The Park Service Trilogy 1

U.S. Sens. Michael Bennet and Cory Gardner, and U.S. Rep. Joe Neguse have introduced legislation to allow the National Park Service to adjust the boundary of the park. "Our bills will formally add this parcel of land in the Longs Peak region to RMNP, and clean up boundary discrepancies elsewhere, to improve management in the area," said Bennet.

This is the first instalment of the park service trilogy. The story is spread out over the three books so they need to be read in chronological order. Synopsis: 900 years into the future, post apocalyptic earth has become a toxic place; where everybody lives underground. At least, that is what Aubrey van Houten has been taught.

Winfield 's first novel in The Park Service Trilogy, The Park Service, explores some ethical and moral dilemmas regarding mankind 's role in destroying the Earth. It is also a story about friendship and loyalty.

This young adult dystopian tale does an excellent job of world building and character development.

The one theme that these others share with The Park Service is the notion that we should hope that heartless

---

great thinkers are not the ones deciding how it will play out. Winfield's take on this topic has us living in a environment deep underground due to the fact that a great and final war has left the surface of the earth uninhabitable.

The Park Service Trilogy

Courtney Ryley Cooper 2350 Colorado Blvd Clear Creek runs along this large grassy expanse, which is spotted with picnic tables. A playground is located at the east end of the park, as well as a pavilion. The City does not take reservations for the pavilion, it is first come-first served. In the summer the park hosts a Farmers Market every Friday.

The Westminster Castle, also locally known as "The Big Red Castle" or "The Pillar of Fire" is a historic landmark located in Westminster, Colorado, northwest of Denver near the intersection of 83rd and Federal. It is listed on the National Register of Historic Places as Westminster University

State of Nature: Book Three of The Park Service Trilogy ...

I've just finished The Park Service, having been introduced to Ryan Winfield's writing by South of Bixby Bridge. This is a totally different book and concept, set 1000 years in the future. The main protagonist is a fifteen year old boy who lives in an underground Utopian society who believe that the surface of the Earth is uninhabitable.
