Navigating Your Path to Embodied Power Harvest House Publishers

The Power of a Wise Woman offers straight-talking advice on the strength, beauty and influence wielded by truly wise women. For instance, a wise woman often can be a point of support, such as Abigail, the wise woman from Carmel who saved her husband, Nabal's life by providing King David with much food. The Bible is filled with examples of other wise women, some more well-known than others. Among the facets of a wise woman's character are: A wise woman knows herself A wise woman knows her God A wise woman understands men and their roles A wise woman understands when and how to help A wise woman nurtures her community A wise woman knows the enemy Bishop Eddie Long's powerful message of encouragement will capture women's hearts and bring them to a closer personal relationship with God.

Understanding the Purpose and Power of Women Penguin

Feminism is often presented as a women ' s movement, but the truth is that harnessing women ' s untapped potential will make everyone better off... including men!

Woman's Way Home Simon and Schuster

Learn how some of the world's most inspiring women are using their growing economic power to create success and meaning in their lives while building a better world. . . and how you can too. Important conversations about leaning in, work/life balance and empowering women and girls around the world have energized a generation of women. Fast Forward, by two women leaders whose experience spans corporate America, public service, and global diplomacy, takes the next step. Through interviews with a network of more than seventy trailblazing women, Fast Forward shows women how to accelerate their growing economic power and combine it with purpose to find both success and meaning in their lives.

Companies, countries, and organizations the world over are waking up to today's new reality. Women control the lion's share of purchasing power and are increasingly essential to competitiveness. The age of women's transformative economic influence has finally arrived, and women are using their power for purpose, redefining what power and success mean in the process. Through clear, practical advice and personal stories of women around the world -- including Hillary Clinton, Geena Davis, Christine Lagarde, and Diane von Furstenberg -- Fast Forward shows every woman how to know her power, find her purpose, and connect with others to achieve her life's goals. Advance praise for Fast Forward: "Fast Forward shows us how leaders at every level can use their power and purpose to help more and more women achieve their dreams for a better life." --Hillary Rodham Clinton "We are all capable of great things, even world-changing things, if we take inspiration from others and join together to get it done. We are witnessing an awakening to the justice of civil rights for women in our time. You can feel it is imminent, and it will change the world when it is accomplished. Here are stories of a few women who have dared to imagine the day, and worked to make it happen. Let them inspire you." --Meryl Streep, actor and activist "A life filled with purpose is the greatest gift we can give to ourselves - and to others. Fast Forward shows women how to lead lives of purpose and meaning, so that they, and our world, can thrive." --Arianna Huffington, co-founder and editor-in-chief, Huffington Post "As I have travelled the world, I've seen the incredible strength and resilience of women everywhere, working at every level. If there was ever a doubt that our moment is now, this book dispels it. Fast Forward shows every woman how she can empower herself and her community, and why all of us will be better for it. Women are the growing force for progress in the 21st century." --Madeleine Albright, former Secretary of State

"What is life without a sense of purpose? Any woman who's asked herself this question must read *Fast Forward*, filled with inspiring stories of women who've achieved power in their own lives and used it to make a difference for others, especially other women and girls." --Maria Shriver, author and journalist

"The stories in this inspirational book serve as a powerful reminder that, with the right support, women can become an unstoppable force in their communities and economies. It is a rousing call to action for anyone who cares about creating a more equal world. Unleashing the full potential of women is not an option - it is an imperative." --Cherie Blair, founder, Cherie Blair Foundation for Women

"I love this book. It tells the stories of ingenious women who took the circumstances around them and created successful companies and purpose in their lives, while at the same time recognizing their own power to lift other women up, supporting both economic growth and social progress all over the world. It's an inspiring wake-up call to action, and once you're fired up, longing to find your own power and potential, it gives you a tool kit of information as to how you can begin. Brilliant." --Sally Field, actor and activist

"*Fast Forward* gives all of us hope through the inspiring examples of pioneering women in global leadership, public service, and the corporate world - a path forged by Melanne Vermeer since she helped Hillary Clinton transform the concept of women's rights in Beijing in 1995. Vermeer and co-author Kim Azzarelli share their practical experience with new insights into how we can all lean even further forward. A must read for women - and men - who believe strong, educated women and girls are the key to advancing societies." --Andrea Mitchell, Chief Foreign Affairs Correspondent, NBC News

