From the author's abstract:
"In her novel The
Poisonwood Bible Barbara
Kingsolver uses the story of
a white Baptist missionary
family that has followed the
minister father of the family,
Nathan Price, to the African
Congo in order to convert
the native people. Issues of
oppression and
subordination on a national,
international and individual
level are explored. This
culminating project will
explore Virginia Woolf's idea
of a woman's sentence
interpreted as a period of

time served as in a jail
sentence and the use of
women's culture as
described by Gerda Lerner
as a tool for ending women's
oppression. Both of these
ideas will be illustrated
through an analysis of
Barbara Kingsolver's [sic]
The Poisonwood Bible
focusing of the mother of the
family, the character
Orleanna Price, and her
experiences both in the U.S.
before they went to Africa
and her gradual awakening
through her suffering and
survival during her time in
Africa."

Available for the first time in mass-market, this edition of Barbara Kingsolver's bestselling novel, *The Bean Trees*, will be in stores everywhere in September. It is summer in the Appalachian mountains and love, desire and attraction are in the air. From her outpost in an isolated mountain cabin, Deanna Wolfe, a reclusive wildlife biologist, watches a den of coyotes. She is caught off guard by a young hunter who invades her most private spaces and interrupts her solitary life. On a farm several miles down the mountain, Lusa Maluf Landowski, a bookish city girl turned farmer's wife, finds herself marooned in a strange place where she must declare or lose her attachment to the land that has become her own. And a few more miles down the road, a pair of elderly feuding neighbours tend their respective farms and wrangle about God, pesticides, and the possibilities of a future neither of them expected. Over the

course of one humid summer, these characters find their connections of love to one another and to the surrounding nature with which they share a place. With its strong balance of narrative and drama, *Prodigal Summer* stands alongside *The Poisonwood Bible* and *The Lacuna* as one of Barbara Kingsolver's finest works. [Barbara Kingsolver's The Poisonwood Bible](#) Faber & Faber In twenty-two wonderfully articulate essays, Barbara Kingsolver raises her voice in praise of nature, family, literature, and the joys of everyday life while examining the genesis of war, violence, and poverty in our world. From the author of *High Tide in Tucson*, comes *Small Wonder*, a new collection of essays that begins with a parable gleaned from recent news: villagers search for a missing infant boy and find him, unharmed,

in the cave of a dangerous bear that has mothered him like one of her own. Clearly, our understanding of evil needs to be revised. What we fear most can save us. From this tale, Barbara Kingsolver goes on to consider the chasm between the privileged and the poor, which she sees as the root cause of violence and war in our time. She writes about her attachment to the land, to nature and wilderness, trees and mountains-the place from which she tells her stories. Whether worrying about the dangers of genetically engineered food crops, or creating opportunities for children to feel useful and competent - like growing food for the family 's table - Kingsolver looks for small wonders, where they grow, and celebrates them. The Poisonwood Bible - Downloadable Multiple Critical Perspectives Harper Collins

Coconut trees. Carnival. Rum and coke. To many outsiders, these and other sunny images are all they know about life in the Caribbean. However, if you want to learn how the locals truly live and experience the dark and often harrowing truths that lurk behind the idyllic imagery of Caribbean culture, then come visit the town of Pleasantview. Come during election season, and see how one candidate sets out to

slaughter endangered turtles - just for fun. Or come on the day the other candidate beats his "outside-woman," so badly she ends up losing their baby. Then come on the night of the political rally, where this grieving woman exacts a very public revenge. Stay a while, and see how this single event has a trajectory far beyond the lives of the immediate actors, with often tragic and heartbreaking consequences. Written in a remarkable combination of Standard English and Trinidad Creole, *Pleasantview* showcases the entrenched political, racial, and class dichotomies of life in Trinidad: the generosity (yet cruelty) of the average Trini; the sense of optimism (and yet, despair) which permeates everyday interaction; and the musicality of Caribbean creole (kriol) expression that masks an ingrained and frequently violent patriarchy. Merging the vibrancy and darkness of recent Caribbean writers such as Ingrid Persaud and Claire Adam with the linguistic experimentation of Marlon James's *A Brief History of Seven Killings*. *Pleasantview* is a landmark work in international fiction.
