For the first time in history, a Pleiadian group has invited a human couple to join an interplanetary team to assist in human evolution. Laarkmaa is a loving group of Pleiadians who are dedicated to the

evolution of humanity. Cullen Baird Smith and Pia Smith Orleane, acting as Ambassadors to the Pleiadians, bring Laarkmaa ' s inspiring and heartwarming messages of hope, love, and peace to all who are willing to listen. Smith and Orleane share Laarkmaa ' s wisdom from public gatherings and recorded conversations about the illusion of time, the future of technology, our innate ability to heal ourselves, and information about who is here to guide us through these auspicious times. These conversations bring revelatory insights about human emotions, telepathic communication, and our own divinity. The Pleiadians tell us that we have a choice in changing the course of our own evolution. Will we make the right choice? “ A riveting journey into the depths of the human soul with an encouraging message that there is still hope for humans, if we choose to act wisely and listen to the voice of love. ” Cheryl Fracasso, Association for Humanistic Psychology “ This is one of the most thought provoking books I ' ve read in years. It presents powerful insights and observations of our situation on earth, and practical information about how to move toward a brighter future for humanity. I can ' t wait to see what ' s in their next book. ” Kent Noonan, President, En-Lightened Science for Conscious Living “ This is a remarkable account of what some psychologists call an exceptional human experience. The

messages are articulate, provocative, and hopeful. Readers may agree or disagree with the authors' perspective, but they will never get bored while reading this book. ” Stanley Krippner, Ph.D., Author, *Mysterious Minds: The Neurobiology of Psychics, Mediums, and Other Extraordinary People*

Chiron Simon and Schuster
Revised and updated edition of the classic astrology text on predicting and navigating life crises • Provides charts for the transits of Saturn, Uranus, and Chiron--now updated through 2050--to predict your personal growth cycles and timing of kundalini rising • Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages • Includes a new preface by the author reflecting on 20 years of success stories since the book's initial publication • No astrological

chart needed to use this book In this updated edition of *Liquid Light of Sex*, renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s, 40s, and 50s and the key astrological passages of Saturn, Uranus, and Chiron in your birth chart. She explains how kundalini energy--the “ liquid light of sex ” that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth chart to use this book. She explains how to use the charts to

predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.

The Pleiadian

Agenda Randolph Winters

A belief in the Pleiadians isn't new and it's far from fantasy. It's embedded in our global spiritual history. From Asia to Africa to Europe, and from Polynesia to the Americas, people

have always placed great importance on the Pleiades. In fact, they've venerated them. That may seem strange, since the Pleiades are a relatively small (but bright) cluster in the night sky. However, within many centuries of ancient beliefs and practices, there's a thread that connects the Pleiades with superior, even godlike beings. By studying that history, we see that the Pleiadians have been with us since earliest times. But how did we lose sight of this important

information? Was it deliberately hidden from us, or simply ?lost? as technology replaced cultural traditions? This book is the first of its kind, providing serious researchers with reliable, academic and time-honored information about the early, documented history of the Pleiades and the Pleiadians. This ?lost? and hidden history has now been placed before you in black and white. It?s there for truly perceptive people -- like you -- to understand. In the pages of this book,

you?ll find a new understanding of the Pleiadians and how they?ve been part of our spirituality since the beginning of recorded time. Page by page, from Asian lore to Druid practices to signs left in Egypt?s pyramids, you?ll follow the path that points directly to the Pleiades. It?s an exciting journey that begins with this book.

The Seven Sisters of the Pleiades Simon and Schuster

- Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to

overcome the collective fear they have instilled in us. • The long-awaited follow-up that continues the revelations begun in The Pleiadian Agenda, which has sold more than 60,000 copies. Explains why, contrary to many prophets of doom, we are actually on the cusp of an era of incredible creative growth. The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the "mythic" catastrophes of history--the fall of Atlantis, the Biblical Flood--were actual events. In

Catastrophobia Barbara Hand Clow shows that a series of cataclysmic disasters, caused by a massive disturbance in the Earth's crust 11,500 years ago, rocked the world and left humanity's collective psyche permanently scarred. We are a wounded species, and this unprocessed fear, passed from generation to generation, is responsible for our constant expectations of apocalypse, from Y2K to the famed end of the Mayan calendar in 2012. Catastrophobia reveals the insidious global forces that have used these collective fears to control humanity for

Revelations of the Aquarian Age

Hampton Roads Publishing
Bestselling author Barbara Hand Clow shows how the Mayan

Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution • Unearths the meaning behind the calendar, its message for modern civilization, and what will happen when the calendar ends • Reveals how time acceleration is a manifestation of the acceleration of consciousness • By the author of The Pleiadian Agenda The Mayan Code is a deep exploration of how, as we approach the end of the Mayan Calendar, time and consciousness are accelerating, giving us a new

understanding of the universe. Using Carl Johan Calleman's research, as well as the ideas of other Mayan Calendar scholars, Barbara Hand Clow examines 16.4 billion years of evolution to decode the creative patterns of Earth--the World Mind. These great patterns culminate in 2011, and then during 2012 major astrological influences will inspire us to attain oneness and enlightenment. The Mayan Code shows how the time cycles of the Calendar match important

periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we experience as time speeding up. Barbara Hand Clow counsels that our own personal

healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.

Astrology and the
Rising of Kundalini

Simon and Schuster
With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for

survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from

one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

Pleiadian Prophecy

2020 Balboa Press

Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions

throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for "research"

• Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government •

Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten

shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S.

government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by

the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic biotechnology and teleportation abilities--as well as what we need to do to defeat their plans. Revelations of the Ruby Crystal Simon and Schuster

From the bestselling author of The Pleiadian Agenda (98,000 copies sold) and The Mayan Code (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando

Pierleoni reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When

Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

Bear

This is a revised and expanded edition of Barbara and Gerry Clow's classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival.
