At the time, the 3rd edition was  
sold for \$150 and I bought this 2nd  
edition used for about \$25.

Anyways, for those wondering if  
there is a huge difference in the  
materials covered between the  
books, there are not. The 2nd  
edition is basically identical to the  
3rd edition. Practice problems,  
examples, and chapter contents are  
the same.
