The Hero with a Thousand Faces
Penguin

Joseph Campbell, arguably the greatest mythologist of our time, was certainly one of our greatest storytellers. This new cloth edition of *The Hero's Journey*, published to celebrate the 100th anniversary of Campbell's birth, recounts his own quest and conveys the excitement of his lifelong exploration of our mythic traditions, what he called "the one great story of mankind."

The Hermetica Joseph Campbell
Foundation

Can One Girl Win A War? My name is Kano Murasaki, but everyone calls me Risuko. Squirrel. I am from Serenity Province, though I was not born there. My nation has been at war for a hundred years, Serenity is under attack and my family is in disgrace, but some people think that I can bring victory. That I can be a very special kind of woman. All I want to do is climb. My name is Kano Murasaki, but everyone calls me Squirrel. Risuko. ~*~ Though Japan has been devastated by a century of civil war, Risuko just wants to climb trees. Growing up far from the battlefields and court intrigues, the fatherless girl finds herself pulled into a plot that may reunite Japan — or may destroy it. She is torn from her home and what is left of her family, but finds new friends at a school that may not be what it seems. Magical but historical, Risuko follows her along the first dangerous steps to discovering who she truly is. Kano Murasaki, called Risuko (Squirrel) is a young, fatherless girl, more comfortable climbing trees than down on the ground. Yet she finds herself enmeshed in a game where the board is the whole nation of Japan, where the pieces are

armies, moved by scheming lords, and a single girl couldn't possibly have the power to change the outcome. Or could she?

YOUNG ADULT HISTORICAL ADVENTURE As featured in Kirkus, Foreword, and on the cover of Publishers Weekly! Tight, exciting, and thoughtful... The characters are nicely varied and all the pieces fit into place deftly. -- Kirkus Reviews
Risuko is an artfully crafted novel that evokes a heavy sense of place and enchantment.... Risuko's development and evolution are fascinating to watch in this powerful and relentless coming-of-age adventure. -- Foreword Reviews (spotlight review)
Vividly portrayed, flush with cultural detail, and smoothly written. -- BookLife

Primitive Mythology Dk Pub
In the tradition of *The Power of Myth*, a conversation with Joseph Campbell that distills the mature wisdom and eclectic spiritual thinking of the world-renowned scholar and mythologist.

[A Skeleton Key to Finnegans Wake](#) Joseph Campbell Foundation
Noel presents "a compelling analysis of one of this century's great teachers" (Spiritual Studies Center Book News)--"a welcome academic response to the tremendous public appeal of Campbell's conversations with Bill Moyers" (Harvest: Journal for Jungian Studies). Contributors include Harold G. Coward, Wendy Doniger, Robert A. Segal, Walter B. Gulick, and others.

Goddesses Routledge
Discover Myth "There's no one quite like Joseph Campbell. He knows the vast sweep of man's panoramic past as few men have ever known it." --The Village Voice
Joseph Campbell famously compared mythology to a kangaroo pouch for the human mind and spirit: "a womb with a view." In *Myths to Live By*, he examines all of the ways in which myth supports and guides us, giving our lives meaning. Love and war, science and religion, East and West, inner space and outer space — Campbell shows how the myths we live by can reconcile all of these pairs of opposites and bring a sense of the whole. This classic has

been newly illustrated and annotated in its first new edition since its original publication, which also marks the first ebook in the Collected Works of Joseph Campbell series. In the tradition of *The Power of Myth* and *Pathways to Bliss*, *Myths to Live By* remains one of Joseph Campbell's most enduring, popular, and accessible works.

Myths to Live By New World Library
#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER
What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

Celebrated scholar Joseph Campbell

shares his intimate and inspiring reflections on the art of living in this beautifully packaged book, part of a new series to be based on his unpublished writings.

Pathways to Bliss Penguin

An engaging introduction to the world of Joseph Campbell through conversations on the meaning and power of myth, recorded shortly before Campbell's death in 1987. This beautiful miniature edition covers a wide range of topics, such as the differences between Eastern and Western beliefs about God and nature and what myth teaches us about the stages of life.

Joseph Campbell and the Power of Myth
Mango Media Inc.

Explore the power of myth as humanity first discovered it Collected Works of Joseph Campbell edition — with up-to-date science In this first volume of The Masks of God — Joseph Campbell's major work of comparative mythology — the preeminent mythologist looks at the wellsprings of myth. From the earliest expressions of religious awe in pre-modern humans to the rites and art of contemporary primal tribes, myth has informed humankind's understanding of the world, seen and unseen. Exploring these archetypal mythic images and practices, Campbell examines the basic concepts that underlie all human myth, even to this day. The Masks of God is a four-volume study of world religion and myth that stands as one of Joseph Campbell's masterworks. On completing it, he wrote: Its main result for me has been the confirmation of a thought I have long and faithfully entertained: of the unity of the race of man, not only in its biology, but also in its spiritual history, which has everywhere unfolded in the manner of a single symphony, with its themes announced, developed, amplified and turned about, distorted, reasserted, and today, in a grand fortissimo of all sections sounding together, irresistibly advancing to some kind of mighty climax, out of which the next great movement will emerge. This new digital edition is part of the Collected Works of Joseph Campbell series. Joseph Campbell Foundation has worked with scientists and academics to bring the anthropological and paleontological information Campbell explores in line with the best twenty-first century scholarship. (Comparative Mythology: paleontology, Neanderthal and Cro-magnon culture, neolithic and paleolithic art and religion.) "[T]he mask in a primitive festival is revered and experienced as a veritable apparition of the mythical being that it represents — even though everyone knows that a man made the mask and that a man is wearing it. The one wearing it, furthermore, is identified with the god during the time of

