Christian Anarchism MennoMedia, Inc.

Originally published in 1984, this extraordinary work has until now been available only in an expensive library edition. The present edition has been completely updated and redesigned, and includes an extended new introduction by Marcus Borg that relates the book's central arguments to subsequent Jesus scholarship. A foreword by N.T. Wright characterizes the book as one of the foundational works in the "third quest" for the historical Jesus. In the book, Marcus Borg argues that conflict between a politics of holiness and a politics of compassion, and their implications for Israel, resides at the center of Jesus' activity

and teaching. He emphasizes several features that have since become central to Jesus scholarship: the importance of Jesus' inclusive meal practice, a non-apocalyptic paradigm for understanding Jesus, and Jesus as a social prophet and boundary-breaker. Marcus J. Borg is Hundere Distinguished Professor of Religion and Culture in the Philosophy Department at Oregon State University. He is the author of nine books, including *Jesus in Contemporary Scholarship*, also published by Trinity Press. *The Political Teachings of Jesus* Wipf and Stock Publishers

Christian anarchism has been around for at least as long as "secular" anarchism. Leo Tolstoy is its most famous proponent, but there are many others, such as Jacques Ellul, Vernard Eller, Dave Andrews or the people associated with the Catholic Worker movement. They offer a compelling critique of the state, the church and the economy based on the New Testament.

The Politics of Jesus Wipf and Stock Publishers
Was Jesus dangerous to the Roman Empire? Reading the Gospel of Luke in the light of Roman-ruled Palestine, Richard J. Cassidy

demonstrates that Jesus was a powerful threat to both the political and social structures of his time.

Understanding the Politics of Jesus Cambridge University Press
Taking its cue from Mark Nation's regret that John Howard Yoder refrained from a fuller engagement with the Western philosophical tradition, this book is an effort to explore the possibilities inherent in that conversation. It develops a dialogue between Yoder and the French philosopher Emmanuel Levinas. The placement of Yoder's work alongside of Levinas' conception of otherness cashes out the embedded hope in Nation's remarks by demonstrating the continuing relevancy of Yoder's thought for current Christian sociopolitical discourse. This book is especially aimed at those who seek to continue exploring the themes and ideas of John Howard Yoder.

Jesus and Politics Wm. B. Eerdmans Publishing
In Christ and the Common Life Luke Bretherton
provides an introduction to historical and contemporary theological reflection on politics and opens up a compelling vision for a Christian commitment to democracy. In dialogue with Scripture and various traditions, Bretherton examines the dynamic relationship between who we are in relation to God and who we are as moral and political animals. He addresses fundamental political questions about poverty and injustice, forming a common life with strangers, and handling power constructively. And through his analysis of debates concerning, among other things, race, class, economics, the environment, and interfaith relations, he develops an innovative political theology of democracy as a way

through which Christians can speak and act faithfully within our current context. Read as a whole, or as stand-alone chapters, the book guides readers through the political landscape and identifies the primary vocabulary, ideas, and schools of thought that shape Christian reflection on politics in the West. Ideal for the classroom, *Christ and the Common Life* equips students to understand politics and its positive and negative role in fostering neighbor love.

[Reading Backwards](#) Bloomsbury Publishing

"A must-read and indispensable guide for those concerned with the bread-and-butter issues of church-and-state relations. . . ." - Peter C. Phan

"The breadth of historical development, the depth of theological and ethical analysis, and the clarity of thought and expression by Kenneth Himes make Christianity and the Political Order an excellent textbook." - Charles Curran

Beyond electoral campaigns and government structures, the relationship between the political realm and Christianity has always involved the important questions of how we ought to live together, and how we should organize and govern our common life. As the author notes, politics—and the political

choices we make—must be "guided by considerations of national and global justice and peace and, for Christians, by the teachings of Jesus," as interpreted by tradition. Himes examines the relationship between Christianity and politics from the teachings of the Old and New Testaments through the patristic and medieval eras, and from the age of reform to the age of revolution, and throughout the twentieth century into the third millennium. He takes on questions of the role of the church in politics, responsible voting, concerns of globalization, and issues of human rights and war and peace.

With discussion questions and suggestions for further reading, *Christianity and the Political Order* is a timely and compelling review of the relationship between Christian faith and the political realm both past and present in a classroom-friendly text.

