A Graphic Novel Capstone
Flamboyant and controversial, Oscar Wilde was a dazzling personality, a master of wit, and a dramatic genius whose sparkling comedies contain some of the most brilliant dialogue ever written for the English stage. Here in one volume are his immensely popular novel, *The Picture of Dorian Gray*; his last literary work, “The

Ballad of Reading Gaol, ” a product of his own prison experience; and four complete plays: *Lady Windermere ’ s Fan*, his first dramatic success, *An Ideal Husband*, which pokes fun at conventional morality, *The Importance of Being Earnest*, his finest comedy, and *Salom é* , a portrait of uncontrollable love originally written in French and faithfully translated by Richard Ellmann. Every selection appears in its entirety – a marvelous collection of outstanding works by the incomparable Oscar Wilde, who ’ s been aptly called “ a lord of language ” by Max Beerbohm.

The Picture of Dorian Gray BEYOND BOOKS HUB

"First published in 1890 in Lippincott's

Monthly Magazine, *The Picture of Dorian Gray* was released as a revised book in 1891. This Norton Critical Edition includes both the 1890 and 1891 editions. As a work of fiction, the novel is an exploration of artistic hedonism, inspiration, and intensity. This edition allows readers to compare the two texts of *Dorian Gray* and better understand the book's contemporary reception, debate, and criticism. "Backgrounds" allows readers to consider the correspondence between Oscar Wilde and his critics, and the heated public debate over art and morality that the novel engendered. "Criticism" includes essays on the aesthetics, modernity, characters, and subplots within the novel--and demonstrates the changing interpretations of the novel over time. A Chronology and Selected Bibliography are also included"--

A Book that Will Make You Reflect
on More Than One Issue

HarperCollins UK

"The Picture of Dorian Gray" tells the story of a young Englishman, Dorian Gray, who is very attractive and innocent. The young Dorian becomes the preferred model of a painter, Basil Hallward, and in this context begins the story and his legend. While posing for Basil, Dorian meets Lord Henry Wotton, a very ironic being, who will decisively influence his life. Henry is a cynical hedonistic aristocrat very typical of his time who seduces Dorian into his vision of the world where the only objective is the search for beauty and pleasure. Once Basil Hallward has completed his masterpiece of the integral body of Dorian Gray, the story evolves with more interest. Dorian is so amazed by the painting that he makes a wish. Dorian wanted to remain eternally young being the mark who would age for him, and his desire was so deep that he was willing to give his soul as a bargaining chip. The devil did not appear to fix the contract but his wish was equally granted. This

vision of Dorian ended up leading him to commit the most horrible acts. There were not a few who succumbed directly or indirectly for him. Only when he had a cruel attitude did small changes in his image take place and you see what really happens. With each sin, the portrait became more and more disfigured beyond recognition. Then you will make a difficult decision that will change your life forever.

Oscar Wilde's The Picture of Dorian Gray Crown Wrote Oscar Wilde of his novel it contains much of me in it. Basil Hallward is what I think I am: Lord Henry what the world thinks me: Dorian what I would like to be - in other ages perhaps.

The Picture of Dorian Gray Macmillan Reference USA

devastating accident that occurred while vacationing in Ireland and its painful aftermath--that he left unfinished at the time of his tragic 2004 suicide. 30,000 first printing. Investigating the Limits of Knowledge in the Victorian Age Penguin

This celebrated masterpiece is Oscar Wilde ' s only novel. A mesmerizing tale of horror and suspense, it has endured due to its artful prose and the philosophical questions it raises, as well as the scandal it caused upon its initial publication in 1890. Written in his distinctively dazzling manner and combining aspects of a Gothic horror novel and decadent French fiction, Wilde forges a devastating account of the effects of evil and depravity on a fashionable young man in late 19th century England who sells his soul in exchange for eternal youth and beauty. A concept that Wilde derived from the German legend of Faust, Gray is the subject of a portrait by painter Basil Hallward who deems his subject ' s beauty to be inconceivably great. Rather than having to age himself, an egotistical Dorian wishes for the painting to age instead of him so that he can retain his youthful good looks. Gray plunges into a life of vice and debauchery with its sole aim being pleasure. His body retains perfect youth and vigor while the portrait changes day by day into a ghastly chronicle of evil, documenting each of his sins with its appearance, which he must keep hidden from the world. This spellbinding novel tale that warns its readers of the dangers that come with narcissism, self-indulgence, and ignorance still ranks as one of