the ritual of which the mask is a part. He does not merely represent the god; he is the god."— Joseph Campbell, Primitive Mythology

The Way of Myth Joseph Campbell Foundation

Examines the political views implicit in the mythological theories of three of the most widely read popularizers of myth in the twentieth century, C. G. Jung, Mircea Eliade, and Joseph Campbell. The Politics of Myth examines the political views implicit in the mythological theories of three of the most widely read popularizers of myth in the twentieth century, C. G. Jung, Mircea Eliade, and Joseph Campbell. All three had intellectual roots in the anti-modern pessimism and romanticism that also helped give rise to European fascism, and all three have been accused of fascist and anti-Semitic sentiments. At the same time, they themselves tended toward individualistic views of the power of myth, believing that the world of ancient myth contained resources that could be of immense help to people baffled by the ambiguities and superficiality of modern life. Robert Ellwood details the life and thought of each mythologist and the intellectual and spiritual worlds within which they worked. He reviews the damaging charges that have been made about their politics, taking them seriously while endeavoring to put them in the context of the individual's entire career and lifetime contribution. Above all, he seeks to extract from their published work the view of the political world that seems most congruent with it. Robert Ellwood is Professor of Religion, Emeritus at the University of Southern California, and the author of numerous books including The History and Future of Faith, The Sixties Spiritual Awakening, and The Fifties Spiritual Marketplace. The Hero's Journey Harper
This collection, first published in 1992, offers critical-interpretive essays on various aspects of the work of Joseph Campbell (1904-1987), one of a very few international experts on myth. Joseph Campbell examines myths and mythologies from a comparative point of view, and he stresses those similarities among myths the world over as they suggest an existing, transcendent unity of all humankind. His interpretations foster an openness, even a generous appreciation of, all myths; and he attempts to generate a broad, sympathetic understanding of the role of these 'stories' in human history, in our present-day lives, and in the possibilities of our future.

Finding Meaning in the Second Half of Life Ballantine Books

Explore the power of myth as it flowered in Asia In this second volume of The Masks of God — Joseph Campbell's major work of

comparative mythology — the pre-eminent mythologist looks at Asian mythology as it developed over the course of five thousand years into the distinctive religions of Egypt, Mesopotamia, India, China, and Japan. The Masks of God is a four-volume study of world religion and myth that stands as one of Joseph Campbell's masterworks. On completing it, he wrote: Its main result for me has been the confirmation of a thought I have long and faithfully entertained: of the unity of the race of man, not only in its biology, but also in its spiritual history, which has everywhere unfolded in the manner of a single symphony, with its themes announced, developed, amplified and turned about, distorted, reasserted, and today, in a grand fortissimo of all sections sounding together, irresistibly advancing to some kind of mighty climax, out of which the next great movement will emerge. This new digital edition, part of the Collected Works of Joseph Campbell series, includes over forty new illustrations. (Comparative Mythology: Ancient Egypt, Hinduism, Buddhism, Jainism) The Power of Myth Harper Collins
Master mythologist Joseph Campbell had a genius for finding the unifying symbols and metaphors in apparently distinct cultures and traditions. In Myths of Light: Eastern Metaphors of the Eternal, Campbell explores, with his characteristic clarity and humor, the principle that underlies all the great religions of India and East Asia, from Jainism and Hinduism to Buddhism and Taoism: the transcendent World Soul. Joseph Campbell began his comparative study of the world's religions with a chance meeting with the renowned Indian theosophist Jeddou Krishnamurti on a trans-Atlantic steamer. Though Campbell was deeply fascinated by mythologies and religions from every continent, Asia's potent mix of theologies captured his imagination more than any other, and offered him paths to understanding the essence of myth. In Myths of Light, Campbell explores the core philosophies and mythologies of the East, comparing them through vivid examples and stories to each other and to those of the West. A worthy companion to Thou Art That and to Campbell's

Asian Journals, this volume conveys complex insights through warm, accessible storytelling, revealing the intricacies and secrets of his subject with his typical enthusiasm.

