#1 NEW YORK TIMES BESTSELLER

Everyone's favorite Idiot Girl, Laurie Notaro, is just trying to find the right fit, whether it's in the adorable blouse that looks charming on the mannequin but leaves her in a literal bind or in her neighborhood after she's shamefully exposed at a holiday party by

delivering a low-quality rendition of “Jingle Bells.” Notaro makes misstep after riotous misstep as she shares tales of marriage and family, including stories about the dog-bark translator that deciphers Notaro’s and her husband’s own “woofs” a little too accurately, the emails from her mother with “FWD” in the subject line ( “which in email code means Forecasting World Destruction” ), and the dead-of-night shopping sprees and Devil Dog – devouring monkeyshines of a creature known as “Ambien Laurie.” At every turn, Notaro’s pluck and irresistible candor set the New York Times bestselling author on a journey that’s laugh-out-loud funny and utterly unforgettable.

### **Mom Rules** Oxford University Press

“One of the finest writers of the new nonfiction” (Harper’s Bazaar) explores the role of art in our tumultuous modern era. In this remarkable, inspiring collection of essays, acclaimed writer and critic Olivia Laing makes a brilliant case for why art matters, especially in the turbulent political weather of the twenty-first century. Funny Weather brings together a career’s worth of Laing’s writing about art and culture, examining their role in our political and emotional lives. She profiles Jean-Michel Basquiat and Georgia O’Keeffe, reads Maggie Nelson and Sally Rooney, writes love letters to David Bowie and Freddie Mercury, and explores loneliness and technology, women and alcohol, sex and the body. With characteristic originality and compassion, she celebrates art as a force of resistance and repair, an antidote to a frightening political time. We’re often told that art can’t change anything. Laing argues that it can. Art changes how we see the

world. It makes plain inequalities and it offers fertile new ways of living.

Finally...a fun, easy-to-use guide to potty training any child in just ONE DAY Just think, from the time babies are born until they are toilet trained, they use an average of 4,000 diapers! Potty Train Your Child in Just One Day is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to:

- Look for the signs that your child is ready to be potty trained
- Make the potty connection by using a potty-training doll
- Create incentive through consistent positive reinforcement
- Use charts, quizzes, and checklists to help with every

step of potty training

- Know when it's time to bring in a potty pinch hitter
- Complete your potty training -- no more accidents

Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a magic carpet express, and supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!

*The In-Betweens: The Spiritualists, Mediums, and Legends of Camp Etna*  
Crown/Archetype

In this "superwonderrific" New York Times bestseller (Jerry Spinelli), two bullied middle-school boys finally fight back with the power of funny. David and his best friend Michael were tagged with awful nicknames way back in preschool when everyone did silly things. Fast-forward to seventh grade: "Pottymouth" and "Stoopid" are still stuck with the names -- and everyone in school, including the

teachers and their principal, believe the labels are true. So how do they go about changing everyone's minds? By turning their misery into megastardom on TV, of course! And this important story delivers more than just laughs -- it shows that the worst bullying isn't always physical . . . and that things will get better. A great conversation starter for parents to read alongside their kids! Official Notice to Parents: There is no actual pottymouthing or stupidity in this entire book! (Psst, kids: that second part might not be entirely true.)

The Glass Castle Page Street Publishing

"Straight up, parent tested, and funny to boot, Jamie gives you all the information you need." —Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures* A proven six-step plan to help you toilet train your preschooler quickly and successfully, from potty-training expert, Pied Piper of Poop, and social worker Jamie Glowacki. Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her 6-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done

FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: \*\* How do I know if my kid is ready? \*\* Why won't my child poop in the potty? \*\* How do I avoid "potty power struggles"? \*\* How can I get their daycare provider on board? \*\* My kid was doing so well—why is he regressing? \*\* And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the ANSWERS you need to do it once and be done with diapers for good.

Times—Bestseller: “The

authors' interviews with Chase are endlessly illuminating . . . the definitive celebration of a show that made history.” —Kirkus Reviews On January 10, 1999, a mobster walked into a psychiatrist's office and changed TV history. By shattering preconceptions about the kinds of stories the medium should tell, *The Sopranos* launched our current age of prestige television, paving the way for such giants as *Mad Men*, *The Wire*, *Breaking Bad*, and *Game of Thrones*. As TV critics for *Tony Soprano's* hometown paper, *New Jersey's The Star-Ledger*, Alan Sepinwall and Matt Zoller Seitz were among the first to write about the series before it became a cultural phenomenon. Now they have reunited to produce *The Sopranos Sessions*, a collection of recaps, conversations, and critical essays covering every episode. Featuring a series of new long-form interviews with series creator David Chase, as well as selections from the authors' archival writing on the series, *The Sopranos Sessions*

explores the show's artistry, themes, and legacy, examining its portrayal of Italian Americans, its graphic depictions of violence, and its deep connections to other cinematic and television classics.

“Includes highly detailed recaps of each episode [and] a debate about the much-discussed final moment of the final episode.” —The New York Times “Excellent . . . an enjoyable read.” —The Irish Times