"The stories of the remarkable women chronicled in *Fast Forward* are both inspiring and instructive, making it must-read for anyone interested in leading successfully with purpose in the 21st century. *Fast Forward* is also a reminder that progress and gender parity are inextricably linked and that if we want a society that operates at its best, we have to work for both." --Ajay Banga, CEO, MasterCard

"In *Fast Forward*, we are reminded why Melanne Vermeer and Kim Azzarelli are two leading 'sheroes' of the global women's movement. The book is chock-full of wise and clever advice for women and men committed to empowering women to reach their full potential. You will be inspired by their profiles of determined women of resilience, grit and passion to change the world. Brava!" --Darren Walker,

president, Ford Foundation

"A durable contribution to the continued efforts to effect change for women." --Kirkus Reviews

"[An] empowering work about women's valuable contributions to the global economy...An inspiring foreword by Hillary Clinton bolsters the authors' message that women, working together, can accomplish anything." --Publishers Weekly

The Power Currency

Eve tempting Adam with the apple, Delilah shearing Samson's hair, Phyllis riding the philosopher Aristotle like a horse—from the patristic period through the sixteenth century, examples of disorderly women such as these from the Bible, antiquity, and romance were cited to prove beyond any doubt that women exercise a power that no man, however superior his moral and physical qualities, can resist. An example of Latin *topica*, *loci*, or *loci communes* central to ancient rhetoric and medieval literature, the Power of Women *topos* illustrated how a woman could dominate, humiliate, and even destroy the man who loved her too well. Two or more infamous female figures were brought together to exemplify a cluster of interrelated themes: the wiles of women, the power of love, and the trials of marriage. Susan L. Smith's comprehensive study of the Power of Women *topos* in written texts and in art emphasizes the critical phase of its development from the late twelfth to the end of the fourteenth century. During this period, she argues, traditional employment of the *topos* exclusively to condemn women and justify male authority underwent a dramatic shift as new voices (some of them female voices) appropriated the Power of Women to contest and relativize the misogynistic views it had been created to promote. The Power of Women analyzes the *topos*'s shifting operations in the context of ancient and medieval theories of rhetoric, particularly with respect to the practice of exemplification, which presuppose the possibility of conflicting judgments on disputed topics. Smith further supports her argument by reference to a wide range of recent theoretical writings by Mikhail Bakhtin and others.

The Smart Woman's Guide to Online Marketing Harper Collins

Ormarian offers guidance on how to pray for oneself and for others. In this book of faith and courage, she teaches women how to become closer to God through prayer.

War, Women, and Power Harvest House Publishers

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.

Stories of Motherhood, Faith, and the Academy HarperCollins UK

This short book is partly an attack on the apparent abdication of any systematic political thought on the part of today's positive, up-beat feminists. It suggests alternative ways of thinking about transformations in work, sexuality and culture that, while seemingly far-fetched in the current ideological climate, may provide more serious material for future feminism.

The Power of Women Harvest House Publishers

A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In *Kingdom Woman*, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their

calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!

Women's Power to Heal Moody Publishers

Come Home ~ Body, Self and Soul In this engaging, empowering and honest book, inspirational speaker and facilitator of women's spiritual awakening Leela Francis shares the forests, peaks, and valleys of her wild and wonderful way home. You'll also be moved by the wisdom and stories of her clients who dared to touch deeply into their own rich life tapestries to emerge stronger, more vibrant, and more vividly their true selves. Caroline Muir, founder of the Divine Feminine Institute for Men and Women and coauthor of the best-selling *Tantra: The Art of Conscious Loving*

Health, Creativity, and Fertility for the Soul J Countryman Books

An updated edition of the Sunday Times Bestseller Britain's best-known classicist Mary Beard, is also a committed and vocal feminist. With wry wit, she revisits the gender agenda and shows how history has treated powerful women. Her examples range from the classical world to the modern day, from Medusa and Athena to Theresa May and Hillary Clinton. Beard explores the cultural underpinnings of misogyny, considering the public voice of women, our cultural assumptions about women's relationship with power, and how powerful women resist being packaged into a male template. A year on since the advent of #metoo, Beard looks at how the discussions have moved on during this time, and how that intersects with issues of rape and consent, and the stories men tell themselves to support their actions. In trademark Beardian style, using examples ancient and modern, Beard argues, 'it's time for change - and now!' From the author of international bestseller *SPQR: A History of Ancient Rome*.