Discipleship on the Edge Bloomsbury Publishing USA

In a world marked by relativism, individualism, pluralism, and the transition from a modern to a postmodern worldview, evangelical Christians must find ways to re-present the historic faith. In his provocative new work, *Ancient-Future Faith*, Robert E. Webber contends that present-day evangelicalism is a product of modernity. Allegiance to modernity, he argues, must be relinquished to free evangelicals to become more consistently historic. Empowerment to function in our changing culture

will be found by adapting the classical tradition to our postmodern time. Webber demonstrates the implications in the key areas of church, worship, spirituality, evangelism, nurture, and mission. Webber writes, *The fundamental concern of Ancient-Future Faith is to find points of contact between classical Christianity and postmodern thought. Classical Christianity was shaped in a pagan and relativistic society much like our own. Classical Christianity was not an accommodation to paganism but an alternative practice of life. Christians in a postmodern world will succeed, not by watering down the faith, but by being a counter cultural community that invites people to be shaped by the story of Israel and Jesus. A substantial appendix explores the development of authority in the early church, an important issue for evangelicals in a society that shares many features with the Roman world of early Christians. Students, professors, pastors, and laypeople concerned with the church's effective response to a postmodern world will benefit from this paradigmatic volume. Informative tables and extensive bibliographies enhance the book's educational value.* - Amazon.

The Politics of Jesus Charisma Media

The ambitious and accessible essays collected in this volume were presented by John Howard Yoder during an extensive visit to South America in 1966. Reflecting and also subverting the acknowledged "faddish" attempt to address the revolutionary nature

of Christianity, these lectures provide an illuminating snapshot of Yoder's vibrant initial encounter with Latin American Christianity. In these lectures, he thematically addresses the shape of the free church, the Christian practice of peace, and the place of the church in the midst of revolution. In a manner that betrays his confidence in the eventual triumph of faithfulness, Yoder concludes that the peace-witnessing free church is, by definition, always the community that is the soul and conscience of our revolutionary age.

Choose You This Day, Second Edition Three Leaves

Written simply and directly—but without sacrificing intellectual depth—this widely acclaimed text explores the preeminent theorists of Western political thought from the pre-Socratics to the contemporary era. The author provides an in-depth analysis of a limited number of major thinkers, which allows for a richly detailed examination of each philosopher in historical context. *Western Political Thought, Second Edition*, presents the fundamental terms, ideas, and dilemmas of Western political philosophy in a straightforward, easy-to-understand manner. It organizes the theorists historically, explains

basic concepts in depth, and draws out and analyzes the implications of various political theories. Moreover, this cohesive volume employs an overarching theme, examining each thinker in terms of the changing relationships of ethics and politics in Western political philosophy.

The Politics of Jesus Cascade Books

Bold, faithful, challenging – this volume uncovers the social and political implications of the gospel message by looking at Anabaptist theology and practice from a female perspective. The contributors approach the gospel from a wide range of disciplines and backgrounds, liberating the radical political ethic of Jesus Christ from patriarchal distortions and demonstrating that gender justice and peace theology are inseparable. Beautifully illustrated with pen drawings, *Liberating the Politics of Jesus* recognizes the authority of women to interpret and reconstruct the peace church tradition on issues such as subordination, suffering, atonement, the nature of church, leadership, and discipleship. The contributors confront difficult topics head-on, such as the power structures in South Africa, armed conflict in Colombia, and the sexual violence of John Howard Yoder. The result is a renewed Anabaptist peace theology with the potential to transform the work of theology and ministry in all Christian traditions.

Kenotic Politics Canongate Books

Using the text of the New Testament, this engaging study critically examines the traditional portrait of Jesus as an apolitical figure and clarifies the true impact of Jesus' life, work, and teachings on his disciples' social behavior. This second edition is updated and expanded. Copyright © Libri GmbH. All rights reserved.

Christianity and the Political Order Regent College Publishing

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave *The Political Aims of Jesus* Family Christian Press

Understanding the Politics of Jesus is a unique, mind-searching collection of audacious thoughts and a synopsis of the author's vision of the good, the beautiful and sublime society. Based on the Sociological Imagination, the sermons share some salient ingredients for building humane, enabling, inclusive and progressive societies in which people will feel proud to be born, to grow, to work, to retire

and to die. Christians and nonbelievers, clergy of all denominations, politicians, civil society leaders and actors, educators, development professionals and students of society will find in this book an inspirational reader on how to energize participation and engage involvement in personal development as well as promote good values and morality in the youth and adults alike and enhance ownership and sustainability in community development.

