Living the Hero's Journey
Penguin

“Unusually accessible and
useful . . . An eye-opener to
readers into the universality
and importance of myth in
human history and

culture.”—William E. Paden, Chair, Department of Religion, University of Vermont For as long as human beings have had language, they have had myths. Mythology is our earliest form of literary expression and the foundation of all history and morality. Now, in *Parallel Myths*, classical scholar J. F. Bierlein gathers the key myths from all of the world's major traditions and reveals their common themes, images, and meanings. *Parallel Myths* introduces us to the star players in the world's great myths—not only the twelve Olympians of Greek mythology, but the stern Norse Pantheon, the mysterious gods of India, the Egyptian Ennead, and the powerful deities of Native Americans, the Chinese, and the various cultures of Africa and Oceania. Juxtaposing the

most potent stories and symbols from each tradition, Bierlein explores the parallels in such key topics as creation myths, flood myths, tales of love, morality myths, underworld myths, and visions of the Apocalypse. Drawing on the work of Joseph Campbell, Mircea Eliade, Carl Jung, Karl Jaspers, Claude Lévi-Strauss, and others, Bierlein also contemplates what myths mean, how to identify and interpret the parallels in myths, and how mythology has influenced twentieth-century psychology, philosophy, anthropology, and literary studies. “A first-class introduction to mythology . . . Written with great clarity and sensitivity.”—John G. Selby, Associate Professor, Roanoke College
The Ecstasy of Being Simon and Schuster

The Politics of Myth examines the political views implicit in the mythological theories of three of the most widely read popularizers of myth in the twentieth century, C. G. Jung, Mircea Eliade, and Joseph Campbell. All three had intellectual roots in the anti-modern pessimism and romanticism that also helped give rise to European fascism, and all three have been accused of fascist and anti-Semitic sentiments. At the same time, they themselves tended toward individualistic

views of the power of myth, believing that the world of ancient myth contained resources that could be of immense help to people baffled by the ambiguities and superficiality of modern life. Robert Ellwood details the life and thought of each mythologist and the intellectual and spiritual worlds within which they worked. He reviews the damaging charges that have been made about their politics, taking them seriously while endeavoring to put them in the context of the individual's

entire career and lifetime contribution. Above all, he seeks to extract from their published work the view of the political world that seems most congruent with it.

The Mythic Image State University of New York Press

Brand Bewitchery is for leaders of purpose-driven brands who seek a proven system to clarify their brand story, amplify their impact and simplify their life. The book guides readers through the Story Cycle System(TM) to craft their overarching brand narrative, a process that has grown business by as much as 600 percent. But how you tell your story is critical to

success. Brand Bewitchery also includes two dynamic story structures. Readers will learn the And, But & Therefore foundational narrative framework to focus all of their messaging for more compelling communications. Plus, they will apply the Five Primal Elements of a short story to create a big impact. Brand Bewitchery features 12 precise story quests: individual and team-building exercises that help the brand creator find, craft and tell true stories that sell. These real-life stories not only support their new brand narrative crafted within these pages but ensure their content hacks through the noise to hook the hearts of their customers. When finished

with this guide book, readers will have revealed their most powerful stories for their personal brand to grow their influence and their business brand to generate a measurable increase in sales while increasing the productivity of their people and enhancing lives in the communities they serve. The storytelling structures in *Brand Bewitchery*, tested over more than a decade through hundreds of businesses and the thousands of people, simply help leaders excel through the stories they tell.

438 Days Harper

A wide-ranging exploration of art, dance, and myth that honors the work of Campbell's wife, Jean Erdman

Thou Art That HarperOne

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1963, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergymen admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and

inspiring a new generation of activists dedicated to carrying on the fight for justice and equality. Planetary Theology Simon and Schuster

The Writer's Journey is an insider's guide to how master storytellers from Hitchcock to Spielberg have used mythic structure to create powerful stories. This new edition includes analyses of latest releases such as The Full Monty.

