the hubris a meritocracy generates among the winners and the harsh judgement it imposes on those left behind, and traces the dire consequences across a wide swath of American life. He offers an alternative way of thinking about success--more attentive to the role of luck in human affairs, more conducive to an ethic of humility and solidarity, and more affirming of the dignity of work. *The Tyranny of Merit* points us toward a hopeful vision of a new politics of the common good.

Chronicles of Tao Conari Press

Bestselling Taoist author William Martin brings the power of the Tao to the essential practice of forgiveness, creating a unique path from guilt, blame, and shame to peace of mind and freedom. How do we forgive when forgiveness seems impossible? William Martin, author of the bestselling The Parent's Tao Te Ching, provides practical and time honored answers. He weaves excerpts from the ancient sacred Taoist scriptures together with insightful teaching stories, bringing the practice of forgiveness to readers of all spiritual backgrounds. Each chapter contains two parts-a journey toward forgiveness and a practical exercise in forgiving-and also includes personal anecdotes, poems, and simple exercises. With the devastating personal and societal damage caused by resentment, anger, guilt, and shame in mind, Martin patiently and compassionately helps readers overcome the ills of "holding on" with the openness of the Tao. In this accessible work, he illustrates how forgiveness is freedom and that the pathway to

Following the successful debut of the Parent's Tao Te Ching -- William Martin now reinterprets the Tao for couples. With The Parent's Tao Te Ching, William Martin beautifully re-interpreted Lao Tzu's Tao Te Ching -- one of the world's oldest and most widely read books of wisdom -- expressly for parents. Now, he distills and freshly re-interprets the essence of each of the Tao's 81 chapters to speak directly and clearly to couples. William Martin's indelible, spirited, and sage advice, rendered in free verse, captures the ancient spirit of Lao Tzu's original text, yet speaks directly to modern lovers--and to the full sweep of their experiences and emotions. A deeply felt alternative to advice books that urge readers to manipulate their partners rather than to love them, The Couple's Tao Te Ching is for everyone who has embarked upon a loving relationship, which, as William Martin says, "can be the most rewarding and enlightening adventure possible."

Cultivating Stillness Da Capo Press

Equanimity, good health, peace of mind, and long life are the goals of the ancient Taoist tradition known as "internal alchemy," of which Cultivating Stillness is a key text. Written between the second and fifth centuries, the book is attributed to T'ai Shang Lao-chun—the legendary figure more widely known as Lao-Tzu, author of the Tao-te Ching . The accompanying commentary, written in the nineteenth century by Shui-ch'ing Tzu, explains the alchemical symbolism of

the text and the methods for cultivating internal stillness of body and mind. A principal part of the Taoist canon for many centuries, Cultivating Stillness is still the first book studied by Taoist initiates today. Taoist Teachings from the Book of Lieh Tz Shambhala Publications
