As Adam Philips says in his

introduction: 'it is the aim of

'The Penguin Freud Reader' not to

introduce people to psychoanalysis

as a therapy, which can only be

done by trying it out; nor to

provide a comprehensive selection

of Freud's writing, which would

merely reveal more about the

selector than the selected; nor to

take it for granted that a 'great

writer' is here on show, when

Freud himself had so much to tell

us and did so much to ironize our

wishes for greatness.