Correspondence New World Library

Declared “ the best survival book in a decade ” by Outside Magazine, 438 Days is the true story of the man who survived fourteen months in a small boat drifting seven thousand miles across the Pacific Ocean. On November 17, 2012, two men left the coast of Mexico for a weekend fishing trip in the open Pacific. That night, a violent storm ambushed them as they were fishing eighty miles offshore. As gale force winds and ten-foot waves pummeled their

small, open boat from all sides and nearly capsized them, captain Salvador Alvarenga and his crewmate cut away a two-mile-long fishing line and began a desperate dash through crashing waves as they sought the safety of port. Fourteen months later, on January 30, 2014, Alvarenga, now a hairy, wild-bearded and half-mad castaway, washed ashore on a nearly deserted island on the far side of the Pacific. He could barely speak and was unable to walk. He claimed to have drifted from Mexico, a journey of some seven thousand miles. A “ gripping saga, ” (Daily Mail), 438 Days is the first-ever account of one of the most amazing survival stories in modern times. Based on dozens of hours of exclusive interviews with Alvarenga, his colleagues, search-and-rescue officials, the remote islanders who found him, and the medical team that saved his

life, 438 Days is not only “ an intense, immensely absorbing read ” (Booklist) but an unforgettable study of the resilience, will, ingenuity and determination required for one man to survive more than a year lost and adrift at sea. Star Wars Macmillan On Literature, New Places, and the Sacred Sacred travel guide. First published in 1998 and updated with a new preface by the author, The Art of Pilgrimage is a sacred travel guide full of inspiration for the spiritual traveler. Not just for pilgrims. We are descendants of nomads. And although we no longer partake in this nomadic life, the instinct to travel remains. Whether we ’ re planning a trip or buying a secondhand copy of Siddhartha, we ’ re always searching for a journey, a

pilgrimage. With remarkable stories from famous travelers, poets, and modern-day pilgrims, The Art of Pilgrimage is for the mindful traveler who longs for something more than diversion and escape. Rick Steves with a literary twist. Through literary travel stories and meditations, award-winning writer, filmmaker and host of the acclaimed Global Spirits series, Phil Cousineau, sets out to show readers that travel is worthy of mindfulness and spiritual examination. Learn to approach travel with a desire for spiritual risk and renewal, practicing intentionality and being present. Inside find: • Stories, myths, parables, and quotes from many travelers and many faiths • How to see with the “ eyes of the heart ” • More than 70

illustrations Spiritual travel for the soul. If you're looking for reasons to travel, this is it. Whether traveling to Mecca or Memphis, Stonehenge or Cooperstown, one's journey becomes meaningful when the traveler's heart and imagination are open to experiencing the sacred. The Art of Pilgrimage shows that there is something sacred waiting to be discovered around us. If you enjoyed books like The Pilgrimage by Paulo Coelho or Unlikely Pilgrim, Zen on the Trail, and Pilgrimage The Sacred Art, then The Art of Pilgrimage is a travel companion you'll love having with you. Star Wars DK Publishing (Dorling Kindersley) Examines the myth-making process since primitive times to demonstrate the ways in

which specific myths reflect human needs. The Writer's Journey Happy H Press "In the first of a four-volume series, a noted mythologist traces the historical evolution of mythology throughout the world, from early tribal societies to the first urban civilizations of the ancient near east. This updated edition includes annotations that incorporate recent discoveries in anthropology and archaeology"-- The Politics of Myth Ballantine Books This photographically illustrated guide charts Luke Skywalker's "hero's journey" from his farm boy origins to the fulfillment of his quest to become a Jedi Knight. Full color. Sukhavati New World Library Thou Art That is a

compilation of previously uncollected essays and lectures by Joseph Campbell that focus on the Judeo-Christian tradition. Campbell explores common religious symbols, reexamining and reinterpreting them in the context of his remarkable knowledge of world mythology. Campbell believed that society often confuses the literal and metaphorical interpretations of religious stories and symbols. In this collection, he eloquently reestablishes these symbols as a means to enhance spiritual understanding and mystical revelation. With characteristic verve, he ranges from rich storytelling to insightful comparative scholarship. Included is editor Eugene Kennedy's classic interview with Campbell in the *New York Times Magazine*, which originally brought the scholar to the attention of the public. [The Romance of Religion](#)
Thomas Nelson