A Woman's Book of Power Tyndale House Publishers, Inc.

No Matter How Much a Woman Has, There's Always too Much to Lose Stephanie Jardine is at the apex of her career and life running the American branch of Jardine's, the prestigious Crown Jewellers of London. A young widow, she has three grown sons and one very precious teenage daughter, Chloe. Then one day, an unexpected act of violence committed by a stranger on the other side of the world plunges Stevie into turmoil and despair. To save her injured daughter's life and ensure her future, Stevie must go back to her own past and confront a relationship that has only brought her heartbreak.

As she battles for her daughter, Stevie comes to understand how fragile life is and how it can be forever changed by others when least expected. A moving novel about family secrets, betrayal, and redemption, *Power of a Woman* is the story of an innocent victim of a stranger's vengeance, who manages to triumph through her own inner power as a woman.

Policy Press

When the enemy slipped into the garden, he robbed Eve and all her daughters of their original purpose, position, and power. But today God is bringing these truths back to women. He is setting His daughters free and showing them their value in His Kingdom.

From Violence to Mobilization in Rwanda and Bosnia-Herzegovina Berkley Publishing Group

Can you have a strong personality and still be a godly wife? YES! Do you ever get the idea that being a godly wife means you need to be a mousy doormat? Be as unnoticeable as a doorknob? Or have a personality transplant? *Fierce Women: The Power of a Soft Warrior* smashes that idea. No matter whether you're an extrovert or more introverted, Kimberly Wagner believes women are created to be a compelling force. You may not see yourself as beautifully fierce or even slightly strong, but what if God has placed a powerful fierceness within you, within every woman? Kim admits her fierceness became a source of conflict in her marriage, but the relationship dynamic totally changed when she discovered her fierce strengths could be used to encourage and inspire her husband. She invites you to come alongside as she takes an honest look at a destructive relationship dynamic and casts a vision for the transformation God can bring to troubled marriages. *A True Woman Book*; the goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

A Mafia Erotic Romance InterVarsity Press

A chakra in our breasts that emits spiritual nourishment into life... a secret substance in our bodies to heal the earth... a direct connection from our wombs to the creative center of the universe... In *Body of Wisdom*, Hilary Hart identifies nine hidden powers alive in women's bodies and instincts, waiting to be used in contemporary challenges such as the creation of community, healing of the earth, and the restoration of life's spiritual nature. Based on interviews with the world's most visionary spiritual teachers and women's dreams and experiences, *Body of Wisdom* ushers in a new spirituality in which the body and the shared body of the earth are known as a seat of mystical power and women take responsibility for spiritual work that only they can do.

The Power of a Praying® Wife BalboaPress

Vital Voices Harmony

Millions of women are launching online businesses. *Power Up for Profits* is the first book written exclusively for women who want to leverage the power of the Internet to reach a global audience and build a successful business with integrity, heart, and massive success. Kathleen Gage has been actively marketing on the Internet since 1994, building a multiple six figure business and a stellar reputation for honesty, outstanding content, and success. She's taught thousands her internet marketing methods in seminars and trainings. For the first time, Gage's

signature tips and techniques are organized into one easy to read book. Filled with step-by-step instructions, entertaining stories, and the heart centered business acumen women crave, Power Up for Profits includes state of the art information on blogging and social media website creation and traffic generation joint ventures and affiliate partnerships packaging information in products and services marketing strategy specifically for women entrepreneurs If you relish the thought of how the Internet can help you share your message with the world, create a profitable business, and enjoy the freedom of entrepreneurship, Power Up for Profits is the book for you.

