investigating aircraft accidents.
When a small regional jet

In this prequel novella from Ward Larsen, *Assassin's Dawn*, we go where it all began . . . the origin of the perfect assassin! Recruited out of university, Slaton has excelled in training, and is proving highly effective

in the operational world. The motivation behind his success is clear to those who know the truth: three years earlier, the two people he held dearest fell victim to a terror attack. The killer responsible, Ramzi Tayeb, has proved maddeningly elusive. Then a chance: a Mossad operation in Central Europe aims to steal information from Ramzi's brother, a terrorist financier who could lead to the shadowed extremist. Slaton takes the lead, but a mission to hack the man's laptop goes horribly wrong, and soon the police are investigating a murder. Slaton is withdrawing his team to safety when new information arises. Ramzi himself may soon appear—a rare moment of vulnerability. "A high octane thrill ride!" - San Francisco Chronicle on Paranoia

Joseph Finder's New York Times bestseller Paranoia was hailed by critics as "jet-propelled," the "Page Turner of the Year," and "the archetype of the thriller in its contemporary form." Now Finder returns with Company Man - a heart-stopping thriller about ambition, betrayal, and the price of secrets. Nick Conover is the CEO of a major corporation, a local boy made good, and once the most admired man in a company town. But that was before the layoffs. life spirals out of control. At work, Nick begins to uncover a conspiracy against him, involving some of his closest colleagues. He doesn't know who he can trust - including the brilliant, troubled new woman in his life. Meanwhile, his actions are being probed by a homicide detective named Audrey Rhimes, a relentless investigator with a strong sense of morality - and her own, very personal reason for pursuing Nick Conover. With everything he cares about in the balance, Nick discovers strengths he never knew he had. His enemies don't realize how hard he'll fight to save his company.
