From the winner of the Costa Children's Book Award 2018. Binny's life has been difficult since her father died and her dreadful old Aunt Violet disposed of her beloved dog, Max. Her world changed then, to a city flat with not enough space for her Mum, her big sister Clem and her small brother James. Definitely no room for a pet. Then one day Aunt Violet dies, leaving a small cottage in Cornwall to Binny and her family. Binny finds herself in a new world once more, full of sunshine and freedom and Gareth, the enemy-next-door and the ideal companion for dangerous dares. But Max is still lost in the past, and it seems impossible that she'll ever find him again...

Dear Jamshed, America is not so different from what we thought. I told you I wouldn't see a single cowboy riding across the plain, and I haven't. I have not even seen a plain. Still, there are some silver linings. They are: Trapper and King, the cat and dog who live in the apartment building. They are cuddly and waggy. I am not allowed to play with them, though, because they are supposed to catch mice and keep burglars away.

Eleven-year-old Otto wants a dog. His twelve-year-old perfect sister, Lexi, wants a cat. Their mother,

who works very long hours as a nurse, wants neither. Pets are expensive so who's going to pay for everything? And what happens to the pet when the siblings are at their dad's for the weekend? Otto has an idea. What if he got a job and earned enough money to pay for the dog? Then Lexi has to open her big mouth. She proposes that whichever sibling can raise enough money first will decide which pet they get. Oddly enough, their mom and dad agree. With Otto and Lexi each out to defeat the other, their business plans become more elaborate and involved. As the competition gets fiercer, the stakes get higher, and the battle lines have been drawn, so let the Pet War begin. ...

Thomas Wolfe is about a young man ' s burning desire to leave his small town and tumultuous family in search of a better life, in 1929. It is Wolfe's first novel, and is considered a highly autobiographical American coming-of-age story. The character of Eugene Gant is generally believed to be a depiction of Wolfe himself. The novel covers the span of time from Eugene's birth to the age of 19.

The setting is the fictional town and state of Altamont, Catawba, a

fictionalization of his home town, Asheville, North Carolina. Rich with lyrical prose and vivid characterizations, this twentieth-century American classic will capture the hearts and imaginations of every reader.

The Dog Who Thought He Was Santa Macmillan

It's another pitch-perfect middle-grade novel full of hilarious antics, a field trip gone wrong, and a fifth grade that just can't seem to behave from Allan Woodrow! The fifth graders of Liberty Falls Elementary might be the worst fifth graders ever, but they still get to go on a field trip! They're going to visit the Edward Minks Mansion to learn about the eccentric inventor and founder of their town. Legend has it, there are some undiscovered inventions hidden in the house. The students are eager to find them, and they convince Principal Klein to let them out of writing their essay on Minks if they do. But as Aaron, Eddie, Jessie, and Chloe explore the Minks

Mansion, it seems like something strange is going on. Like the adults are missing and someone might be stealing the inventions. But in order to save the inventions and their teachers, the kids might just have to pull some serious pranks to stop the bad guys. Even if it means risking a lifetime of detention. Can the fifth graders save their field trip and the mansion . . . or will this be the last field trip ever in school history?

In the series Chris Grabenstein called "hysterically hilarious," the saga about the evil werepenguins of Brugaria comes to a stunning, action-packed conclusion! When Bolt, Annika, and Blackburn are given another cryptic clue by Omneseus the Seer, they know the time has come to defeat the baddest Werepenguin, "the Stranger," and free the world's penguins from his evil reign. Only a very special tooth can

bring the Stranger down, but of course, procuring this precious item is no easy task, and it doesn't help that Bolt can't stop hearing the Stranger in his head, trying to coax him to the dark side. When Bolt stumbles into a weremole burrow and meets Grom, a human boy with a penguin birthmark who's desperate to be bitten, he starts to question whether a werepenguin can be anything but a terrible monster. Or if one born out of love might be the key to penguin salvation. As Bolt's werepenguin strengths grow more powerful, the ultimate war between good and evil looms closer. But no one can guess what's about to go down. And when an unexpected foe returns, the battle of the werepenguins IS ON.

Class Dismissed Penguin Student scientist Wilmer Dooley and his friends—and enemies—are back with another hilarious mystery to solve in this zany, action-

packed sequel to *The Contagious Colors of Mumble Middle School*. Wilmer Dooley can't wait to be a seventh grader. But first, he really can't wait for the 45th Annual State Science Fair and Consortium. It will be a blissful summer weekend spent hanging out with Ernie and impressing Roxie with his dazzling project on bacteria. But Wilmer's dreams come crashing down when he arrives at the dilapidated Sac à Puces Palladium, Lodge, and Resort-Like Hotel. First, his old biology teacher, Mrs. Padgett, is a chaperone—and she absolutely despises Wilmer. Next he learns that the fair's final activity involves being stranded in the dark woods and trying not to get eaten by bears. And worst of all, his arch nemesis, Claudius, is there—and he's brought along his equally

rotten cousin Vlad. Wilmer quickly begins to suspect that the two are planning something horribly sinister. But as he grows more and more concerned, the other kids begin behaving more and more strangely...almost as if they're being brainwashed. And when Wilmer discovers the diabolical scheme that's afoot, it's even more terrible than he had imagined—and he may be too late to stop it.

Now a Disney Channel Original Movie, Megan Shull's smart and funny twist on Freaky Friday is perfect for fans of Wendy Mass, Jerry Spinelli, and Jon Scieszka! This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. With one random wish, Jack and Ellie are living life in each other's shoes. He's her. And she's him. ELLIE assumed popular guys didn't worry about body image, being perfect, or talking to girls, but acting like you're cool with everything is tougher than it looks. JACK thought girls had it easy—no fights with bullies, no demanding dads, no power plays—but facing mean girls at sleepovers and getting grilled about your period is way harder than taking a hit to the face at sports practice. Now they're dealing with each other's middle school dramas—locker room teasing, cliques, video game battles, bra shopping, and a slew of hilariously awkward moments—until they hopefully

switch back! Told in both Jack's and Ellie's voices, *The Swap* offers a fresh and honest take on tween friendship, all while exploring more serious themes of family, loss, empathy, and what it really means to be yourself. And as Jon Scieszka says, it's "seriously, truly, fearlessly funny!"

Allan Woodrow is back with another pitch-perfect middle-grade novel full of hilarious antics, epic arguments, and a fifth grade that just doesn't get along! This year's fifth graders are the worst Principal Klein has ever seen. But he's hoping that Spirit Week can teach them teamwork, with a top secret prize for the winning team as incentive. Best friends George and Lilly have been looking forward to Spirit Week all year. They might be complete opposites, but they can't wait to be on the winning team together. When their classes

end up rivals, with Lilly leading Team Red and George leading Team Blue, the friends swear they can compete and remain best friends. But suddenly there are slimed lockers, sabotaged costumes, and class pets held hostage. As the mischief escalates, it threatens everything, including the prize. Because if Principal Klein finds out, Spirit Week will be canceled and the students will spend the rest of the year in detention. Can George and Lilly find a way to fix their friendship and get the entire fifth grade to play fair, or is the most awesome week of fifth grade about to make this the worst school year ever?