The Political and Social Significance of the Life and Teachings of Jesus Baker Academic
Portrays Jesus as a political revolutionary and examines the ways in which his political principles and strategies can be applied today.

The Politics of Jesus Wm. B. Eerdmans Publishing
The American church is in crisis. The crisis is not caused by the politics of Trumpism, though that is the occasion for it. The crisis is evoked by the great challenge which every generation faces: to follow Jesus Christ in the way of discipleship. The word of God's promise sets before American Christians a simple but dramatic choice in the face of the toxic politics of Trumpism. Yes, or no? Each must choose, and the gospel itself is at stake. *Jesus and the Politics of His Day* Wipf and Stock Publishers

"Of very few people can it be legitimately said that their work fundamentally reconfigured the landscape of two theological disciplines. But if there is anyone in recent memory who would

be worthy of such an accolade, it is John Howard Yoder. The two disciplines are, of course, theological ethics and biblical studies--though Yoder would cringe at their separation, and his work was both explicitly and implicitly a prolonged exercise in maintaining their indissoluble union. For him, to hear the word rightly was to do the word publicly. . . . [Yoder] guides us toward a truly ecclesial yet missional reading of Scripture, with a profoundly Anabaptist yet ecumenical and catholic spirit, in historically astute and literarily sensitive ways that are nonetheless "straightforward" and pastoral. Or, as he would himself say, he guides us toward a reading of Scripture that proceeds from and focuses on Jesus: *Vicit Agnus Noster, Eum Sequamur*; 'Our Lamb has conquered; let us follow him.'" --from the foreword by Michael J. Gorman

Jesus and the Politics of His Day Moody Publishers

Whether or not Jesus was involved with the Zealot movement of armed resistance to Rome is the provocative question this collection attempts to answer. Twenty-six articles concentrate on four areas: methodology, the historical situation, New Testament exegesis, and the trials of Jesus before the Sanhedrin and Pilate.

The Gospel According to Mark Fortress Press

In *Jesus and the Politics of Roman Palestine*, Richard A. Horsley offers one of the most comprehensive critical analyses of Jesus of Nazareth's mission and how he became a significant historical figure. Horsley brings a fuller historical knowledge of the context and implications of recent research to bear on the investigation of the historical Jesus. Breaking with the standard focus on isolated individual sayings of Jesus, Horsley argues that the sources for Jesus in historical interaction are the Gospels and the speeches of Jesus that they include, read critically in their historical context. This work challenges the standard assumptions that the historical Jesus has been presented primarily as a sage or apocalyptic visionary. In contrast, based on a critical reconsideration of the Gospels and contemporary sources for Roman imperial rule in Judea and Galilee, Horsley argues that Jesus was fully involved in the conflicted politics of ancient Palestine. Learning from anthropological studies of the more subtle forms of peasant politics, Horsley discerns from these sources how Jesus, as a Moses- and Elijah-like prophet, generated a movement of renewal in Israel that was focused on village communities. This paperback edition is updated with a new preface, bibliography, and indexes.

The Desire of the Nations Zondervan

The American church is in crisis. The crisis is not caused by the politics of Trumpism, though that is the occasion for it. The crisis is evoked by the great challenge which every generation faces: to follow Jesus Christ in the way of discipleship. The word of God's promise sets before American Christians a simple but dramatic choice in the face of the toxic politics of Trumpism. Yes, or no? Each must choose, and the gospel itself is at stake.

Ancient-Future Faith Andrews UK Limited

Christians love to talk about politics, but the current conversation is full of contentious words that divide our churches and families. Dr. Tony Evans takes a step back to find foundational Bible principles for integrating politics into our daily lives. He challenges readers to incorporate all of Scripture when addressing divisive issues, forcing us to look at political issues we've neglected. Learn to speak with grace when you disagree with family and friends. Maintain your political affiliations without causing divisions in your church. Take sides on moral issues while demonstrating the compassion and love of Jesus Christ. Kingdom Politics offers a biblical path through one of the most divisive issues of our time.
