What I feel most guilty and ashamed about in my Christian walk is how little I pray. Why is this true for most Christians? Many of us have experienced prayer as a discipline and a duty. We aren't born knowing how to relate well with God in prayer we need to be taught. This is why Jesus disciples asked Him to teach them how to pray. For many years, Buddy Westbrook has been training people how to relate with God using Jesus lesson plan in Luke 11. In Come Talk with Me, he will coach you toward down-to-earth skills that will enable you to communicate with God instead of just talking to Him. Whether you use this book on your own or with a group, Come Talk with Me will walk you step-by-step into relational conversation with God. Through instruction, stories, examples, exercises, and interactive coaching, you

will learn practical skills that will enable you to hear God accurately, relate with Him deeply, and receive His initiation. You will also discover how to wrestle with Him, enjoy Him, and receive His incredible parenting, friendship, understanding, care, and direction. The practical skills in Come Talk with Me will not only change how you pray, they'll change you. When God's sons and daughters hear and receive His tangible parenting, His personal affection, His perspective on their lives, and His customized directions, everything changes. You will truly experience being God's child. BUDDY WESTBROOK is a graduate of Dallas Theological Seminary and the pastor of CrossLand Community Bible Church in Fort Worth, Texas. He uses coaching-style leadership to teach others how to skillfully communicate with God. He has been married to his beloved wife, Letty, for more than forty-two years.

I Sleep with the Pastor: A 52 Week Devotional for those Called to the Unique Ministry of Minister to the Minister Morehouse Publishing
This reflection, though brutally honest, provides insight to the conflicts that face the children of ministers, pastors, religious clergy, deacons, and church leaders. It challenges fellow Christians, to nurture the lives of these children without punishing judgments. This work provokes congregants and leaders to nurture preachers kids, and provide heartfelt guidance and vigilant prayer. It encourages prayer-warriors, to guard over the hearts of preachers kids. The book leads the reader toward self-examination and self-correction. The author makes a noteworthy disclaimer; I do not have a license in counseling, a degree in psychology or theology. I am not an elder or deacon in any church, nor do I hold office as a board member on any religious organization. I am not a minister, pastor or evangelist. I am neither an acclaimed author nor an authority of any kind. Forgive me if I have misquoted scripture or taken verses out of context. However I hope the Bible verses I have quoted throughout this book would not seem preachy; but then again, I am a preachers daughter. I trust that, these scriptures will grab at your hearts and soothe your soul-wounds. I hope they will provide a new perspective and they would be as you have never heard them or thought of them before. The author writes from a unique perspective, that of a preachers kid. I am the voice of a group that is easily misunderstood and even shunned. We are the group that, should know better. Just being born into the subculture of preachers kids we are automatically judged by all, (the righteous and the unrighteous alike). We are expected to... by default, be good, be upright, make no mistakes, be all things to all men all of the time. We are to be mature in all judgments from the moment of birth, and on and on it goes. Few can comprehend our

journey toward our Father on a road less traveled. This journey will be enlightening and comforting to all who read it. It will bring hope to those who are confused and lost. The book although empathetic to all parties, makes all accountable for their behaviors toward others and to the Heavenly Father. It is with great love and sensitivity that the author leads the reader to finding relationship with Jesus. Just for a moment, the reader can walk in the shoes of preachers kids with understanding and empathy. It brings much-needed direction and guidance. The author attempts to bridge the gap between all of you and preachers kids. It also attempts to reconcile the disconnection between preachers kids and Jesus. This work is raw and honest. It is a reflection of a lost generation who need to know the true power of redemption and the priceless gift of grace and love.

Parishes of all denominations are in decline, shrinking, closing, dying. We know that there are increasing numbers, young and older, who are religious "nones" and "dones." This book explores why the decline is taking place, why the distancing is going on. But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting. The central theme of death and resurrection shapes the analysis of parishes covered. Parishes are resurrecting by reinventing their ministries, by repurposing their building to better serve their neighborhoods, thus replanting and reconnecting with them. All of this is the Spirit's doing but through the community of sisters and brothers who make up each congregation of faith. Community as the core of church is the other reality shaping the book's reflection. And community, a parish being with those around, living for more than its own survival are visions for going forward. Other aspects of congregational life are also examined, most importantly the pastors--how they serve when budgets shrink, how they are trained, how pastors act with the community not above it. No recipes are suggested for parish resurrection, but the stories of the parishes that have revived bear within numerous lessons for us in the future.