"Kathleen Gage clearly understands two things: Power and Profit. While this book allows you to use your passions and creativity to find a wealthy path in business it doesn't allow you to get bogged down in the BS of "how." It's clear. It's step by step. AND it's funny and compassionate. This is a must read for any woman ready to build a business (with lots of profits)." Suzanne Evans - Suzanne Evans Coaching "Follow these simple steps and become the successful, prosperous, and happy business owner you are meant to be!" Janet Bray Attwood - New York Times Bestselling Author - The Passion Test "Simply enlightening...gives you a step-by-step process to create a great big beautiful impact for your clients... and in your bank account, too. Read it!" Dr. Joe Vitale - Bestselling author - Hypnotic Writing "Power Up for Profits! is the perfect blend needed to create a successful online business. Follow Kathleen's advice and watch your profits soar." Peggy McColl - New York Times Bestselling Author - Dynamic Destinies Inc. "For the first time, a book outlines in simple, easy-to-understand, and usable terms, the most powerful yet overlooked combination of true spiritual principles and sound marketing strategies." Eva Gregory - Leading Edge Coaching & Training "Looking for no-fluff marketing training? You found it in this gem of a book! Kathleen's practical steps make it simple to market and grow a business that is a perfect - and profitable - expression of YOU!" Kendall SummerHawk - International Association of Women in Coaching

The Power of a Woman's Words Little, Brown

Rwanda and Bosnia both experienced mass violence in the early 1990s. Less than ten years later, Rwandans surprisingly elected the world's highest level of women to parliament. In Bosnia, women launched thousands of community organizations that became spaces for informal political participation. The political mobilization of women in both countries complicates the popular image of women as merely the victims and spoils of war. Through a close examination of these cases, Marie E. Berry unpacks the puzzling relationship between war and women's political mobilization. Drawing from over 260 interviews with women in both countries, she argues that war can reconfigure gendered power relations by precipitating demographic, economic, and cultural shifts. In the aftermath, however, many of the gains women made were set back. This book offers an entirely new view of women and war and includes concrete suggestions for policy makers, development organizations, and activists supporting women's rights.

Body of Wisdom Createspace Independent Publishing Platform

Aruges that women have given up their control in relations with men through lower standards and compromised values, and challenges women to regain their power by evaluating their behavior and taking responsibility for their choices.

Rage Becomes Her Houghton Mifflin Harcourt

Quotas for women in government have swept the globe. Yet we know little about their capacity to upend entrenched social, political, and economic hierarchies. ?Property and Power seeks to explore this issue within the context of India, the world's largest democracy. Brulé uses cutting-edge research design and extensive field research to make connections among political representation, backlash, and economic empowerment. Her findings show that women in

government catalyze access to fundamental economic rights: property rights. Women in politics also have the power to support constituent rights at critical junctures, such as marriage negotiations, sparking integrative solutions to intra-household bargaining. Although they can lead to backlash, quotas are essential for enforcement ?of rights. In this groundbreaking study, Brulé shows how quotas can operate as a crucial tool to foster equality and benefit the women they are meant to empower.

The Power of Women Flatiron Books: An Oprah Book

How to enhance well-being by reconnecting to sacred womanhood • Shares ways to embody the power, wisdom, and compassion of the Great Mother • Reveals a woman's purpose is to give birth not only to new life but also to new levels of consciousness • Shows how female illnesses represent a disconnection from our true identity as women Four thousand years ago, women were seen as living representatives of the Great Mother, whose cyclical and potent energy gave birth to all existence. Today, this sacred awareness has been lost or distorted, causing a collective amnesia among women around the world. However, there is one symbol of the Great Mother's loving presence that has remained unchanged for tens of thousands of years: the physical body. Its curves, sensuality, softness, and monthly flow are constant reminders of this deep loving connection. When illness appears, especially within the breasts and fertility organs, a woman is being reminded to return to her pure and sacred identity, where death and birth are essential for growth and love flows without expectations. Combining more than 30 years' experience in health care with in-depth research into the history and mythology of the divine feminine, Christine R. Page, M.D., reveals that women are the foundation of the birth of new levels of consciousness, without which the evolution of humanity will become barren and dry. Yet, such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity. Through a fascinating journey into the body, Dr. Page shows the importance of self-love and self-respect and explains how sex is a natural process of unification where women take the lead, similar to the ancient sacred priestesses. Dr. Page reminds women to reconnect to the potent and creative energy of Mother Earth, which gives power to the intuitive voice of the heart and nurtures new seeds of inspiration and enlightenment through the womb.