Star Wars Harper Perennial

Explore the mysteries of the feminine divine Joseph Campbell brought mythology to a mass audience. His bestselling books, including *The Power of Myth* and *The Hero with a Thousand Faces*, are the rare blockbusters that are also scholarly classics. While Campbell's work reached wide and deep as he covered the world's great mythological traditions, he never wrote a book on goddesses in world mythology. He did, however, have much to say on the subject. Between 1972 and 1986 he gave over twenty lectures and workshops on goddesses, exploring the figures, functions, symbols, and themes of the feminine divine, following them through their transformations across cultures and epochs. In this provocative volume, editor Safron Rossi—a goddess studies scholar, professor of mythology, and curator of collections at Opus Archives, which holds the Joseph Campbell archival manuscript collection and personal library—collects these lectures for the first time. In them, Campbell traces the evolution of the feminine divine from one Great Goddess to many, from Neolithic Old Europe to the Renaissance. He sheds new light on classical motifs and reveals how the feminine divine symbolizes the archetypal energies of transformation, initiation, and inspiration.

The Joseph Campbell Companion
Bollingen Foundation

Joseph Campbell famously defined myth as "other people's religion." But he also said that one of the basic functions of myth is to help each individual through the journey of life, providing a sort of travel guide or map to reach fulfillment - or, as he called it, bliss. For Campbell, many of the world's most powerful myths support the individual's heroic path toward bliss. In *Pathways to Bliss*, Campbell examines this personal, psychological side of myth. Like his classic bestselling books *Myths to Live By* and *The Power of Myth*, *Pathways to Bliss* draws from Campbell's popular lectures and dialogues, which highlight his remarkable storytelling and ability to apply the larger themes of world mythology to personal growth and the quest for transformation. Here he anchors mythology's symbolic wisdom to the individual, applying the most poetic mythical metaphors to the challenges of our daily lives. Campbell dwells on life's important questions. Combining cross-cultural stories with the teachings of modern psychology,

he examines the ways in which our myths shape and enrich our lives. He explores the many insights of Carl Jung; the notion of self as the hero; and how East and West differ in their approaches to the ego. The book also includes an extensive question-and-answer session that ranges from mythological readings of the Bible to how the Hero's Journey unfolds for women. With his usual wit and insight, Campbell draws connections between ancient symbols and modern art, schizophrenia and the Hero's Journey. Along the way, he shows how myth can help each of us truly identify and follow our bliss.

Oriental Mythology New World
Library

The national bestseller, now available in a non-illustrated, standard format paperback edition *The Power of Myth* launched an extraordinary resurgence of interest in Joseph Campbell and his work. A preeminent scholar, writer, and teacher, he has had a profound influence on millions of people--including Star Wars creator George Lucas. To Campbell, mythology was the "song of the universe, the music of the spheres." With Bill Moyers, one of America's most prominent journalists, as his thoughtful and engaging interviewer, *The Power of Myth* touches on subjects from modern marriage to virgin births, from Jesus to John Lennon, offering a brilliant combination of intelligence and wit. This extraordinary book reveals how the themes and symbols of ancient narratives continue to bring meaning to birth, death, love, and war. From stories of the gods and goddesses of ancient Greece and Rome to traditions of Buddhism, Hinduism and Christianity, a broad array of themes are considered that together identify the universality of human experience across time and culture. An impeccable match of interviewer and subject, a timeless distillation of Campbell's work, *The Power of Myth* continues to exert a profound influence on our culture.

Uses of Comparative Mythology
Routledge

Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death

are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, *The Epic of Gilgamesh* is a landmark literary exploration of man's search for immortality. *Pathways to Bliss* Crossroad Publishing Company

Joseph Campbell held a unique place in the culture for his ability to bring the healing power of myth and archetype to contemporary audiences. This simple, beautifully designed collection of cards continues that work, helping readers connect to wisdom ancient and modern on a daily basis. Including a built-in prop-up frame for display, *Follow Your Bliss* contains timeless quotes from a wide range of Campbell's work, divided into four guiding themes from his teachings: The Psychological, The Sociological, The Cosmological, and The Metaphysical. Practical yet provocative, each card features the brushstroke Zen circle that is the imprimatur of The Joseph Campbell Foundation, with a distinct color for each category in the deck. Enclosed in a box with an intricate tapestry border design, *Follow Your Bliss* is an ideal gift for both the committed seeker and the casual reader looking for simple guidance in a chaotic world.

Joseph Campbell (ELL). Joseph
Campbell Foundation

Thou Art That is a compilation of previously uncollected essays and lectures by Joseph Campbell that focus on the Judeo-Christian tradition. Campbell explores common religious symbols, reexamining and reinterpreting them in the context of his remarkable knowledge of world mythology. Campbell believed that society often confuses the literal and metaphorical interpretations of religious stories and symbols. In this collection, he eloquently reestablishes these symbols as a means to enhance spiritual understanding and mystical revelation. With characteristic verve, he ranges from rich storytelling to insightful comparative scholarship. Included is editor Eugene Kennedy's classic interview with Campbell in the *New York Times Magazine*, which originally brought the scholar to the attention of the public.