Because of all the challenges presented by life and death, most people are looking for miracles. That is what this book is all about. Pastor and author, Don Wilton, explores the biblical basis for miracles in this profoundly important subject-a subject that went viral when he preached it from the pulpit. Wilton takes a close look at the example set by Jesus when He turned the water into wine. From this perspective he exposes

the reality of miracles and then applies that reality to the hearts and lives of all who need them. In so doing, Wilton demonstrates that miracles are those supernatural things that only God can do! The greatest miracle of all is that which God does for all who call on His name. Once changed through the miracle of salvation, every believer becomes eligible for the miraculous touch of a loving Heavenly Father-who, through His grace and mercy, brings His power to bear on all who seek im, according to His divine will. No one who reads this booklet will be left without a deep sense of renewed hope-a hope that is centered squarely in and through the Lord Jesus Christ. Every prayer for healing and of intercession for loved ones in desperate need of the Master's touch, will carry a new and profound trust in God's ability to do all that is well pleasing in His sight. And, once you read this, you will want to pass it on to others.

Essential reading for all those concerned about prayer for the church today! Though prayer is ‘ the Christian ’ s vital breath ’ (James Montgomery) it raises many questions: if God is in control of everything what ’ s the point of praying? How is prayer related to healing? What about ‘ unanswered ’ prayer? In this unusual book, Tom Holland uses a series of conversations between a pastor and members of his congregation to help us think through these and other questions in the light of biblical teaching.

A unique and validating look at the tension you feel between disillusionment and a desire for truth, Searching for Enough helps you see your doubt not as an emotion to fear but as an invitation to be followed. Do you ever find yourself thinking, "I'm not enough, and I'm never going to be. And I know I'm not supposed to say this, but God's not enough for me either." Whether or not we attend church, deep down we wonder if the biblical story of faith is

really enough for the complexity of the world in which we live. We fill our lives with other things, hoping that maybe the next experience or accomplishment will complete us. Yet with every goal we reach, we still feel discouraged and anxious. In Searching for Enough, Pastor Tyler Staton draws on ancient and modern insights to introduce us, as if for the first time, to Jesus' disciple Thomas: history's most notorious skeptic. Like Thomas, we are caught between two unsatisfying stories: We want to believe in God but can't reconcile his presence with our circumstances and internal struggles. But what if there's a better story than shame? What if there's redemption so complete that there's nothing left to hide? What if there is a God who can heal your resentments, fears, and loneliness in such a profound way that you feel whole? From a place of spiritual companionship and deep authenticity, Tyler shows us that it is not an empty tomb that will change our lives, but the presence of the living God. Whether you are a distant skeptic, an involved doubter, or a busy but bored Christian, Searching for Enough invites you to find enough in a God who offers the only promises that never disappoint.

Many of us long to see God move mightily in response to our prayers. We ’ ve heard of such stories. And some of us have experienced them. But how can we start a prayer ministry at our own church that is biblically based, responsible, and shows sensitive compassion for others? Praying with God ’ s power is not permission to “ get weird, ” launch into “ spooky prayers, ” or alienate the rest of the church. Walking in our authority in Christ can be done with established ministry protocols that enhance your own church culture. The Praying Church shows us how to build safe, sustainable, team-based ministries of prayer that deepen our trust in each other and ensure that God, alone, gets the glory. Salas shares accounts from his own journey of spiritual formation—from saying “ anemic ” prayers to declaring life-giving words of blessing and power, ushering him into a deeper intimacy with God that his heart has always longed for. The biblically solid approach in The Praying Church honors theologically conservative traditions while embracing individuals no matter where they are in their faith journey.

This is his journey to find that switch and turn it on ” .