C. S. Lewis said that Christianity works on us like every other myth, except it is a myth that really happened. Dwight Longenecker grabs this idea and runs with it, showing that the Christian story is the greatest story ever told because it gathers up what is true in all the fantasy stories of the world and makes them as solid, true, and real as a tribe of dusty nomads in the desert or the death of a carpenter-king. In *The Romance of Religion* Longenecker calls for the return of the romantic hero—the hero who knows his frailty and can fight the good fight with panache, humor, and courage. Conflict and romance are everywhere in the story of Christ, and our response is to dust off our armor, don our broad-brimmed hats, pick up our swords, and do battle for Christ with confidence, wonder, and joy. Is religion no more than a fairy tale? No, it is

more than a fairy tale—much more: it is all the fairy tales and fantastic stories come true here and now. “ This book is witty, whimsical, and deadly serious. With panache and aplomb, Dwight Longenecker sets out to prove that Christianity is, in every sense of the word, fabulous. And does he succeed in his quest? I encourage you to read it to find out. ”

—Michael Ward, senior research fellow, Blackfriars Hall, University of Oxford, and professor of apologetics, Houston Baptist University

“ If you've never thought about the Christian faith as romance and story, then this book will introduce you to a whole new way of thinking. ” —Frank Viola, author of *God's Favorite Place on Earth*

Letter from Birmingham Jail
Penguin

What does it really mean to be a grown up in today ' s world? We assume that once we “ get it

together ” with the right job, marry the right person, have children, and buy a home, all is settled and well. But adulthood presents varying levels of growth, and is rarely the respite of stability we expected. Turbulent emotional shifts can take place anywhere between the age of thirty-five and seventy when we question the choices we ' ve made, realize our limitations, and feel stuck—commonly known as the “ midlife crisis. ” Jungian psycho-analyst James Hollis believes it is only in the second half of life that we can truly come to know who we are and thus create a life that has meaning. In *Finding Meaning in the Second Half of Life*, Hollis explores the ways we can grow and evolve to fully become ourselves when the traditional roles of adulthood aren ' t quite working for us, revealing a new way of uncovering and embracing our authentic selves. Offering wisdom to anyone facing a career that no longer seems fulfilling, a long-term relationship that has shifted, or family transitions that raise issues of aging and mortality,

Finding Meaning in the Second Half of Life provides a reassuring message and a crucial bridge across this critical passage of adult development.

Primitive Mythology (the Masks of God, Volume 1)

Harper Perennial

An engaging introduction to the world of Joseph Campbell through conversations on the meaning and power of myth, recorded shortly before Campbell's death in 1987. This beautiful miniature edition covers a wide range of topics, such as the differences between Eastern and Western beliefs about God and nature and what myth teaches us about the stages of life.

Uses of Comparative Mythology
New World Library

This book describes contemporary woman's search for wholeness in a society in which she has been defined according to masculine values.

Drawing upon cultural myths and fairy tales, ancient symbols and goddesses, and the dreams of contemporary women, Murdock illustrates the need for—and the reality of—feminine values in Western culture today.

Hit Makers Mango Media Inc.

This collection, first published in 1992, offers critical-interpretive essays on various aspects of the work of Joseph Campbell (1904-1987), one of a very few international experts on myth. Joseph Campbell examines myths and mythologies from a comparative point of view, and he stresses those similarities among myths the world over as they suggest an existing, transcendent unity of all humankind. His interpretations foster an openness, even a generous appreciation of, all myths; and he attempts to generate a broad, sympathetic understanding of the role of these 'stories' in human history, in our present-day

lives, and in the possibilities of our future.

The Power of Myth
HarperCollins UK

The first easily accessible translation of the esoteric writings that inspired some of the world's greatest artists, scientists, and philosophers. Here is an essential digest of the Greco-Egyptian writings attributed to the legendary sage-god Hermes Trismegistus (Greek for thrice-greatest Hermes), a combination of the Egyptian Thoth and the Greek Hermes. The figure of Hermes was venerated as a great and mythical teacher in the ancient world and was rediscovered by the finest minds of the Renaissance. The writings attributed to his hand are a time capsule of Egyptian and Greek esoteric philosophy and have influenced figures including Blake, Newton, Milton, Shelley, Shakespeare, Botticelli, Leonardo da Vinci, and Jung. Providing a

fascinating introduction to the intersection of the Egyptian and Hellenic cultures and the magico-religious ideas of the antique world, *The Hermetica* is a marvelous volume for anyone interested in understanding the West's roots in mystical thought.