Wilde's most important works. Of Gray ' s relationship to him, Wilde noted " Basil Hallward is what I think I am: Lord Henry what the world thinks me: Dorian what I would like to be—in other ages, perhaps. "

The Picture of Dorian Gray Vintage

The Picture of Dorian Gray is a Gothic and philosophical novel by Oscar Wilde, first published complete in the July 1890 issue of Lippincott's Monthly Magazine. Fearing the story was indecent, the magazine's editor deleted roughly five hundred words before publication without Wilde's knowledge. Despite that censorship, The Picture of Dorian Gray offended the moral sensibilities of British book reviewers, some of whom said that Oscar Wilde merited prosecution for violating the laws guarding public morality. In response, Wilde aggressively defended his novel and art in correspondence with the British press, although he personally made excisions of some of the most controversial material when revising and lengthening the story for book publication the following year. The longer and revised version of The Picture of Dorian Gray published in book form in 1891 featured an aphoristic preface a defence of the artist's rights and of art for art's sake based in part on his press defences of the novel the previous year. The content, style, and presentation of the preface made it famous in its own right, as a literary and artistic manifesto. In April 1891, the publishing firm of Ward, Lock and Company, who had distributed the shorter, more inflammatory, magazine version in England the previous year, published the revised version of The

Picture of Dorian Gray. The Picture of Dorian Gray is the only novel written by Wilde. It exists in several versions: the 1890 magazine edition (in 13 chapters), with important material deleted before publication by the magazine's editor, J. M. Stoddart; the "uncensored" version submitted to Lippincott's Monthly Magazine for publication (also in 13 chapters), with all of Wilde's original material intact, first published in 2011 by Harvard University Press; and the 1891 book edition (in 20 chapters). As literature of the 19th century, The Picture of Dorian Gray "pivots on a gothic plot device" with strong themes interpreted from Faust. -EXTENDED CONTENT

Book Introduction Book Plot Summary Book Literary Significance

Wuthering Heights Cambridge University Press

A handsome dissolute man who sells his soul for eternal youth is horrified to see the reflection of his degeneration in the distorted features of his portrait, in a text that is in graphic novel format.

De Boeck Secundair onderwijs

Oscar Wilde's story of a fashionable young man who
sells his soul for eternal youth and beauty is one of his
most popular works. Written in Wilde's
characteristically dazzling manner, full of stinging
epigrams and shrewd observations, the tale of Dorian
Gray's moral disintegration caused something of a
scandal when it first appeared in 1890. Wilde was
attacked for his decadence and corrupting influence,
and a few years later the book and the
aesthetic/moral dilemma it presented became issues
in the trials occasioned by Wilde's homosexual
liaisons, trials that resulted in his imprisonment. Of
the book's value as autobiography, Wilde noted in a
letter, "Basil Hallward is what I think I am: Lord
Henry what the world thinks me: Dorian what I
would like to be--in other ages, perhaps."

Dorian Bantam Classics

Over 120 years after Oscar Wilde submitted The
Picture of Dorian Gray for publication, the
uncensored version of his novel appears here for the
first time in a paperback edition. This volume

restores material, including instances of graphic
homosexual content, removed by the novel's first
editor, who feared it would be "offensive" to
Victorians.

The Turn of the Screw, and Other Short
Novels Tor Classics

The novel tells of a young man named
Dorian Gray, the subject of a painting by
artist Basil Hallward. Basil is impressed by
Dorian's beauty and becomes infatuated with
him, believing his beauty is responsible for a
new mode in his art. Dorian meets Lord
Henry Wotton, a friend of Basil's, and
becomes enthralled by Lord Henry's world
view. Espousing a new hedonism, Lord
Henry suggests the only things worth
pursuing in life are beauty and fulfilment of
the senses. Realizing that one day his beauty
will fade, Dorian (whimsically) expresses a

desire to sell his soul to ensure the portrait
Basil has painted would age rather than he.
Dorian's wish is fulfilled, and when he
subsequently pursues a life of debauchery, the
portrait serves as a reminder of the effect each
act has upon his soul, with each sin displayed
as a disfigurement of his form, or through a
sign of aging.
