In the Perfume Collector, I  
found myself rolling my eyes a  
few times and the  
transparency of the story. (I  
had it completely figured it out  
very early on) I liked the story  
and found it to be a pleasant  
beach read, but it could have  
been a bit more complex to

I listened to this book and while I am not a fan of audio books I really enjoyed the narrator of this book as she really added greatly to the overall enjoyment of the story.
