In this prequel novella from Ward Larsen, Assassin's Dawn, we go where it all began . . . the origin of the perfect assassin! Recruited out of university, Slaton has excelled in training, and is proving highly effective in the operational world. The motivation behind his success is clear to those who know the truth: three years earlier, the two people he held dearest fell victim to a terror attack. The killer responsible, Ramzi Tayeb, has proved maddeningly elusive. Then a chance: a Mossad operation in Central Europe aims to steal information from Ramzi's brother, a terrorist financier who could lead to the shadowed extremist. Slaton takes the lead, but a mission to hack the man's laptop goes horribly wrong, and soon the police are investigating a murder. **Fly by Night** Macmillan

The definitive account of one of American history's most repellent and most fascinating moments, combining investigative journalism and sweeping social history "Years later, the tale of murder and revenge in Georgia still has the power to fascinate...Intense,

suspenseful." —The Washington Post Book World In 1913, 13-year-old Mary Phagan was found brutally murdered in the basement of the Atlanta pencil factory where she worked. The factory manager, a college-educated Jew named Leo Frank, was arrested, tried, and convicted in a trial that seized national headlines. When the governor commuted his death sentence, Frank was kidnapped and lynched by a group of prominent local citizens. Steve Oney's acclaimed account re-creates the entire story for the first time, from the police investigations to the gripping trial to the brutal lynching and its aftermath. Oney vividly renders Atlanta, a city enjoying newfound prosperity a half-century after the Civil War, but still rife with barely hidden prejudices and resentments. He introduces a Dickensian pageant of characters, including zealous policemen, intrepid reporters, Frank's martyred wife, and a fiery populist who manipulated local anger at Northern newspapers that pushed for Frank's exoneration.

For most of his life, John Creed never gave much thought to an afterlife. That all changed the day he died. He'd been clinically dead for ten minutes. At least, that's what the doctors told him when he woke up in intensive care. It had been a freak accident, they said. A school bus suddenly turned in front of his red convertible, smashing it to bits. By all odds, that should have been it. John's injuries had been grave. His heart had stopped and been restarted. He'd flatlined. His brain showed no signs of activity. Only sheer stubbornness kept the doctors from pulling the plug. Then, days later, he suddenly, mysteriously woke up - confused, in pain, but very much alive. At first, he didn't remember much of what had happened. But then, the dreams began ... The accident itself, in vivid, second-by-second detail. The face of the woman who had been driving the bus - a face twisted with pure hatred. The long hours in the trauma center, as he hovered over his own shattered body, watching the doctors desperately laboring to bring him back. And the light - a faint but steadily growing glow at the end of a swirling vortex. A brilliant incandescence filled with joy, love, peace that beckoned him closer... But there were other dreams as well... A frightened, heartbroken boy from a desperately troubled family running for his life. A pretty, red-haired woman whose life was crashing around her, tempted to end it all. An embittered, broken man whose heart smoldered with despair, hatred, and murderous rage. These lives were somehow intertwined with his own, in a way he did not fully understand. With the visions, John Creed received a remarkable gift. He could share the pain of other souls, take their suffering and transform it into peace. But this same gift also opened him to darker forces. Forces which could shift the balance between good and evil for ages to come.... Exciting, suspenseful, moving, and inspirational PARTING THE VEIL is a powerful testament to faith, hope, and the triumphant human spirit.
