The Past Through Tomorrow Future

Future in the past is used to express the idea that in the past you thought something would happen in the future. It does not matter if you are correct or not. Future in the past follows the same basic rules as the simple future. "Would" is used to volunteer or promise, and "was going to" is used to plan.

*The Past Through Tomorrow - Wikipedia*

The Past Through Tomorrow contains all 21 stories, novellas, and novels of Heinlein's Future History series. The four books making up the series (The Man Who Sold the Moon, The Green Hills of Earth, Revolt in 2100, and Methuselah's Children) used to be a little hard to find in the pre-Internet days, making this collection an absolute boon to Heinlein readers.
