The Piaras Legacy by Scott Gamboe. Long ago, so the legends say, the Necromancer Volnor invaded the continent of Pelacia. His legions of undead soldiers ravaged the land unchecked, until the three nations united and pushed their evil foes back into the Desert of Malator. But that was centuries ago, and few people still believe the tale.

The Killing Frost (science fiction, 2006), The Piaras Legacy (epic fantasy, 2008), and New Dawn Rising (sequel to Frost, 2009) were all released by Medallion Press. He also has two self-published ebooks. Martyr's Inferno, a police thriller, was released in 2010, while Archon's Gate was released in 2012 as a sequel to The Piaras Legacy.
The Piaras Legacy
The Piaras Legacy is a great fantasy novel that truly has all aspects of a great read. I love reading series (because it makes me feel like I have more time with the characters), however I was very pleased that this story was in one novel.
